A Priceless Wedding Sara Cotner, 2012-12-28 Plan a wedding that reflects your commitment—to each other and to the things you truly value. How you and your partner plan your wedding can set a precedent for how you will be as a family. How do you work together to merge two different sets of ideas into something bigger and better? How do you disagree in constructive rather than destructive ways? How do you honor the input and experience of family members while simultaneously maintaining ownership of your lives and choices? In this part-memoir, part how-to handbook, popular wedding blogger Sara Cotner shares how you can resist the pressure to create the wedding of someone else's dreams and instead reclaim the real purposes of a wedding: community, connection, commitment, and fun. *A Priceless Wedding* covers all the basics: securing a location, finding a dress, deciding on flowers, selecting a wedding party, planning the ceremony, choosing rings, and everything in between—but it goes beyond the elements of a traditional wedding to help you plan an eco-friendly, hand-crafted, budget-minded celebration that will be both memorable and meaningful. Featuring do-it-yourself projects that help you create your own unique wedding favors, sew a homemade wedding quilt, and more, this book will inspire you to begin your own traditions and rituals that will clarify your values and let you live them out loud.

The Amish Cowboy's Makeover: An Amish love triangle romance Adina Senft, 2023-08-23 God specializes in makeovers. —Mountain Home Amish proverb Vibrant, laughing, and with a wunderbaar gift of quilt design from God, Malena Miller is always in the middle of the doings among the Amish Youngie in Mountain Home, Montana. And there are big doings on the Rocking Diamond, the Englisch dude ranch next door to the Circle M. When Malena and her brothers are offered jobs helping a movie star learn how to be a cowboy for his upcoming picture, Malena wonders if her father's silence and her mother's worry are worth the generous salary. And then there's Cord McLean, the actor, who definitely prefers her teaching methods to anyone else's. Alden Stolzhus has been sweet on Malena ever since his family moved to the valley, but he's too shy to tell her the truth in his heart. It hurts to watch this Hollywood bad boy gradually work his way closer to Malena, under the guise of learning about ranch life. If Cord is getting a makeover to turn him into a cowboy, then maybe Alden had better take a hard look at himself, too. All the bashful blacksmith has to do is make himself over ... and become the hero of her

dreams. The Montana Millers. They believe in faith, family, and the land. They'll need all three when love comes to the Circle M! The Amish Cowboy's Makeover is the fifth novel in the Amish Cowboys of Montana romance series. Though the books can be read as standalones, there is a family thread running through them all. No strong language, just a loving kiss and a guaranteed happily ever after. If you like books by Loree Lough, Mary Lantz, or Emma Cartwright, you're in the right place. Enjoy!

Drama Queen: One Autistic Woman and a Life of Unhelpful Labels Sara Gibbs, 2021-06-24 'It has taken me several years of exploration, but I am at a place now where I see autism as neither an affliction nor a superpower. It's just the blueprint for who I am. There is no cure, but that's absolutely fine by me. To cure me of my autism would be to cure me of myself.' During the first thirty years of her life, comedy script writer Sara Gibbs had been labelled a lot of things - a cry baby, a scaredy cat, a spoiled brat, a weirdo, a show off - but more than anything else, she'd been called a Drama Queen. No one understood her behaviour, her meltdowns or her intense emotions. She felt like everyone else knew a social secret that she hadn't been let in on; as if life was a party she hadn't been invited to. Why was everything so damn hard? Little did Sara know that, at the age of thirty, she would be given one more label that would change her life's trajectory forever. That one day, sitting next to her husband in a clinical psychologist's office, she would learn that she had never been a drama queen, or a weirdo, or a cry baby, but she had always been autistic. Drama Queen is both a tour inside one autistic brain and a declaration that a diagnosis on the spectrum, with the right support, accommodations and understanding, doesn't have to be a barrier to life full of love, laughter and success. It is the story of one woman trying to fit into a world that has often tried to reject her and, most importantly, it's about a life of labels, and the joy of ripping them off one by one.

Encyclopedia of Gender in Media Mary Kosut, 2012-05-01 The media strongly influences our everyday notions of gender roles and our concepts of gender identity. The Encyclopedia of Gender in Media critically examines the role of the media in enabling, facilitating, or challenging the social construction of gender in our society. The work addresses a variety of entertainment and news content in print and electronic media and explores the social construction of masculinity as well as femininity. In addition to representations of gender within the media, we also analyze gender issues related to media ownership and the media workforce. Despite an abundance of textbooks, anthologies, and university press monographs on the topic of

gender in media, until now no comprehensive reference work has tackled this topic of perennial interest in student research and papers. Features and benefits: 150 signed entries (each with Cross References and Further Readings) are organized in A-to-Z fashion to give students easy access to the full range of topics within gender in media. A thematic Reader's Guide in the front matter groups related entries by broad topical or thematic areas to make it easy for users to find related entries at a glance, with themes including Discrimination & Media Effects, Media Modes, New Media, Media Portrayals & Representations, Biographies, and more. In the electronic version, the Reader's Guide combines with a detailed Index and the Cross References to provide users with robust search-and browse capacities. A Chronology in the back matter helps students put individual events into broader historical context. A Glossary provides students with concise definitions to key terms in the field. A Resource Guide to classic books, journals, and web sites (along with the Further Readings accompanying each entry) helps guide students to further resources for their research journeys. An Appendix provides users with a number of reports related to gender in media.

Get Positively Beautiful Carmindy, 2008-10-07 According to a recent study, only 2% of women describe themselves as 'beautiful.' (Dove Global Study 'The Real Truth About Beauty: A Global Report', 2004) The media instructs women how to 'look ten years younger,' 'cover up wrinkles,' or 'get fuller, plumper lips.' And even makeup products play off womens' insecurities, promising to conceal perceived flaws, define cheekbones, or make eyelashes fuller and longer. The underlying message? That there's something inherently wrong with the way women look and that they have to spend time, money, and energy keeping up with all the ways they should 'fix' themselves. In GET POSITIVELY BEAUTIFUL, makeup artist Carmindy from TLC's hit program What Not to Wear shows you how to change your mindset from negative fault-finding to a positive beauty philosophy. You learn how to find and focus on your best features and how to combat negative thoughts about your appearance. Carmindy demonstrates easy makeup techniques for eyes, brows, lashes, lips, cheeks, and skin, and how to adapt looks to different weather conditions and 'beauty moods.'

They date and love blossoms, but she has doubts, as interracial marriages are not common in New Zealand in the 1980s. He is certain they can weather any prejudice against their choice, even from her friends and her family. When the couple becomes engaged and travels to India so Julie can meet Kishore's family, she is overwhelmed at the sights and sounds—and worried whether she can be accepted into a family and culture so different from her own.

It's Not You Sara Eckel,2014-01-07 "Why am I still single?" If you're single and searching, there's no end to other people's explanations, excuses, and criticism explaining why you haven't found a partner: "You're too picky. Just find a good-enough guy and you'll be fine." "You're too desperate. If men think you need them, they'll run scared." "You're too independent. Smart, ambitious women always have a harder time finding mates." "You have low self-esteem. You can't love someone else until you've learned to love yourself." "You're too needy. You can't be happy in a relationship until you've learned to be happy on your own." Based on one of the most popular Modern Love columns of the last decade, Sara Eckel's *It's Not You* challenges these myths, encouraging singletons to stop picking apart their personalities and to start tapping into their own wisdom about who and what is right for them. Supported by the latest psychological and sociological research, as well as interviews with people who have experienced longtime singledom, Eckel creates a strong and empowering argument to understand and accept that there's no one reason why you're single—you just are.

Reality Gendervision Brenda R. Weber, 2014-03-03 This essay collection focuses on the gendered dimensions of reality television in both the United States and Great Britain. Through close readings of a wide range of reality programming, from *Finding Sarah* and *Sister Wives* to *Ghost Adventures* and *Deadliest Warrior*, the contributors think through questions of femininity and masculinity, as they relate to the intersections of gender, race, class, and sexuality. They connect the genre's combination of real people and surreal experiences, of authenticity and artifice, to the production of identity and norms of citizenship, the commodification of selfhood, and the naturalization of regimes of power. Whether assessing the Kardashian family brand, portrayals of hoarders, or big-family programs such as *19 Kids and Counting*, the contributors analyze reality television as a relevant site for the production and performance of gender. In the process, they illuminate the

larger neoliberal and postfeminist contexts in which reality TV is produced, promoted, watched, and experienced. Contributors. David Greven, Dana Heller, Su Holmes, Deborah Jermyn, Misha Kavka, Amanda Ann Klein, Susan Lepselter, Diane Negra, Laurie Ouellette, Gareth Palmer, Kirsten Pike, Maria Pramaggiore, Kimberly Springer, Rebecca Stephens, Lindsay Steenberg, Brenda R.
