**A Fine Line Between Naughty and Nice** Jerry McGehee,2021-12-24 How far would you be willing to go to help make someone's Christmas magical? Would you risk being put on Santa's Naughty list forever? Would you step into a magic portal, not knowing where it goes or what's on the other side? Are you willing to give up family and friends, including your BFF and a boy you just figured out you really like to follow in your famous grandfather's footsteps? That's the situation Joni, a mischievous elf from Christmas Town, is about to face. She has a secret dream. If she is successful, not only will she make one little girl's Christmas the most magical ever, but she will also achieve her lifelong quest for adventure. She's in a race against time. Will she be able to put all the clues together and figure out how to make her dream and Elizabeth's come true? Or will she wind up on the Naughty list forever and be the reason Elizabeth stops believing in Santa? Joni wants nothing more than to be on the Nice list. She struggles with the whole naughty-and-nice thing. Sometime it seems like things start out as nice but, depending on the outcome, could be perceived as naughty. How can something be both naughty and nice at the same time? Her parents say, "Do as I say and not as I do." But what does that really mean? I invite you to join Joni on her quest to find the answers to all these questions. Along the way, she will discover that sometimes you just have to risk it all. For if it's the right thing to do, then "it is better to have tried and failed than to have never tried at all!" That's her story, and she's sticking to it, LOL.

They put a speculative spin on the holiday, giving fans of acclaimed author Connie Willis a welcome gift and a dozen reasons to be of good cheer. Brimming with Willis's trademark insights and imagination, these heartwarming tales are full of humor, absurdity, human foibles, tragedy, joy, and hope. They both embrace and send up many of the best Christmas traditions, including the holiday newsletter, Secret Santas, office parties, holiday pageants, and Christmas dinners (both elaborate and spare). There are Rockettes, the best and worst Christmas movies, modern-day Magi, Ghosts of Christmases Past, Present, and Yet to Come—and the triumph of generosity over greed. Like all the timeless classics we return to year after year, these stories affirm our faith in love, magic, and the wonder of the season.
