

Russian Explanatory Dictionary

T. F. Efremova

Explanatory Dictionary of Word Structure in the Russian Language T. F. Efremova, 1996-04-01

A Russian-English Comparative Explanatory Dictionary of Basic Terms and Notions on Russian Land Relations, Land Ownership, and Land Tenure

Vladimir Ruvimovich Belen'kiĭ, 2003 This is the first book of a two-volume dictionary containing 1800 terms on land tenure and land relations, describing and analyzing the different experiences and approaches to the regulation and use of land. The encyclopaedia is presented in both Russian and English, with facing-page translation.

Dictionary of the Russian Language S. I. Ozhegov, 1989-02-01

Language of Multilateral Diplomacy / ????

???????????????? ???? Youri Toropin, 2012-05-25
United Nations Secretary-General Boutros Boutros-Ghali once confessed: "I have been performing the functions of the Secretary-General of this Organization for two years, and I still do not understand how it works". This is not surprising. International organizations form a unique world of multilateral diplomacy, the complexity of which caused the downfall of so many professional diplomats who had been considered very successful in their national diplomatic service. This book – characterized as political lexicography – attempts to throw light on the peculiar language of international organizations. In this language, very many words look deceptively familiar but have a different meaning, often not registered in any existing dictionary. This book covers this gap for diplomats, translators, journalists and other people who use English and Russian and want to understand the complex world of multilateral diplomacy.

Финансовые рынки Т. Е. Апанасенко, Максим

Анато́льевич Сто́рчевой, 2004 The English-Russian explanatory dictionary includes about 11 000 terms and expressions used in British and American financial language. Each entry includes an exact translation, a simple definition and comments, examples of words used in context and useful links to other entries. An indispensable reference work for beginners and professionals. A joint project with ABBYY Software House.

English-Russian/Russian-English Dictionary of Idioms

Brian Windley, 2019-02-27 An idiom is a group of words the actual meaning of which cannot easily be predicted from the specific meanings of the component words. Both the English and Russian languages are highly idiomatic. The use of idioms is natural to the speakers of a particular language, but has less or even no meaning to the speakers of another language. However, in any colloquial language there are also a host of overlapping idiomatic expressions, proverbs, phrases, and sayings which stretch the idiom definition. Moreover, there are often alternative words for certain words in an idiom, some idioms have more than one meaning, and extensive groupings have been made under certain major verbs and nouns. All these variations are given in this dictionary. This volume contains the most comprehensive dictionary of English to Russian and equivalent Russian to English idioms available worldwide today. There are in total about 10,000 entries of different idioms, but many have several alternatives in their groupings, which makes the overall total several times that number.

Dictionary of Physics Виталий Исаакович

Ры́дник, Эдуа́рд Алексе́евич Свири́денков, Н. Д
Воропаев, 1989 Hardbound. This dictionary is one of a series of dictionaries brought out by Russky Yazyk Publishers which deals with the main branches of science

and technology, giving the main terms pertaining to the branch concerned. The Russian vocabulary contained in this dictionary is based on the Explanatory Dictionary of Physics: The Main Terms brought out by Russky Yazyk Publishers in 1987, and enlarged by the addition of a number of widely used Russian terms and terminological phrases which prove rather difficult to translate. The dictionary is intended for a wide range of users - from engineers using physical methods of investigation in their work to students attending colleges and universities. It is also a useful tool for physicists and translators of literature on physics.

New Russian-English Dictionary M. A.

O'Brien, 2012-06-07 DIVHandiest Russian dictionary in print, with surprising amount of information, including accent changes in declension and conjugation, irregular forms, special treatment of perfectives, etc. Used in scores of colleges. Over 70,000 entries. /div

Langenscheidt's Pocket Russian Dictionary, 1996
Russian-English Dictionary of Scientific and Engineering Terms Greta Malyavskaya, Natalia

Shveyeva, 1999 A large number of English-Russian and Russian-English specialized dictionaries available to a translator usually contain only terms whose knowledge represents only a part, although essential, of what is necessary to know to translate a coherent text. In addition to the terms the translator must know with what words the term can be combined in a sentence, what prepositions are need to govern definite verbs, at what place the needed adverb more often stands in a sentence, where to put punctuation marks that the thought expressed by a complex sentence could be understood by the reader; i.e., everything that perhaps at some time in the past was learned from textbooks, but was then forgotten with the passage of time. This book will aid in recalling the forgotten

or learning the unknown. Nearly every term/word in this dictionary is accompanied by examples taken from the literature. Undoubtedly the expressions cited do not exhaust the possible versions of translation, but they may aid in expressing the thought in the English language more exactly and sometimes may even prompt a version of translation - the very context of examples can help the translator to select the variant needed. As the dictionary is intended for those who know the English language, explanatory marks are not used. The words and sentences are arranged so that the user could easily distinguish visually the word or word combination needed.

Russian-English, English-Russian Dictionary Ol'ga Sergeevna Akhmanova, 1960

Russian For All Occasions Shamil Khairov, John Dunn, 2019-06-26 *Russian For All Occasions: A Russian-English Dictionary of Collocations and Expressions* presents 10,000 formal and informal modern Russian expressions that users are likely to encounter either in speech or writing. The entries take the form of collocations, phrases or short sentences, and each entry is accompanied by a translation which provides the English communicative fragment corresponding most closely to the Russian original. Longer explanations are provided for phrases that learners might otherwise find difficult to interpret correctly. Entries are arranged thematically, with an alphabetical index of key Russian and English words to help users navigate the dictionary. *Russian For All Occasions* is a unique resource for intermediate to advanced students of Russian. The range of ready-made and contextualised expressions presented here will help learners improve their active command of Russian.

English-Russian, Russian-English Dictionary Kenneth Katzner, 1994-12-07 Based on American rather than British

English, this is among the first Russian dictionaries revised for the post-Soviet era. Includes new political terminology, new Russian institutions, new countries and republics and new city names. Contains 26,000 entries in the English-Russian section and 40,000 words in the Russian-English section. Irregularities in Russian declensions and conjugations appear at the beginning of each entry.

The Oxford Russian-English Dictionary Marcus Wheeler, Boris Ottokar Unbegaun, 1984 Essential for every Russian specialist and everyone interested in the Russian language.

The Oxford Starter Russian Dictionary Della F. Thompson, 1997 This revolutionary dictionary strips away the clutter, to provide absolute beginners with the information they need in a clear and quickly accessible way. two way: Russian-English/English-Russian essential vocabulary for beginnerseasily recognisable symbols are used to identify translations, important grammar points, colloquial words, and offensive wordsthematic boxes provide vocabulary relevant to everyday topics like names and forms of address, and talking about time12 page guide to grammar, spelling, declensions and conjugations, and the Russian alphabetcolour headwords.

a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Explanatory Dictionary PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly

experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant

advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a

few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning,

contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Explanatory Dictionary PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Explanatory Dictionary free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can

explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Explanatory

Dictionary Books

What is a Russian Explanatory Dictionary PDF?

A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Explanatory Dictionary PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF

creation tools.

Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Russian Explanatory Dictionary PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing

capabilities. **How do I convert a Russian Explanatory Dictionary PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Explanatory Dictionary PDF?** Most PDF editing software allows you to add

password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools

like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
