I'm the Real Santa Claus Ingrid Ostheeren,1996 When Santa Claus mistimes his arrival on Christmas Eve, he begins to think that no one needs him any more, but he is soon reassured that there can only be one Santa Claus.

I See Santa Everywhere Glenn McCoy,2008-09-30 A young boy's sanity is pushed to the limits when he's sure he's seeing Santa Claus around every corner. Luckily, he's found a sympathetic ear in his therapist....or has he? Cartoonist Glenn McCoy discovers the hidden menace (and humor) in the season's most beloved gift giver.

Here's Santa, There's Santa, Santa's Everywhere! Stephen J. Little,2009-07-31 Have you ever wondered why you see so many Santas of every shape, size and description at Christmas? I did too, until I found out the significance of the ruby ring, how the Blue Santa saved the day, and the true meaning of Christmas and that special present under the tree.

The Writer's Guide to Weapons Benjamin Sobieck,2015-07-09 When it comes to writing weapons, most authors shoot from the hip--and miss. The Writer's Guide to Weapons will help you hit your target every time. Firearms and knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find:

- An in-depth look at the basics of firearms and

knives: how they work, why they work, what they look like, and how to depict them accurately in your stories. • The biggest weapons myths in fiction, TV, and film. • A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background. • A review of major gun and knife laws, weapons safety tips, and common police tactics. • The Hit List, showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more. • Examples highlighting inaccurate vs. accurate weapons depictions. • An insightful foreword by David Morrell, the award-winning creator of Rambo. Equal parts accessible, humorous, and practical, *The Writer's Guide to Weapons* is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Santa's Here, Santa's There, Santa's Everywhere Stephen J. Little, 2009-12 Ever wonder why there seems to be a Santa on every corner during the Christmas Season? I did too, until one year I found out from Jingles the Elf and the Blue Santa why there seems to be so many Santas at Christmas time, and how important they truly are to the magic that is Christmas and finding that perfect present under the Christmas Tree! In this story you find a story of how Christmas was saved thru teamwork, and how different people with different ideas and different backgrounds can come together with one goal in mind. The Legend of Holly Claus Brittney Ryan,2012-10-30 Santa Claus's daughter sets out to break a curse and free a magical kingdom—in this beloved New York Times bestseller. Though few mortals know his secret, Nicholas is more than a jolly red-suited man who visits children all over the world on Christmas Eve—he is also the king of Forever, Land of the Immortals. Each year he gets letters from millions of boys and girls, and helps make their Christmas wishes come true. But one year, a special little boy from New York City asks something Nicholas has never been asked before: “What do you wish

for Christmas, Santa?" With that simple question, a magical story unfolds. Nicholas answers that his only wish is for a child. And soon the immortal people of the kingdom celebrate the arrival of Holly Claus, the princess of Forever and the first child to grace its ground. But their happiness is dashed when an evil sorcerer places a spell on the infant, turning her heart to ice and freezing her kingdom in time. Many years later, just in time for Christmas Eve, Holly travels to New York, intent upon saving Christmas and freeing the land of Forever. Holly will make this the most magical—and memorable—Christmas the world has ever seen. This ebook features a note from Brittney Ryan including rare images and never-before-seen documents from the author's personal collection.
