The Turnout Megan Abbott,2022-05-03 Best Book of the Year NPR • Wall Street Journal • Boston Globe • Library Journal • CrimeReads • LitReactor • Air Mail Longlisted for the Joyce Carol Oates Prize A TODAY Show #ReadWithJenna Book Club Pick An Instant New York Times Bestseller New York Times bestselling and award-winning author Megan Abbott's exquisite new novel, “dark and juicy and tinged with horror” (The New York Times Books Review), set against the hothouse of a family-run ballet studio. With their long necks, sheer tights, and taut buns, Dara and Marie Durant have only known the course of a well-bred dancer. Not much changes when their parents face death in a tragic accident. As Dara and Marie take over their mother's duty of running the Durant School of Dance, along with Charlie, Dara's husband and once their mother's prized student, the sisters perfect a fine dance, circling around one another, six days a week, keeping the studio thriving. But when another eerily suspicious accident occurs, just at the onset of the school's annual performance of *The Nutcracker*—a season of tense competition, provoked anxiety, and wild exhilaration—an interloper arrives and threatens the sisters' delicate balance. With its uncanny insight and writing that haunts, *The Turnout* is Megan Abbott at the height of her game—a sharp and strange dissection of family ties and sexuality, femininity, and power, and a sinister tale that is both alarming and irresistible.

Heart Thief Robin D. Owens,2003-06-03 “A wonderful, gripping mix of passion, exotic, futuristic settings, and edgy suspense.”—Jayne Castle In *HeartMate*, Robin D. Owens swept us away to the planet Celta, where psychic talents are the key to life—and love! Midwest Book Review predicted that “readers will want Ms. Owens to return to Celta for more tales.” And the prophesy has come true—with *Heart Thief*... Ruis Elder never asked for his unusual trait—the ability to neutralize others’ psychic talent. Because of it, he has always been hated in his own homeland, destined to roam the harsh planet alone. But trouble finds him in front of the ruling Council—and face-to-face with the most beautiful woman he has ever seen. There’s only one problem: Ailim is on the opposite side of the bench... Ailim has never before felt such passion coursing through her as she feels in Ruis’s presence. And she never thought she would—at least not with a man so far beneath her station, a man who does not even have psychic powers. But even on the planet Celta, love is blind to such details. Separately, Ailim and Ruis must forgo their old lives. But together, they can take on the world...

Wise Guy Guy Kawasaki,2019-02-26 Silicon Valley icon and bestselling author Guy Kawasaki shares the unlikely stories of his life and the lessons we can draw from them. Guy Kawasaki has been a fixture in the tech world since he was part of Apple's original Macintosh team in the 1980s. He's widely respected as a source of wisdom about entrepreneurship, venture capital, marketing, and business evangelism, which he's shared in bestselling books such as *The Art of the Start* and *Enchantment*. But before all that, he was just a middle-class kid in Hawaii, a grandson of Japanese immigrants, who loved football and got a C+ in 9th grade English. *Wise Guy*, his most personal book, is about his surprising journey. It's not a traditional memoir but a series of vignettes. He toyed with calling it *Miso Soup for the Soul*, because these stories (like those in the *Chicken Soup* series) reflect a wide range of experiences that have enlightened and inspired him. For instance, you'll follow Guy as he . . . • Gets his first real job in the jewelry business--which turned out to be surprisingly useful training for the tech world. • Disparages one of Apple's potential partners in front of that company's CEO, at the sneaky instigation of Steve Jobs. • Blows up his Apple career with a single sentence, after Jobs withholds a pre-release copy of the Think Different ad campaign: That's okay, Steve, I don't trust you either. • Reevaluates his self-importance after being mistaken for Jackie Chan by four young women. • Takes up surfing at age 62--which teaches him that you can discover a new passion at any age, but younger is easier! Guy covers everything from moral values to business skills to parenting. As he writes, I hope my stories help you live a more joyous, productive, and meaningful life. If *Wise Guy* succeeds at this, then that's the best story of all.

Our Black Year Maggie Anderson,2012-02-14 On January 1, 2009, Maggie and John Anderson, a successful African American couple raising two daughters in a Chicago suburb, engaged in a social experiment to reinvest in the black community and buy from only black-owned businesses for a year. Throughout that time the Andersons combed Chicago in search of a black-owned supermarket, dry cleaner, gas station, pharmacy, and clothing store. Our black year is the story of what they learned. Maggie examines the commercial exploitation of black neighborhoods through the lens of her year supporting black-owned businesses. She discovers that black businesses lag behind businesses of all other racial and ethnic groups in every measure of success, and argues that the social crises that disproportionately impact black people and underserved black neighborhoods could be countered through conscious consumerism--supporting businesses that empower struggling communities. At once a personal journey and an investigation into the causes of a persistent economic suffering, this is a hard-hitting call to action to close a gaping hole in the American economy--one purchase at a time--From publisher description.

Autobiography of Red Anne Carson,2013-03-05 The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, Autobiography of Red is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is.
