Fooling Houdini Alex Stone, 2012-06-19 An exploration of the world of magic that teaches the reader many tricks--including how better to understand the real world. Alex Stone--journalist and part-time conjurer--is here to amaze you. But first he had to amaze his fellow magicians. Fooling Houdini is his fascinating, revealing, and nailbiting account of his attempt to win the 23rd World Championships of Magic, the Magic Olympics, the largest and most prestigious competition of its kind. Alex Stone managed to qualify for entry and began preparing to astonish people who astonish others for a living. It didn't help his nerves that he was placed on the bill straight after Canadian magician Shawn Farquhar, winner of more magic competitions than anyone in history. Stone's preparations and participation provide his readers with in-depth exploration of the world of magic, and magic's meaning. He spills many professional secrets, arguing that what is important is to ask questions about what lies behind the tricks: how the mind perceives the world and parses everyday experience, about how the mind works--and why sometimes it doesn't, about why people need to believe. As we become more attuned to the limits of our own perception, we become better at distinguishing reality from illusion, at reading the angles and decoding the fine print, he says. We gain intuition and understanding into how people behave. We even learn ways to influence this behavior. This makes us less susceptible to all manner of deception. It is to gain and maintain this sixth sense that Alex Stone--a schoolboy prestidigitator--has continued performing magic well into adulthood. In Fooling Houdini he takes us into that other world, populated by truly astounding characters, and leaves us with a heightened sense of awareness about the supposedly real world.

Performing Mentalism for Young Minds Paul Romhany, 2011-11-18 Mentalism for Young Minds Vl. 1 By Paul Romhany 265 pages - 8.5 x 8.5 - Retail \$40.00 (no discount) Paul Romhany has produced the most comprehensive collection of material for performing mentalism for younger minds. Over 265 pages which include a collection of essays on how to perform mentalism for children, plus over forty effects from performers around the world including: Mark Strivings, David Kaye, Tim Mannix, Paul Romhany, Richard Webster, Andrew Gerard, Wayne Rogers, Tony Binarelli, Bev Bergeron, Him

Kleefeild, Keith Field, Danny Archer, Andrew Gerard, Jack Dean, Greg Arce, Anthony Lindan, E. Raymond Carlyle, Professor Spellbinder, Matthew Johnson, Tony Chris, Cris Johnson, Reg Blackwood, Ken Ring, ChristopherTaylor, Chrisotpher Berry, TC Tahoe, Ozzy D, Magical Michael, Magic George, Ken Dyne, Jasper Blakeley, Ray Roch. This book covers performing mentalism for ages five to fifteen, and is aimed at mentalists and magicians who perform for children and family audiences. The rest of this book is a treasure trove of fascinating mental effects that your young - and not so young - audiences will enjoy. These wonderful effects are so good that I'm tempted to dust off my old Riccardo outfit and start performing again. I know you'll enjoy this book, and will come back to it again and again in the future. If you have any doubts whatsoever about performing mentalism for children, try one or two of the effects in this book. I know you'll change your mind. Thank you, Paul, for compiling and publishing this valuable book. -Richard Webster As for kids mentalism. The funny thing is people think of kids three or four years old when you say kids. This is rarely the case, even for regular kids performers. People do not give kids enough credit for being smart. They get mentalism. They get mindreading even at the age of five and six. I do think it can be done and have done it. Now yes, the times I did it the kids were eleven, and up but they get it. They certainly understand when Harry Potter gets a psychic image. - Banachek Performing Mentalism for Children by David Kaye The Precognitive Phinger Puppet by Mark Strivings

Mental Mysteries Theodore Annemann,2011-03-08 Theodore Theo Annemann (stage name Ted Anneman) born Theodore John Squires (February 22, 1907 - January 12, 1942) was an American professional magician who specialized in the field of mentalism. Annemann is most famous for inventing and refining many of the standard mentalism routines that continue to be used by magicians today. Early in his life, Annemann began working as a railroad clerk and then got into showbusiness as a tenor singer and a magician's assistant. He eventually became interested in mentalism and used his invention and performance skills to become one of the most talented and respected magicians of the 1930s. Annemann perfected his own version of the famous bullet catch illusion, performing the effect outdoors. Accounts of his performance describe the feat as a dramatic effect wherein Annemann would collapse from the apparent force of the gun and then produce the bullet from his blood-drenched mouth. In 1934 he began publishing the famous magazine *The Jinx*, for magicians. The magazine was focused on mentalism, but also featured ground-breaking effects from other fields of magic. The publication of this magazine ceased after Annemann's death and copies of it have become collector's items. Effects from the magazine have been published in several books and manuscripts, among them Annemann's *Practical Mental Magic*. This book is considered a classic in the field of mentalism. Annemann was married twice and had a daughter by his first wife. His personality is the subject of much speculation. On the night of January 12, 1942, Annemann was scheduled to perform his bullet catch indoors for the first time. Before the performance, he committed suicide. Since the subject of suicide is complicated, we may never know exactly why Theo decided to end his own life.

Telepathic Cards Scott Hughey, 2019-10-31 Wow People By Reading Five Minds At Once You can

learn this self-working card trick in minutes. This spectacular mind magic will wow your audience as you tell five different people the card they've chosen. You don't need a trick deck, sleight of hand, or abnormal dexterity. Good for amateur and professional magicians, you'll appear to be a true mentalist. In these pages, you'll see two variations of the card trick.: In the first version, you'll use a prepared deck to stun people by mystically knowing the cards everyone has chosen. It's so easy you'll be able to perform the trick within just a few minutes. You'll learn how to banter vary your delivery for the maximum impact. In the enhanced version, you'll use a simple visualization technique to pull off the same mentalism, even with a truly random deck. Let your audience shuffle the cards and still pull off the trick. The memorization only requires remembering five cards. This book teaches a technique to do that in a flash. This last book in the Mind Magic Trick series gives you skills that will amaze people for years to come. Look inside or better yet, buy your copy now. Then get ready to wow your friends, family, and yourself with your new Memory Magic.

Illusionism J. C. Sum, 2012-03-15 Eight Theatrical Stage Effects, Illusions & Presentations for Mentalists J C Sum details eight original illusions and stage routines for mentalism shows, complete with full presentations, full-colour illustrations and building plans. The routines offer an alternative fresh perspective of presenting mentalism. The mentalism effects also demonstrate how illusion methods and principles can be combined with mentalism methods to create unique stage routines. The book also explores how visual production value and scale can be a valuable addition to a traditional minimalist mentalism show. The routines were designed specifically for: Corporate & Special Events Cruises Theatre Showrooms Clubs Television Fashion Shows Who will benefit from this work? Mentalists looking to add scale and large-scale effects to their show Magicians interested in an alternative perspective & approach to presenting mental magic Illusionists looking to add variety and unique illusion presentations to their show Magicians new to both mentalism and illusions and are looking for interesting plots in magic Illusions and routines detailed in the book include: First impressions A large-scale visual opening prediction revelation that opens a show with a bang and establishes the nature of a mentalism show. Unseen Forces A three-phase telekinesis routine with a spoon, block of wood and wineglass. Shatter A secretly chosen wineglass from a number of glasses shatters upon concentration. Paycheck A stage routine that involves giving spectators a chance to win your paycheck for the show. As a kicker finale, the paycheck transforms into a large box full of money! Wedlock A light-hearted comedy mentalism routine that involves a spectator being shackled to you! Psychometric Touch A powerful climax for Fogel's signature routine. Jumbo Visible Deck Adding a Visual Element to the Invisible Deck Routine Fashion Statement A prediction routine involving a choice of the latest fashion apparels with a sealed prediction in a large isolated glass box that ends with a logical illusion kicker! Things to know: All the routines, except for Fashion Statement, can be performed by the solo performer. Basic illusion knowledge is not necessary to understand the illusions in this book. However, illusion and illusion building knowledge is required if you intend to build some of the illusions yourself. If not, any illusion builder or stage prop maker will be able to build the illusions for you. Also included is the explanation to J C's Developmental Force that is a devious enhancement to the Magician's Force with playing cards or envelopes.
