The Sales Leader's Problem Solver Suzanne Paling,2016-11-21 This is the book every sales manager wishes they had—before they accepted the job. The advice within acts as a 24/7 coach for beleaguered sales leaders dealing with perplexing dilemmas. Sales leaders (managers, directors, and vice presidents) advocate for and often succeed in getting sales training for their reps, but when they request sales management training for themselves, the answer is often no. This lack of formal instruction lowers their chances of success. Drawn from the author's experiences as a sales manager, sales management consultant, and coach, *The Sales Leader's Problem Solver* offers guidance on solving common but difficult issues with the salesperson who: Sells inconsistently. Cheats on sales contests. Doesn't enter data in the CRM. Calls only on the largest or easiest clients. Won't prospect for new business. By providing a consistent format to follow, Suzanne Paling will help any sales leader level-headedly deal with any challenge by: Clarifying the issue. Creating a plan. Presenting a solution to executives. Discussing the issue with the rep(s) in question. *The Sales Leader's Problem Solver* is a powerful tool that will help new and experienced sales managers lead their teams and develop their reputations as fair, effective, no-nonsense problem solvers.

Sales Management Success Warren Kurzrock,2019-10-22 The most up-to-date and proven strategies from the CEO of Porter Henry & Co., written exclusively for sales managers Sales Management Success: Optimizing Performance to Build a Powerful Sales Team contains a leading-edge training program that is filled with state-of-the-art approaches specifically designed for sales managers. Drawing on the author's experience as the CEO of Porter Henry & Co. (the oldest sales-force training company in the world), Warren Kurzrock details the 8 most critical abilities and strategies in the sales manager's job. The Porter Henry process has proven to routinely help teams and individuals multiply their bottom-line results. While all major companies provide basic orientations for new sales managers, these sessions are usually focused on policy, procedure, product, and marketing information. Most companies spend huge amounts of money on sales training new employees but do little for sales manager development. Written for sales executives in an appealing, upbeat tone, the book is well-grounded in research and real-world experience, as well as proven ideas and tools. The 8 strategies are supported with illustrative examples and quotes from successful sales executives. This must-have book: Contains the most up-to-date strategies for sales executives Offers compelling real-world examples Includes the ideas and tools that can be put into action immediately Draws on the experience of the CEO of Porter Henry & Co. Reinforces the immediate application and learning with assessments, exercises, professional toolbox Sales Management Success: Optimizing Performance to Build a Powerful Sales Team offers a well-organized, real-world process for today's sales leader to meet the challenge of a most challenging, chaotic job.

The High-Impact Sales Manager Norman Behar,David Jacoby,Ray Makela,2016-05-16 Managing a sales team is one of the most important and challenging positions in a company, and it requires a unique set of skills. Unfortunately, many sales managers spend much of their day putting out fires, and moving from problem to problem. Their days consist of an overwhelming number of activities including respond to urgent request from their bosses, resolving customer issues and complaints, and dealing with disgruntled employees. In addition, they find themselves sitting in meetings that run way too long, and submitting countless sales forecasts to satisfy upper management. As a result, sales managers get caught up in a daily grind and end their work week exhausted and feeling like they have little control over their destiny. In The High-Impact Sales Manager, you'll learn how to transcend the daily grind and unlock the full potential of your sales team. This includes learning to: Hire the best people and hold them accountable Manage sales performance by focusing on the underlying behaviors that drive performance Consistently produce accurate sales forecasts Provide personalized sales coaching that results in better skills and higher win rates Motivate and inspire your team to greatness Most importantly, The High-Impact Sales Manager will leave you feeling confident and enthusiastic in your ability to lead and empower your team to achieve unparalleled success. The Sales Boss Jonathan Whistman,2016-07-18 The step-by-step guide to a winning sales team The Sales Boss reveals the secrets to great sales management, and provides direct examples of how you can start being that manager today. The not-so-secret secret is that a winning sales team is made up of high performers—but many fail to realize that high performance must be collective. A single star cannot carry the entire team, and it's the sales manager's responsibility to build a team with the right balance of skills, strengths, and weaknesses. This book shows you how to find the exact people you need, bring them together, and empower them to achieve more than they ever thought possible. You'll learn what drives high performance, and how to avoid the things that disrupt it. You'll discover the missing pieces in your existing training, and learn how to invest in your team to win. You'll come away with more than a better understanding of great sales management—you'll have a concrete plan and an actionable list of steps to take starting right now. Your people are the drivers, but you're the operator. As a sales manager, it's up to you to give your team the skills and tools they need to achieve their potential and beyond. This book shows you how, and provides expert guidance for making it happen. Delve into the psychology behind peak performance Hire the right people at the right time for the right role Train your team to consistently outperform competitors Build and maintain the momentum of success to reach even higher Without sales, business doesn't happen. No mortgages paid, no college funds built, no retirement saved for, until the sales team brings in the revenue. If the sales team wins, the organization wins. Build your winning team with The Sales Boss, the real-world guide to great sales management.

Using Technology to Sell Jonathan London,Martin Lucas,2013-03-15 Using Technology to Sell is filled with practical, effective techniques to sell more by leveraging the plethora of tools and information in today's world. By applying these principles, you'll open more doors, increase your productivity, speed up decisions, and close more deals. --Jill Konrath, author of SNAP Selling and Selling to Big Companies Using Technology to Sell: Tactics to Ratchet Up Results shows salespeople and sales managers the most effective ways to leverage a variety of technologies to increase sales and gain more customers. Topics include making the most of cloud-based customer relationship management software, putting social media to the best use, presenting on three continents simultaneously through advanced video conferencing, using advanced techniques to gain an information edge over competitors, and much more. As this book shows, while the sales process will remain pretty much the same from now until the end of time, technology used properly can increase sales power at every step of the cycle. Technology, in the right hands, is a strategic weapon and a competitive differentiation tool that can dramatically improve close rates, deal size, efficiency, total sales, and much more. Using Technology to Sell will show you how to: Expand your market through the use of technology. Employ software-as-a-service (SaaS) applications to keep track of customers, stay organized, present, and sell more systematically. Use social media to increase sales. Maintain the personal element in a world wired with technology. Use the best sales methodology and integrate each step with technology. Overcome any aversion to using technology to sell. Avoid the trap of overuse or dependency on technology.
