When Kate receives a desperate call from her son, Carter, she and Frederico flee their hometown and set out to help him. The only problem? Carter attends college over two hundred miles away and the freeways-clogged with car wrecks, zombies, and government blockades-are impassable. Running back roads and railroad tracks becomes their only means of travel, but neither of them has ever run so far before. As pain, injuries, hunger, and fatigue plague them, getting to Carter and staying alive seem impossible. It's either outrun the undead or become one of them, and for Kate, death is not an option.
