The New California Wine Jon Bonné,2013-11-05 A comprehensive guide to the must-know wines and producers of California's new generation, and the story of the iconoclastic young winemakers who have changed the face of California viniculture in recent years. The New California Wine is the untold story of the California wine industry: the

young, innovative producers who are rewriting the rules of contemporary winemaking; their quest to express the uniqueness of California terroir; and the continuing battle to move the state away from the overly-technocratic, reactionary practices of its recent past. Jon Bonné writes from the front lines of the California wine revolution, where he has access to the fascinating stories, philosophies, and techniques of top producers. Part narrative, part authoritative purchasing reference, *The New California Wine* is a necessary addition to any wine lover's bookshelf.

Wine Simple Aldo Sohm, Christine Muhlke, 2019-11-19 From the world-renowned sommelier Aldo Sohm, a dynamic, essential wine guide for a new generation NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD52 Aldo Sohm is one of the most respected and widely lauded sommeliers in the world. He's worked with celebrated chef Eric Ripert as wine director of three-Michelin-starred Le Bernardin for over a decade, yet his philosophy and approach to wine is much more casual. Aldo's debut book, *Wine Simple*, is full of confidence-building infographics and illustrations, an unbeatable depth of knowledge, effusive encouragement, and, most important, strong opinions on wine so you can learn to form your own. Imbued with Aldo's insatiable passion and eagerness to teach others, *Wine Simple* is accessible, deeply educational, and lively and fun, both in voice and visuals. This essential guide begins with the fundamentals of wine in easy-to-absorb hits of information and pragmatic, everyday tips—key varietals and winemaking regions, how to taste, when to save and when to splurge, and how to set up a wine tasting at home. Aldo then teaches you how to take your wine knowledge to the next level and evolve your palate, including techniques on building a “flavor library,” a cheat sheet to good (and great) vintages (and why you shouldn't put everything on the line for them), tips on troubleshooting tricky wines (corked? mousy?), and, for the daring, even

how to saber a bottle of champagne. This visual, user-friendly approach will inspire readers to have the confidence, curiosity, and enthusiasm to taste smarter, drink boldly, and dive headfirst fearlessly into the exciting world of wine.

Wine & Spirits ,2007

Judgment of Paris George M. Taber,2006-11-21 The only reporter present at the mythic Paris Tasting of 1976—a blind tasting where a panel of esteemed French judges chose upstart California wines over France’s best—for the first time introduces the eccentric American winemakers and records the tremendous aftershocks of this historic event that changed forever the world of wine. The Paris Tasting of 1976 will forever be remembered as the landmark event that transformed the wine industry. At this legendary contest—a blind tasting—a panel of top French wine experts shocked the industry by choosing unknown California wines over France’s best. George M. Taber, the only reporter present, recounts this seminal contest and its far-reaching effects, focusing on three gifted unknowns behind the winning wines: a college lecturer, a real estate lawyer, and a Yugoslavian immigrant. With unique access to the main players and a contagious passion for his subject, Taber renders this historic event and its tremendous aftershocks—repositioning the industry and sparking a golden age for viticulture across the globe. With an eclectic cast of characters and magnificent settings, Judgment of Paris is an illuminating tale and a story of the entrepreneurial spirit of the new world conquering the old.
