**25 Incredible Years of the NRL** Tony Adams,William Evans,2022-11 Overview of the past 25 years of the Telstra National Rugby League Competition. All the highlights, images, excitement, tragedy and telling issues relating to the Greatest Game of All from a quarter of a century of competition. Forewords by Peter V'landys and Andrew Abdo.

The Last Balmain Tigers Nicholas R W Henning,2021-01-30 In 1999 the Super League war was supposedly over, yet the peace treaty and unification of rugby league was far from complete, as the seventeen-club National Rugby League (NRL) competition still had to be reduced to fourteen clubs by the year 2000. The 1908 foundation club Balmain Tigers had been potent over many decades, yet the 1990s was perhaps one of their most challenging periods. Some might have seen them as easy prey to be culled to make way for the fourteen-club competition, but Balmain was a proud club, and while they were not the most winning of teams, they were still one of the most determined. Balmain would decide its own future in 1999, and the direction they chose was different from the past. The players that took the field for them in 1999 would be the last to do so at the NRL level. They were a unique group of characters with varying experience, and it was they who took the last steps as NRL Balmain Tigers. Their story comprises the final year of Balmain's ninety-two seasons. With exclusive insights from the coach, players, and the club's chief executive officer, Balmain's last season is explored with details from those who were there, and author Nicholas Henning assesses and pays tribute to the final season of one of rugby league's most admired clubs.

*The Commission We Had to Have* David Trodden,2019-07-23 Rugby league fans love their game, their heroes and their teams.

Many know that the NRL is now managed by an independent 'Australian Rugby League Commission'. But while they regularly disagree with the commission's decisions, they have little idea how it operates and even why it was established. This book sets those contradictions straight. NSW Rugby League CEO David Trodden is uniquely placed to describe the process that led to the game's new governance structure and to analyse its progress. Once predominantly working-class, rugby league has become a sporting powerhouse, a producer of heroes from Dally Messenger to Johnathan Thurston, and survivor of courtroom battles, endless controversies and the Super League War. In charting this evolution, Trodden confronts a question now facing those in charge of all major professional sports: is our game a sport or a business, or something in between? The answer has huge implications, not just at the elite level but also for the 'grassroots'.

*The Immortals of Rugby League* Liam Hauser, 2019-08 The Immortals concept has become an established part of the Australian rugby league scene. It honours a very select group of former players regarded as the game's elite. Since 1981, when four former Australian Test captains were inducted as rugby league's first Immortals, a further nine identities have been added to the prestigious group. These players weren't just high achievers and standout performers, but also influential identities who set a new benchmark and changed the way rugby league is played. The Immortals of Rugby League delves into the illustrious careers of the 13 individuals who have attained Immortal status. The book describes their attributes and characteristics, in addition to their achievements and accomplishments at club, state and international level. The glory, triumphs and heroics, mixed with setbacks, controversies and disappointments, reflect their unique standing in rugby league. With career statistics, personal details and a range of photographs included, readers can enjoy an array of information about rugby league's Immortals.

**Warriors** William John Evans, 2019-12-03 In 1995, the Warriors invaded the Australian Rugby League premiership – the first overseas club to be admitted – in a blaze of publicity and hype the likes of which New Zealand sport had never seen. The Warriors have taken their fans on a wild rollercoaster ride ever since, from the brink of collapse to within touching distance of ultimate glory and everywhere in between. They have played to the beat of their own drum for 25 seasons. The NRL trophy has remained agonisingly elusive, but the club has won a minor premiership, reached two grand finals, produced some of the modern era's finest players and countless memories. Few New Zealand teams in any code generate more passion, debate, exasperation and excitement than the Warriors. Warriors 25 covers the triumphs, heartbreaks, controversies and revivals that have kept supporters coming back for more for a quarter of a century. Sportswriter Will Evans tells the story of all 25 seasons – featuring interviews with some of the Warriors' most prominent players, coaches and administrators – in this exhaustively researched and officially club-endorsed book. Through the exhilarating highs and gut-wrenching lows of the past 25 years, this book covers the on- and off-field events of every season, the club's memorable matches and important figures, a wealth of trivia, including comprehensive records and stats for every game and player. Featuring full-colour photography throughout and a Warriors 25-year Team voted on by a panel of experts, this is a must-have tome for every rugby league fan!

**National Rugby League 2002** David Middleton, 2002

**Broncos**, 2007

**The Encyclopedia of Rugby League Players** Alan Whiticker, 2005

*The Encyclopedia of Rugby League Players* Alan Whiticker, Glen Hudson, 2007-01-01 For any serious follower of the game, this fifth

edition is a must. Every premiership player since 1908 is listed, as well as the great players who have represented Australia.

**A Centenary of Rugby League 1908-2008** Ian Heads, David Middleton, 2008 A Centenary of Rugby League tells the complete, season-by-season story of rugby league's first 100 years in Australia. Rich in detail, anecdote, history, scandal and triumph, and illustrated by hundreds of extraordinary photographs, A Centenary of Rugby League is the one book every league fan should own. Never before has the game been covered in such comprehensive, year-by-year detail. The book includes not just the story of the first 100 years of the Sydney (now NRL) premiership, but also the many great competitions that have been staged across Australia. As well, the often controversial and always colourful history of matches between Queensland and New South Wales are featured, from the inaugural game in 1908 to the State of Origin battles of today. And Australia's pivotal place in international rugby league - most notably in epic Test matches against Great Britain, on Kangaroo tours of England and France, and in World Cup, World Series and Tri-Series tournaments - is celebrated in word and picture. Australian rugby league's 100 greatest players of all time - from Dally Messenger to Darren Lockyer, as chosen by the ARL especially for the centenary year - are revealed and profiled in the book. And special sections highlight all the famous matches, controversies and incidents that have made league's history so colourful over the last century.

**The Story of Australian Rugby League** Gary Lester, 1988

*Glory, Glory* John Sattler, Peter Badel, 2014-08-27 The story of a rugby league legend. A gentleman off the field and a brute on it, John Sattler was one of the most feared players of his era. He was equally renowned for his toughness and courage: famously, he played 77 minutes of the 1970 Grand Final with a shattered jaw, leading the Rabbitohs to victory over Manly. Here for the first time he tells his story in his own words and in his own style: honest, uncompromising and direct. It's the story of a boy from the bush who led the Pride of the League back to its rightful place at the top of the Sydney premiership. Along the way, Sattler toured with the Kangaroos, played in four winning Grand Finals and survived a near-fatal car crash. While he later built a new life for himself as a proud Queenslander, Sattler will always remain a South Sydney legend and an icon of the game. 'The story of one of the game's greatest heroes'—Russell Crowe 'If you say South Sydney, you automatically think of Johnny Sattler. He was the iconic, archetypal Rabbitoh warrior.'—Ray Martin

*Heartland* Joe Gorman, 2019-08-20 For more than 40 years, rugby league has embodied all the hopes and dreams, contradictions and tensions of life in the Sunshine State. The game speaks to Queenslanders' sense of being the underdog and the outsider &- a powerful undercurrent that sweeps through politics, business, the arts, and sport. The enduring appeal of State of Origin is that it allows Queensland to balance the scales, at least for 80 minutes. In *Heartland*, journalist Joe Gorman chronicles a tale of loss and rebirth &- from the decline of the Brisbane Rugby League competition and North Queensland's Foley Shield to the extraordinary rise of the Broncos and the Cowboys in the NRL. Weaving together stories of diehard supporters and game-changing players, from Arthur Beetson to Johnathan Thurston, this is a revealing account of Queensland's coming of age, both on and off the field.

**Andrew Johns** Andrew Johns, Neil Cadigan, 2010-03-01 The No. 1 non-fiction bestseller; the most honest sports biography of the year 'One of the most searingly candid sporting autobiographies yet published in this country' - HERALD SUN Hailed as the greatest Rugby League player in the history of the game, Andrew Johns is one of the most compelling personalities in Australian sport. A three-time winner of the Dally M Medal for the best and fairest in the NRL and a driving force behind two premierships for the Newcastle

Knights, the bare statistics only hint at the massive impact 'Joey' has had on Rugby League. However, his achievements on the field have masked the overwhelming challenges he has faced off the park. From his early teenage years, Andrew suffered from mood swings and depression that, in 2000, were finally diagnosed as a bipolar disorder. For more than a decade Andrew also struggled with alcohol problems and recreational drug use, which sensationally came to public attention in August 2007. From the emotionally vulnerable kid from Cessnock battling to cope with fame and the effects of his medical condition, to the barnstorming, all-conquering footballer, the two of Me is Andrew Johns' candid account of his remarkable life. (Fully revised and updated)

**Billy Slater: Try Time** Patrick Loughlin, 2014 Josh can play footy. He's fast and fleet-footed and a blur down the sideline. But every time he steps onto the field, a stampede of elephant-sized butterflies invade his stomach and he fumbles the ball. Having his footy-mad grandad screaming from the sidelines doesn't help. To top it off, he blows an easy try and loses his team the opening game of the season. Josh starts thinking about giving up football forever. That is, until NRL legend and Josh's hero, Billy Slater, turns up at training one day. Can Billy help Josh overcome his nerves and hang onto the ball long enough to score?--Back cover.

**Tries, Lies and Meat Pies** Sam Thaiday, 2019-10-15 Sam Thaiday is one of rugby league's most highly regarded and respected players. Often seen as one of the last true larrikins of the game, Sam has entertained Brisbane Broncos, Queensland State of Origin and Australian fans over his fifteen-year career. But behind that playful facade and infectious grin is a deeply caring and thoughtful individual, a family man who is passionate about working for better outcomes for Australian Indigenous communities. Sam's book reveals his family connections to the Torres Strait, how it was his mum who taught him how to pass, tackle and how to throw a punch (just in case it ever came up), how he married his high-school sweetheart, and his wishes for his daughters' futures. He will also tell how this Townsville boy and die-hard Cowboys fan ended up a Broncos star. A one-club player, a rarity in the game today, he relives the high points of his career, including his 2008 Dally M Award and the 2006 premiership, his many representative caps, lining up for the National Rugby League Indigenous All Stars team and being one of only three current players to be named in the Indigenous Australian rugby league team of the century. He tells some of the wild stories from behind the scenes of the club and representative training camps, with a cast of characters all NRL fans will recognise. This is Sam's unique story, told with his trademark humour, humility and honesty.
