wealth of words or the volume of vocabulary that enable them to get top scores on the SAT I (the test that most people call “the SAT”). The fact that you don’t have an SAT vocabulary isn’t due to a lack of intelligence, it’s due to the fact that almost everyone speaks using concise sentences that get to the point, rather than belabor it. Everyone begins with a different level of vocabulary. You may already know half of the words here or you may only know a few. Regardless of how strong or weak your vocabulary currently is, SAT Vocabulary For Dummies will help you build your vocabulary and boost your test scores.
