David Riley

## **The Rugby League World Cup ,2000**

Their Finest Hour Andrew Marmont,2017-07-01 The story of the Rugby League World Cup, vividly brought to life with first-hand stories from the players, coaches and administrators who were behind the big moments. More than sixty years ago, Paul Barrière decided to host rugby league's first ever World Cup tournament. An enthralled Parisian public stood on concrete bleachers as their country fought gallantly in the final after suffering total rugby league abolishment a few years earlier. Each of the four teams lacked resources and money, with Britain not having cash to employ a coach or make their team blazers. Fast-forward to 2017 and the game's elite have access to sports scientists, earn high six-figure salaries and train in English Premier League-style facilities. Spectators can sit in lavish corporate boxes or the comfy surroundings of top-class stadiums, as global sponsors add their support behind a tournament that has set new standards in sporting excellence. From Great Britain training with a sock wrapped in a vest, Graeme Langland's 'try that wasn't', the violent 1960s, how New Zealand got Wayne Bennett, Wales and USA's gallant performances and England's epic semi-final against the Kiwis, this is a narrative of what made the World Cups so enthralling. From interviewing rugby league's biggest names like Johnny Whiteley, Wally Lewis, Dean Bell and Glenn Lazarus to master coaches such as Clive Griffiths, Ricky Stuart and Frank Endacott, Marmont brings together an exciting mixture of stories, anecdotes and interviews that will appeal to both rugby league supporters and anyone who loves a good sporting read.

## **Rugby League World David Riley,2017**

Splashdown Chris Ashton,2011-11-07 From try scoring records to controversial celebrations, Chris Ashton has had an amazing year. Announcing his star presence with an awesome 85-metre try against Australia, Chris burst onto the scene and has lit up Twickenham. In his new book he delves into the England rugby team's renaissance, a victorious Six Nations campaign, the build-up to the Rugby World Cup and the tournament itself in New Zealand. From dynamic tries on the pitch to behind-the-scenes life on tour, this is the story of England's Rugby World Cup journey from the player everyone is talking about.

The Rugby World in the Professional Era John Nauright,Tony Collins,2017-02-17 Twenty years of professionalism has seen rugby union undergo dramatic transformations, from changes to everyday training cultures to the growth of the Rugby World Cup into one of the largest global sporting events. The Rugby World in the Professional Era is the first book to examine the effect that professionalism has had across a number of different aspects of the game and the wider socio-cultural significance of these changes through case studies from across the globe. Drawing on contributions from scholars from across the rugby-playing world, the book explores the role of rugby's professionalisation through a number of social-scientific lenses, including: labour migration race and indigenous populations the globalisation of the game mega-event management male sexualities media representations of rugby - from broadcasting matches to rugby in museums and on stage and screen Offering insights into under-researched areas of the sport, such as the growth of Rugby Sevens into an Olympic sport, and providing the most up-to-date recent history of the sport available, The Rugby World in the Professional Era is essential reading for anyone with an academic interest in rugby, and any student or scholar with interests in sports history, sports sociology, sport management or the economics of professional sport.

More Blood, Sweat and Beers Lawrence Dallaglio,2011-09-01 In More Blood, Sweat and Beers, World Cup-winning rugby legend Lawrence Dallaglio shares his favourite stories from his time at International rugby's greatest tournament. With razor-sharp wit and good humour he lets the reader behind the closed doors of the tournament, to see what happens on and off the pitch when the cameras aren't looking. All the great names are here - Blanco, Lomu and Pienaar among them - and in his time Dallaglio has shared pints or blows (or both) with them all and has lived to tell the stories. Funny, frank and fully loaded with quick-fire banter these are the best of the best tales of the legends of the International stage.

The Kiwis John Coffey,Bernie Wood,2007 In 1907 a New Zealand team launched international rugby league by touring Australia, Britain, and Australia (again) against a backdrop of life bans from an outraged rugby union and the tragic death of its young organiser. Since then the Kiwis have played more than 100 test matches each against traditional rivals Australia and Great Britain, have had a 50-year rivalry with France, and competed in World Cup tournaments since 1954. There have been disastrous tours, such as that in 1926-27 when seven forwards went on strike in England and were banned for life, and triumphant ones, such as when the 1971 Grand Slam Kiwis beat Australia, Britain, and France all in one year. Similarly, there have been many momentous matches at home against the Kangaroos, Lions, and French touring teams. Most of the stories have never been told before. For example, the 1912 New Zealand team refused to come home from Australia until it was given time for an end-of-tour party! For 90 of those years the Kiwis were amateurs battling against overseas professionals. The book being prepared to coincide with the centenary in 2007 will include an introduction, 10 sections covering each of the 10 decades, extensive statistics, and many illustrations.

Iestyn Harris Iestyn Harris,2006 Iestyn Harris is the first man to play rugby league and international rugby league, then switch to playing rugby union and international rugby union before returning again to rugby league. Harris was signed by Warrington at 16 and quickly established himself as a rising

star. He played in the 1995 Rugby League World Cup and transferred to Leeds Rhinos in 1997 for a massive £375,000. At 23, he captained Leeds to a Challenge Cup final win, their first major trophy in 30 years. The new millennium saw Harris named as captain of the Wales national team before he decided to play rugby union with Cardiff in 2001. He became a key player in Graham Henry's Wales side and had a prominent role in their strong performance in the 2003 Rugby Union World Cup. In 2004, Harris returned to rugby league, joining Bradford Bulls. He made an immediate impact and the Bulls reached the Grand Final at Old Trafford. Harris was also part of the Great Britain team that pushed Australia hard until the final of the 2004 Tri-Nations tournament. Iestyn Harris- There and Back charts this remarkable player's career to date and reveals the motives for the decisions he has made.

*Rugby League World Cup* Suzan Hirsch, 2014

Rugby DK, 2019-08-01 This exciting introduction to rugby helps kids get to grips with the rules of the game, learn rugby skills, and stock up on rugby world records. The book looks at the history of the game, and touches on the main types of rugby, including Rugby Union, Rugby League, Tag and Touch rugby. Did you know rugby can even be played on sand or snow? Olympic rugby is not forgotten as wheelchair rugby and rugby sevens are both covered. Find out all about the World Cup and the Six Nations, from the history to which nation has the most wins. There are fascinating stats on every page, with profiles of famous rugby players of the World Cup, past and present. Step-by-step graphics clearly show how to pass the ball, and explain what scrums, mauls, and lineouts are.

**No Helmets Required** Gavin Willacy, 2018-06 The remarkable story of 20 young American football players, convinced to compete internationally in rugby--a game they'd never heard of. In 1950s Los Angeles, entrepreneur Mike Dimitro convinced a group of young American athletes to fly around the world playing rugby league, a game that was entirely new to them. Miraculously, the American All Stars competed with the best Australia, New Zealand, and France had to offer, and shocked the locals with some stunning victories. This story tells not only of the media circus and celebrity adventures, but also the All Stars' fights and flings, tragic illnesses, and farcical court cases. Dimitro's mission to establish a rugby league in the United States failed in spectacular fashion--though one All Star went on to win the Super Bowl, one became a Hollywood stuntman, and another an Olympic champion. The emergence of their remarkable story coincides with the United States's first ever qualification for the Rugby League World Cup, in 2013.

*Rugby League, Rugby of The Future* Frank Perrin, 2021-12-15 Rugby League is a game of dreams. In an endless display of dance moves, thirteen performers on each side of the field provide a brilliant spectacle of multiple passes, devastating tackles and magnificent tries. As well as many thousands of supporters in the north of England, rugby league enjoys considerable success in Australia with the NRL, and in New-Zealand, Papua New-Guinea, Fiji, Tonga, Samoa and Great Britain as a whole. It is also played in the US, Canada, Jamaica, Russia, France, Ukraine, Lithuania, Malta, Denmark, Sweden, Belgium, Estonia, Greece, Morocco, Portugal, Serbia, South Africa, Lebanon, Norway, Italy, Germany and Holland. It is a popular Rugby par excellence. Discover the fourth dimension of rugby and the hidden and mysterious world of rugby league beyond. And with the help of previously unpublished files recovered among 17km of archives, this book reveals how rugby league was banned in September 1940 in France, and by who....

*The Oval World* Tony Collins, 2015-08-27 Rugby has always been a sport with as much drama off the field as on it. For every thrilling last-minute Jonny Wilkinson drop-goal to win the world cup or Jonah Lomu rampage down the touchline for a try, there has been a split, a feud or a controversy. The Oval World is the first full-length history of rugby on a world scale – from its origins in the village-based football games of medieval times up to the globalised sport of the twenty-first century, now played in well over 100 countries. It tells the story of how a game played in an obscure English public school became the winter sport of the British Empire, spread to France, Argentina, Japan and the rest of the world and commanded a global television audience of over four billion for the last world cup final. And how American football – and other games such as Australian, Canadian and Gaelic football – emerged from rugby and highlight just how much the modern gridiron game owes to its English cousin. Featuring the great moments in the game's history and its great names – such as Jonah Lomu, David Duckham, Serge Blanco, Billy Boston and David Campese alongside Rupert Brooke, King George V, Boris Karloff, Charles de Gaulle and Nelson Mandela – The Oval World investigates just what it is about rugby that enables it to survive and thrive in countries with very different traditions and cultures. This is the definitive world history of a truly global rugby.

**The Family Game** Michael James, 2005 SOCCER VIOLENCE BECAME rife in Britain over 25 years ago, and there were some pretty bad incidents. It was no surprise people turned away from soccer in droves. RL, as quick as a flash, nipped in with the slogan 'Rugby League: A Man's Game For All The Family' in a bid to entice some of the disenchanted. While it is true Rugby League has never suffered the same problems of organised violence, the slogan did have a hollow ring when sporadic outbreaks occurred at our matches. Rugby League rightly enjoys a reputation as being a game that all the family can come and watch in safety. Yet it hasn't always been that way - from the late 70s and throughout the 80s off the field violence occurred at and around Rugby League matches. This book is one man's story of life as a Rugby League hooligan in those days. Following his introduction to the world of organised violence at an early age, it takes in his travels round the Rugby League community and the shocking incidents that occurred along the way.

It honestly and graphically describes what used to go on, why he was involved in it and, equally as importantly, why he stopped getting involved and how the violence eventually died out. day a fan was stabbed in St Helens, this is a book that will be of interest to all people who wonder why intelligent people immerse themselves in such a violent pastime. Also featuring contributions from around the Rugby League world, for the first time a book explores the untold story of hooliganism that used to exist in Rugby League.

Benji My Story Glenn Jackson,2011-10-11 New Zealanders have long believed Kiwis rugby league captain Benji Marshall to be the best player in the world. That view was confirmed early in 2011 when he was named winner of the prestigious 2010 Golden Boot ? the international prize for the best player in the game. He is the first Wests Tigers player to win this award and only the third New Zealander. This international recognition was not surprising, especially given the virtuoso performance he put on in the final of the Four Nations tournament last year when New Zealand sneaked past Australia. Marshall has also been both inspirational and instrumental in many of New Zealand?s victories in recent times, including the World Cup win over Australia in 2008. Despite being only 26, he has crammed an awful lot into a career which first gained national prominence on both sides of the Tasman when he was selected to represent Australian Schoolboys back in 2003. Marshall?s talent, however, had been spotted some years earlier when, from his home town of Whakatane in New Zealand, he was offered a scholarship to play for a high school on the Gold Coast when he was just 16. From then on it has been a one-way path to the summit of the game. He made his debut for NRL club Wests in 2003 at just 18 and has been with the club ever since. He was a member of the Wests premiership-winning team in 2005 and, despite a string of injuries ? including major shoulder surgery twice! ? his star has continued to rise. His performances for the Kiwis in recent years have left critics on both sides of the Tasman breathless. In this book Marshall will not just talk about his great career, but also his childhood in New Zealand ? he was raised without his biological father, his move to Australia and his storybook entry into the game at the highest level.

*Touchdown Under* Nathan Venture, D,2024-03-12 Embark on a Rousing Quest through Rugby League Lore Imagine unlocking a world where adrenaline surges through roaring stadiums, where every tackle, kick, and try tells a tale of passion and prowess. Touchdown Under: An American's Guide to Rugby League and the NRL is your all-access pass to the riveting universe of one of the most exhilarating sports on the planet. As an American, you're no stranger to the thrill of sports, but what awaits you in these pages is a voyage into the heart of Australia's beloved game. Plunge into the Introduction, and feel the pulse of the crowd as you discover the pleasure of the try. With each turn of the page, gain in-depth knowledge starting from Chapter 1, unraveling the essence of Rugby League, the game's origins, and what sets it apart from its cousin Rugby Union. By detangling the sometimes perplexing rules and terms of the game, you ensure you're as ready for kickoff as the players on the field. Ever wondered about the strategic depth beneath those muddy uniforms and bruised shins? Chapters 2 through 8 meticulously guide you across the field, through the crucial roles of each team position, right into the intricate nuances of game structure. Get to grips with the unique scoring system, the tactical ballet of the play-the-ball, and the decisive power of the tackle. Submerge yourself in the exhilarating spectacle of the NRL season, from the electrifying regular season games to the climactic Grand Final detailed in Chapter 9. Relive history and stir your spirit with Chapter 11's recounting of spine-tingling moments in NRL history, making you feel every heart-stopping play and groundbreaking achievement. For the prospective fan abroad, the Appendices serve as your trusty compass to navigating matchdays from afar, solidifying your burgeoning fandom. Let Touchdown Under: An American's Guide to Rugby League and the NRL be the companion that transforms you from a curious onlooker to a devoted aficionado of this dynamic sport. Adopt a new legacy, and join the legion of Rugby League enthusiasts today!

**The Rugby League World Cup** Andrews Malcolm,League Publications,2008-12 Details the history of the Rugby League World Cup, from its first tournament in 1954 to each round of the 2008 tournament, featuring statistics, key players, and important matches.

From the Sheds Matthew Johns,2011-01-01 'I didn't know Matthew could read or write' - Matt's dad From the Sheds is Matthew Johns' fascinating, frequently hilarious look behind the scenes of Rugby League. the creator of the self-confessed Aussie legend Reg Reagan - as well as a tough competitor who notched up almost 200 first grade NRL games and eight matches for the Kangaroos, winning a premiership with Newcastle Knights along the way - who better than Matthew to give an insider's view of the superstars, larrikins and entertainers who make Rugby League the compelling, colourful and occasionally comical sport that it is? In his latest book, the Footy Show star reveals countless tales displaying the lighter side of League. Matthew tells why David Waite unwittingly vandalised a stranger's Holden Camira, how a nine-year-old Brett Finch proved to be the world's most irritating sand boy, and how Paul Harragon's pre-wedding celebrations erupted into an all-in brawl - and Matty's role in all of the above. From the Sheds is a rare insight into the spirit of Rugby League, written by someone who embodies the humour and the grit of the toughest game of all. 'Geez ... I just got over the other son's book'- Matt's dad 'I didn't know Matthew could read or write'- Matt's dad

**Hardmen** Malcolm Andrews,2012-08-01 When the going gets tough, the tough get tougher. The ranks of rugby league around the world have been liberally peppered with hardmen. With violence that would never be tolerated off the footy field, the game has always been rough, tough and dangerous. Stiff-arm tackles, headbutts, spear tackles - all aimed at maiming the opposition players - were once just part of the game. But while the thuggery of old

has been cleaned up, the modern game of huge hits at breakneck speed is definitely no place for the faint-hearted. Fans in pubs and clubs have always talked about the courage of their favourite sons - men who never took a backward step, like legendary South Sydney captain John Sattler, who played through the 1970 Premiership grand final with his jaw broken in three places, and 'Bumper' Farrell, who was accused of biting off the ear of an opponent as he simultaneously gouged his eyes. In more recent times Andrew Johns orchestrated Newcastle's 1997 grand final success with a punctured lung and three broken ribs, and pint-sized Gold Coast star Preston Campbell picked up a broken jaw early in the game but hid it from team-mates until the final whistle. But Hardmen is much more than a collection of bone-crunching collisions and wild confrontations. As Malcolm Andrews' vivid profiles of the most courageous and colourful dramatically unfold - from those who played on with broken legs in early times to the fast and furious high impact of today - we see both the fascinating evolution of the game and the fiercely resolute qualities that have steadfastly remained at its heart. Simply put, Hardmen captures the unique spirit of rugby league with the greatest collection of ripping yarns ever published in a single volume. I always enjoyed the game more when there was a body or two lying about. It made my job a bit more interesting. - Vince Karalius It was a real bloodbath. John O'Neill got 16 stitches in one of his shins. It was huge gaping wound with blood everywhere. But he still couldn't keep the grin off his face. Father John Cootes

**The Rugby Quiz Book** Adam Pearson,2011-07-15 All you have ever wanted to know about Rugby League and Rugby Union but have never dared to ask until now (as the answers are in the back of the book!) Will you get stung by a Wasp or charge through the 1,200 questions and mow down the opposition like a Rhino? You will have to cast your minds back over the last two centuries to recall facts about the game's origins, great players, cup competitions, clubs, stadiums, kit colours, nicknames, nationalities, field positions and much more if you want to be promoted to the Super League rather than face relegation. This is as much a treasure trove of rugby facts and figures as it is a quiz book and is guaranteed to get aficionados and families alike in a competitive scrum.

Rugby League World Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rugby League World free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rugby League World free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a

specific topic. While downloading Rugby League World free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rugby League World. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rugby League World any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rugby League World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
