The Making of Santa Claus Is Comin' to Town and the Daydreamer Rick Goldschmidt,2018-11-22 One of the crown jewels in the Rankin/Bass Special Holiday Television library is Santa Claus Is Comin' To Town, which still airs on network television to this day. Why has it lasted for half a century? Take a look inside this book to learn about the special people assembled by Arthur Rankin, Jr. and Jules Bass to make this magical Animagic television special.Hollywood stars, Fred Astaire, Mickey Rooney and Keenan Wynn, along with Robie Lester as Jessica and Paul Frees as Burgermeister Meisterburger and Grinzley, lead a mostmemorable Holiday cast. One that would not be forgotten for many years to come.Also included is a look at one of

**Good Economics for Hard Times** Abhijit V. Banerjee, Esther Duflo, 2019-11-12  
The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, *Good Economics for Hard Times* makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

*An Anthropologist on Mars* Oliver Sacks, 2012-11-14 To these seven narratives of neurological disorder Dr. Sacks brings the same humanity, poetic observation, and infectious sense of wonder that are apparent in his bestsellers *Awakenings* and *The Man Who Mistook His Wife for a Hat*. These men, women, and one extraordinary child emerge as brilliantly adaptive personalities, whose conditions have not so much debilitated them as ushered them into another reality.

**Corporate Diplomacy** Ulrich Steger, 2003-08-01 Based on a wealth of empirical studies and case studies, this book explains the strategic choices companies have to make in order to remain consistent. In each chapter, real-life examples illuminate the key message managers should take away from the book. It offers a purely managerial viewpoint focused on what managers can do to manage the business environment in any situation.

Modernizing Composition Garrett Field, 2017-03-22 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. The study of South Asian music falls under the purview of ethnomusicology, whereas that of South Asian literature falls under South Asian studies. As a consequence of this academic separation, scholars rarely take notice of connections between South Asian song and poetry. *Modernizing Composition* overcomes this disciplinary fragmentation by examining the history of Sinhala-language song and poetry in twentieth-century Sri Lanka. Garrett Field describes how songwriters and poets modernized song and poetry in response to colonial and postcolonial formations. The story of this modernization is significant in that it shifts focus from India's relationship to the West to little-studied connections between Sri Lanka and

North India.

**Dialect, Culture, and Society in Eastern Arabia, Volume 2 Ethnographic Texts** Clive Holes, 2021-06-09 The second volume of this three-volume series provides a fascinating insight into the life, culture and society, in their own words, of Gulf Arabs of the pre-oil generation, covering such subjects as pearl-diving, agriculture, marriage, communal relations, domestic life, and childhood.

**A Fine Balance** Rohinton Mistry, 2010-10-29 A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

*Mistress Anita Nair*, 2006-08-08 When travel writer Christopher Stewart arrives at a riverside resort in Kerala, India to meet Koman, Radha's uncle and a famous dancer, he enters a world of masks and repressed emotions. From their first meeting, both Radha and her uncle are drawn to the enigmatic

young man with his cello and his incessant questions about the past. The triangle quickly excludes Shyam, Radha's husband, who can only watch helplessly as she embraces Chris with a passion that he has never been able to draw from her. Also playing the role of observer-participant is Koman; his life story, as it unfolds, captures all the nuances and contradictions of the relationships being made—and unmade—in front of his eyes. Booklist calls *Mistress* Tempestuously exotic, Nair's intricately woven multicultural and multigenerational saga pulsates with passion and desire.

**Global Nomads** Anthony D'Andrea, 2007-01-24 *Global Nomads* provides a unique introduction to the globalization of countercultures, a topic largely unknown in and outside academia. Anthony D'Andrea examines the social life of mobile expatriates who live within a global circuit of countercultural practice in paradoxical paradises. Based on nomadic fieldwork across Spain and India, the study analyzes how and why these post-metropolitan subjects reject the homeland in order to shape an alternative lifestyle. They become artists, therapists, exotic traders and bohemian workers seeking to integrate labor, mobility and spirituality within a cosmopolitan culture of expressive individualism. These countercultural formations, however, unfold under neo-liberal regimes that appropriate utopian spaces, practices and imaginaries as commodities for tourism, entertainment and media consumption. In order to understand the paradoxical globalization of countercultures, *Global Nomads* develops a dialogue between global and critical studies by introducing the concept of 'neo-nomadism' which seeks to overcome some of the shortcomings in studies of globalization. This book is an essential aide for undergraduate, postgraduate and research students of Sociology, Anthropology of Globalization, Cultural Studies and Tourism Studies.
