Every Day a Miracle Matthew Stephen Brown,2024-03-05 We may know Jesus as Lord and Savior, but do we know him as Healer? This book is for anyone asking for a miracle—whether physical, mental, relational, or spiritual—and how to worship the Great Healer no matter if His answer is yes, no, or wait. If we understand anything about our culture, it's that we desperately need healing. Many people are quick to believe in an outrageous conspiracy before they will believe in Jesus and the miracle worker He is. Throughout Scripture, we see that He makes the blind see, opens deaf ears, restores life from death, and so much more . . . but what about you? Do you believe that Jesus has the power to restore you to health and heal your wounds? Throughout this book, Matthew Stephen Brown leads readers on a spiritual journey designed to discover who Jesus is as Healer and explore many questions including: Why do we believe in Jesus as Lord and Savior but not as Healer? Why would a good God allow us to experience pain in the first place, and maybe many times? When we don't experience healing, does that mean Jesus has failed or let us down? Jesus cares about our physical needs, but what healing in our lives is He most concerned about? Combining personal stories, biblical truth and wisdom, and humor that puts people at ease and draws them in, Pastor Matt Brown leads readers to worship a God who is not random, not careless, and who is never without cause, especially when it comes to performing miracles. Everyone can get behind a God who says yes. But what about when God says no? Or wait? No matter what God's plan is for your life, we can learn to trust and worship the Great Healer.

A Book Called YOU Matthew Stephen Brown,2021-10-05 Consider the possible Enneagram types of well-known figures in the Bible to discover more about yourself and gain specific wisdom about how and why you are uniquely made. Who am I? Everyone asks that question, no matter their age or status in life. If we're truly supposed to be real with others, shouldn't that start by learning how to be real with ourselves? The Enneagram describes nine basic personality styles which can help us better understand who we are and what drives us. When God designed you, He did not create you as a number but as a uniquely created individual. Your Enneagram type can give you great insight into the complexities of yourself and others. A Book Called YOU will show you how a biblical view of self-discovery can improve every part of your life, and includes: The potential Enneagram type of well-known biblical figures like Peter, David, Abraham, King Saul, and more The character, core motivation, and core weaknesses of each Enneagram type Advice on how to best love each personality type How to pray specifically for each Enneagram type Based on his widely successful teaching series A Series Called You, pastor Matt Brown offers a groundbreaking, entertaining, and heartfelt guide that highlights biblical truths alongside the Enneagram to help us fully embrace who we are and help us love and relate to the people around us.

The Divine Mentor Wayne Cordeiro,2008-10-01 Many believers settle for a spiritual routine that lacks God's presence. But what they truly want, and truly need, is a dynamic, vital, and intimate relationship with God. Here Wayne Cordeiro gently but directly shows readers how to move from routine to relationship--from mundane actions to fresh encounters--by learning to hear Him speak to them through the Bible. Through stories, lessons, and anecdotes, Cordeiro equips readers to listen to the promptings of the Holy Spirit as they read God's Word, enabling them to transform their daily quiet time with the Lord.

First Steps Discipleship Training Gary Comer,2014-01-21 When It Comes to Disciple Making . . . You Get What You Aim For! Because the church grows at the edges, discipling new believers may be one of the most important things you do! Jesus knew this. At the pivotal post-resurrection point, he took the newer-in-faith and synergized a movement. Yet the biblical example and current trends do not match--churches lack consistently in four areas: Aim: They fail to shoot for the new believer's evangelistic influence. Approach: They teach, but do not instill practices. Angle: Non-relational follow-up leads to disconnected disciples. Anticipation: Limited time did not produce lasting impact. Re-visioning, First Steps offers a fourfold course correction. Set your sights on the superior targets--and exciting results await! This guide will prepare you for the biggest assignment

ever given: turn simple followers into strategic players.

ReMission Gary Comer, 2018-01-09 A systemic disease is lurking inside the church that is derailing it from what God intended it to be, to know, and to do. That disease manifests in practical ignorance and isolation. If the church is to be healthy and thriving, its members must gain the needed know-how and skill sets to meaningfully engage with their increasingly difficult-to-reach unsaved neighbors, communities, and cultures in productive conversations about the good news of Jesus Christ. In other words, there must be a re-missioning of the body of Christ. ReMission practically equips leaders with tried-and-tested solutions that can outwardly mobilize a congregation, small group, or nonprofit ministry, and substantially increase the spiritual vitality of the body of Christ, both locally and globally. .

Bible Studies for Life: Identity - Bible Study Book Matt Brown, 2016-12 Learn that how you serve your family, carry out your work, and live out your faith is a strong, consistent witness of your relationship to Jesus Christ.

Soul Whisperer Gary Comer, 2013-02-19 What if we changed the face of evangelism? In a time when so many have a negative perception of evangelism, what if a new model was entirely biblical, loaded with skills, and more effective? Soul Whisperer shifts the emphasis from telling to a drawing paradigm. It develops biblically the pattern of Jesus, who did not give static presentations but rather customized his words to each hearer. By learning his ways, our words, too, can have pinpointed impact! Christians will discover how to draw out first, in order to read their friends and discern the relevant appeal of the gospel. In this way, the style is far more dynamic. It adapts! Understanding the non-believer's unique starting point will determine a distinct path. By creating a conversation about spiritual influence and what is involved in faith formation, this book charts ways for Christians to go deeper in evangelistic relationships. Most importantly, Soul Whisperer infuses skills that will shape a more Christ-likened missional disciple.

Clearing the Path Nathan Westwick, 2023-08-10 Do you ever find yourself feeling like God is distant? Maybe you're doing all the right things but still feel like something is missing—that there must be more to the Christian life than what you're experiencing. After all, a name for Jesus is Emmanuel—God with us—yet we may still feel like He is far away, perhaps taking a detached view of our lives rather than one of closeness and intimacy. What if that could change? What if being known, loved, and seen by God on a deep, personal level could transform our relationships, help us navigate setbacks differently, and revitalize our communities? If you are looking for a life that stands out as different from the world around you, if you are looking for peace deep inside, if you could use a little dose of significance, or are desperately seeking belonging, then this book is for you. The secret to experiencing these things is actually much closer than we might think. The secret is right here, with us, right now and all the time. The secret is learning how to walk with Emmanuel. Read on for a roadmap of how this can happen...

Killing Kryptonite John Bevere, 2017-10-17 You Can Destroy What Steals Your Strength Just like Superman, who can leap over any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a kryptonite that steals our strength. Of course, both Superman and kryptonite are fictional. But spiritual kryptonite is not. This book offers

answers to why so many of us are unable to experience the divine strength that was evident among first-century Christians. In *Killing Kryptonite*, John Bevere reveals what this kryptonite is, why it's compromising our communities, and how to break free from its bondage. Not for the faint of heart, *Killing Kryptonite* is anything but a spiritual sugar high. This is serious truth for any Christ-follower who longs to embrace the challenging but rewarding path of transformation. Includes discussion questions for group study

Remission Gary S. Comer, 2018 If the church is to be healthy and thriving, members must gain the needed knowledge and skill sets to meaningfully engage with their difficult-to-reach unsaved neighbors, communities, and cultures--

Better Together Jim Tomberlin, Warren Bird, 2020-08-04 Thousands of Protestant churches are perplexed by plateaued or declining attendance, while other congregations nearby thrive. Is there a way for them to combine forces, drawing on both their strengths, in ways that also increase their missional impact? In *Better Together, Expanded and Updated: Making Church Mergers Work*, church merger consultant Jim Tomberlin and award-winning writer Warren Bird make the case that mergers today work best not with two struggling churches but with a vital, momentum-filled lead church partnering with a joining church. This much-needed resource describes the range of mergers for strong, stable, stuck, and struggling churches. No matter what type of merger a church may be considering, the authors address key questions about the process: How can a merger help a church go forward? How will a merger process unfold? Where can a declining church find another congregation to join? What are the pitfalls that both pastor and congregation should avoid? How can better together lead to more, rather than fewer, life-giving, high-impact, reproducing churches? They provide a complete, practical, hands-on guide for church leaders of both struggling and vibrant churches, so they can understand the issues, develop strategies, and execute mergers for church expansion and renewal--ultimately, so they can reinvigorate declining churches and give them a second life. No matter what your motivation for merging your church with another--to begin a new church life cycle, cross racial lines, reach more people for Christ, multiply your church's impact, or better serve your local community--*Better Together* will give you the tools you need to create a thriving new entity.

10 Things Jesus Never Said Will Davis, 2011-07 Popular author and pastor helps Christians stop trying to live up to standards Jesus never set for us and embrace the life giving things he did say.

The Storytelling Heart Nick Ovalle, 2017-04-21 Could you change your life by changing your internal story? Hollywood has taught us the secret for years. This book is that secret. Life has secrets. Counterintuitive secrets that can spur greatness. I have tried to collect as many secrets as I know and share them with the world. Do you want to know the greatest secret I have ever encountered? You are valuable. Many times we don't see our own value. In this ADHD world of on-demand entertainment and cerebral experiences we often forget to breathe, let alone take the time to think about our personal value. It pains me to think that some people spend so much time enthralled in distractions that they forget to take inventory of self. It's a scary thought to live and die and never know who you are or worse who you were. Here is another secret, it's not enough just to know secrets. You must act on it.

Emerging Awakening--A Faith Quake Wayne Detzler, 2013-02-11 The term emerging church causes confusion, conflict, and contention whenever it is used. Still, the emerging movement is spreading across America and around the world. Young adults from the millennial or mosaic generation are flocking back to church in droves, when the church speaks relevantly to them. The impact of emerging churches reaches far beyond the narrow walls of church buildings. The millennial generation is content with nothing less than a holy revolution in society. These eager young people purpose to transform the cities of America and the world through living the life of Jesus. Emerging believers are more concerned with life than with doctrine. They are committed to orthopraxy (true behavior) and not just dead orthodoxy. This propels them into situations foreign to most Christ

followers. Their aim is a conquest of cities for Christ, and to that end they live out the Jesus life in every aspect of community. Authenticity is their watchword. They are resolved to be real in an unreal world. Members of the emerging churches keep each other honest before God, and they accept nothing less than committed Christian character. The result is a growing revival among the emerging churches.

Walk in Her Sandals Kelly M. Wahlquist, 2016-10-10 Pray in a new and creative way this Lent by joining the women of WINE: Women In the New Evangelization on a journey through Christ's passion, death, and resurrection. What if you could have been a witness to the events of the last days of Jesus' life—walking with him as he entered Jerusalem, observing his crucifixion, and embracing him on Easter? *Walk in Her Sandals*, edited by popular Catholic author and speaker Kelly M. Wahlquist, takes you deeper into your relationship with Jesus by helping you relate to him in a profoundly intimate way. Looking at six universal gifts of women through the eyes of women in the gospels, the book guides you on a prayerful and creative journey through the days of Holy Week, Easter, and Pentecost. As you imagine the experience of the women who met Jesus, you will discover how each of them expressed one of six, distinctive, feminine gifts identified in the writings of St. John Paul II. Through the eyes of an imagined woman who watched Jesus' entry into Jerusalem, you will understand how she conveyed the gift of receptivity. Through the hands of Veronica, who reached out to wipe the face of Jesus, you will discover how sensitivity is present and can grow in your own life. These gifts, along with generosity, prayer, maternity, and the Holy Spirit, come to life through the vivid portrayal of women who walked with Jesus. Their imagined stories are complemented by the real accounts of contemporary women who share their own stories of receiving and cultivating these gifts. *Walk in Her Sandals* is a collaborative effort, edited by Wahlquist with contributions from twelve leading Catholic women writers, all of whom are associated with the organization she founded—WINE: Women In the New Evangelization. The contributors will help you break open the scripture, reflect upon it and apply it to your own life, and share those insights in a small-group setting through the use of questions and challenges. Each chapter unfolds in eight movements: A Moment to Ponder: Wahlquist sets the stage for the theme of that chapter. Entering the Scripture: Sarah Christmyer, codeveloper of The Great Adventure Catholic Bible Study, reveals the riches of the scripture that corresponds with the day, both in the biblical narrative and in the liturgical year. Walk in Her Sandals: Stephanie Landsem, author of the biblical fiction series The Living Water, draws you into the story and allows you to experience what it may have been like for women who lived and walked with Jesus. Unwrapping the Gift: Catholic author, speaker, and faith-formation leader Pat Gohn shows how each woman demonstrates a particular feminine gift and invites you to nurture that gift in yourself and understand anew the beauty of your dignity and vocation. Reflect on the Meaning: Writers including CatholicMom.com founder Lisa M. Hendey and popular media personality Teresa Tomeo offer insight, encouragement, and inspiration for your own journey through their personal stories. Lectio

and Meditatio: A prayerful reading of the scripture and a guided meditation to draw you more deeply into an intimate relationship with Jesus. Questions for Group Discussion: Carol Younger, senior fellow at the St. Paul Center for Biblical Theology, offers a helpful tool to share your experience with other women. Walking in the New Evangelization: Wahlquist offers two ways to contribute to the New Evangelization—first by growing in your contemplative spiritual life and then by giving you practical suggestions to enhance your active spiritual life. Walk in Her Sandals will allow you to enter more fully into life in Christ by praying over his passion, death, and resurrection. It will help you experience a conversion of heart and recognize your own giftedness.

Miraculous Movements Jerry Trousdale, 2012 This close look at what the Lord is doing to spread the gospel highlights the key scriptural principles that help Christians reach out in love to share the gospel in their own community.
