Matt Mogk

I Saw Mommy Biting Santa Claus Matt Mogk, 2013-10-01 *I Saw Mommy Biting Santa Claus* is a new spin on a holiday classic that tells the story of a suburban zombie outbreak and the little boy who knows just what to do. When Johnny finds out that his mother has turned into a zombie and has attacked Santa Claus, he knows that it's up to him to put the living dead (back) to rest. While the chaos spreads from the mall to the Christmas parade, Johnny finds his friends Glenn, Barb, and Ben, and they devise a plan to not only protect themselves—and their dog—but to make sure to get to Grandma's house before the zombies take over town. While they've planned for the worst, nothing could prepare them for watching jolly old Saint Nick get devoured by mindless zombies. This clever take on a Christmas tradition is right up the alley of anyone who ever wondered what would happen if a zombie outbreak took place during the holiday season. *I Saw Mommy Biting Santa Claus* is a beautifully gory tale that's sure to become a classic for fans of the holidays and the living dead.

It's Beginning to Look a Lot Like Zombies Michael P. Spradlin, 2009-10-13 The snow is falling, the holidays are approaching and...It's Beginning to Look a Lot Like Zombies! This delightfully depraved book of classic Zombie Christmas carols by Michael P. Spradlin is guaranteed to spread Yuletide cheer to all those good boys and ghouls who devoured the monster New York Times bestsellers *Pride and Prejudice* and *Zombies* and *World War Z*, as well as fans of *28 Days Later* and *Shaun of the Dead*. With an introduction by the inimitable Christopher Moore—bestselling author of *Bloodsucking Fiends*, *You Suck*, and the classic “heartwarming tale of Christmas terror” *The Stupidest Angel*—It's Beginning to Look a Lot Like Zombies is a great gift for stuffing into a Christmas stocking...provided you remove the bloody severed foot first!

Parenting in the Zombie Apocalypse Steven J. Kirsh, 2019-05-17 Parenting is difficult under the best of circumstances—but extremely daunting when humanity faces cataclysmic annihilation. When the dead rise, hardship, violence and the ever-present threat of flesh-eating zombies will adversely affect parents and children alike. Depending on their age, children will have little chance of surviving a single encounter with the undead, let alone the unending peril of the Zombie Apocalypse. The key to their survival—and thus the survival of the species—will be the caregiving they receive. Drawing on psychological theory and real-world research on developmental status, grief, trauma, mental illness, and child-rearing in stressful environments, this book critically examines factors influencing parenting, and the likely outcomes of different caregiving techniques in the hypothetical landscape of the living

dead.

Santa Vs Zombies, 1 Koji Sakai, John Mayer, Cw Cooke, 2019-12-03 Meet Santa. He's having a mid-life crisis. He hates his job and wishes he was doing anything else other than being Santa. He's just going through the motions and that's why he doesn't notice the zombie apocalypse until it's almost too late. Saved by two kids, he at first tries to get back to the North Pole only to discover that his reindeer have been eaten. On the run and just trying to survive, Santa befriends the kids and falls in love with their recently-divorced mother. Soon Santa rediscovers his Christmas spirit and does everything he can to save Christmas for the kids—even if it means his own death.

I Saw Zombies Eating Santa Claus S.G. Browne, 2012-10-30 Just in time for the holidays—a hilarious Christmas novella and sequel to the author's highly acclaimed *Breathers*, “a zombie comedy with brains” (Kirkus Reviews). “One of America's best satiric novelists” (Kirkus Reviews), S. G. Browne seamlessly gift wraps this horrific and hilarious sequel to his “extremely strong” (Publishers Weekly, starred review) zombie novel *Breathers*. He sees you when you're sleeping . . . he knows when you're undead. How does the leader of a failed zombie civil rights movement from California rescue a group of his undead brethren and help a lonely Breather girl as he hides from a band of medical researchers while disguised as Santa Claus? If you've never believed in Christmas miracles, then you wouldn't understand. Andy Warner has just escaped from a zombie research facility in Portland, Oregon, where he's been subjected to experimental testing for the past year. With Christmas just days away, Andy figures that donning a jolly old St. Nick costume to throw off his would-be captors is just the ticket. But he never expects to encounter a sweet, lonesome nine-year-old girl who not only reminds Andy of the family he's lost but who thinks he's the real Santa. He also doesn't count on being recognized as last year's national quasi-celebrity by a clandestine group of decaying supporters who look to him for leadership. For the living and the undead, this unforgettable holiday tale will truly put on display just who is gnawing and who is nice. . . .

A Scary Little Christmas Matthew C. DuPée, 2022-06-07 Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with *Silent Night, Deadly Night* (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre.

Psycho Santa films such as *Christmas Evil* (1980) and *3615 code Pere Noel* (1989) are examined, along with Yule-Die slashers like *The Dorm that Dripped Blood* (1982), *Black Christmas* (1974) and *Silent Night, Bloody Night* (1972). Commercial successes like *Gremlins* (1984) and *Rare Exports: A Christmas Tale* (2010) are covered, as well as more recent releases such as *Better Watch Out* (2016), *Red Christmas* (2016) and *Deathcember* (2019). Rare photographs, promotional materials and an annotated filmography are provided.

The 12 Terrors of Christmas Claudette Melanson, Lynn Lamb, 2017-12-10 Award-winning author Claudette Melanson offers eleven new and original stories to make your skin crawl at any time of the year. This horror anthology also includes an original short by Amazon International Best-Selling Author, Lynn Lamb, titled *Bring Me Flesh and Bring Me Wine*. A special bonus story is also included by Melanson, *Mislead*, previously published only on the Halloweenpalooza blog. Grab a cup of cocoa and make sure the windows and doors are locked tight as you settle in by the fire to enjoy these tales of terror, but be warned...locks have never succeeded at keeping Santa from gaining entry. If you enjoy a slice of horror with your holiday cheer, this collection of Christmas horror shorts will satisfy all your dark cravings during the holidays...and beyond. **Terror One:** Who is Santa really? Does something sinister lurk beneath the red suit and apple-cheeked visage? More importantly, what does Santa want for Christmas? **Terror Two:** It is said that every wish bears a cost...even a wish of good intent. What do Detective Talbot and his son, Mallory, stand to lose when the pair seek to right a wrong on Christmas Eve? **Terror Three:** Christmas can be a time for great joy...but also for heart-wrenching regret. Can the magic of Christmas Eve turn back the clock before time runs out for Morana and her family? **Terror Four:** Snow falls white and clean, seeming to purify the small town of Moon, Pennsylvania, but the woods behind Vaughn's home have taken on a sinister cast. The snow keeps falling in record-breaking depths, but does evil lay hidden beneath its seemingly-innocent luster? **Terror Five:** As his elves scurry to fill the toy orders for the busy season, unknown terror creeps toward the workshop intent on releasing an evil meant to cancel Santa's yearly deliveries forever. **Terror Six:** A well-meaning elf casts a spell which could inadvertently reveal the dark truth about Santa's workshop and its inhabitants. The world's children may end up paying a terrifying price, proving that the path of good intention oftentimes does indeed lead to hell. **Terror Seven:** A scary twist on a classic Christmas poem **Terror Eight:** Santa's sleigh plummets to the ground, tearing all hope of a merry Christmas to bits and pieces. Will the elves be able to employ enough magic to stitch together some sort of solution? Or will their efforts only deliver greater horror and loss? **Terror Nine:** Trinette is preparing to celebrate her first Christmas in love. Her

boyfriend says he found the perfect gift for her, but beneath the shiny red paper and ribbon lies a secret he's kept hidden during all the months of their courtship... Terror Ten: The world's population explosion means business is booming at Santa's workshop, with the need to expand making a difficult excavation below the permafrost necessary. But the elves should use caution lest they dig up an evil best left buried. Terror Eleven: A special holiday treat for Maura DeLuca fans! Riptide ended on a happy note, but how did Maura's extended family celebrate Christmas? Could it be that the holiday didn't quite play out the way the vampires planned? Terror Twelve: It's a dangerous time to call oneself a non-believer. Those who scoff at Santa's existence are melting all over the world. But could the benevolent head elf turn out to be the murderer? Vampires, ghosts, demons, elves, werewolves, serial killers and a rampaging Krampus are just a few of the monsters creeping amongst the pages of The 12 Terrors of Christmas. Are you brave enough to venture inside to experience the flip side of the typical Hallmark-themed Christmas?
