Wendie C. Old

**The Life of Louis Armstrong** Wendie C. Old,2014-07-01 Music has been in my blood from the day I was born, said Louis Armstrong. Author Wendie C. Old weaves a rich, colorful tapestry of the life of this beloved and brilliant musician known to his fans as Satchmo. Louis Armstrong rose from poverty and a troubled childhood to set the music world on fire with his lively trumpet playing and trademark raspy singing voice. With a natural talent for showmanship, Armstrong won fame while touring around the world, and proved to be one of the most extraordinary performers of the Jazz Age and beyond.

**Louis Armstrong** Sanford Brown,1993-08-01 Examines the personal life and musical career of the famous jazz trumpeter and singer known as Satchmo.

**Satchmo** Gary Giddins,2009-03-05 Gary Giddins has been called the best jazz writer in America today (Esquire). Louis Armstrong has been called the most influential jazz musician of the century. Together this auspicious pairing has resulted in Satchmo, one of the most vivid and fascinating portraits ever drawn of perhaps the greatest figure in the history of American music. Available now at a new price, this text-only edition is the authoritative introduction to Armstrong's life and art for the curious newcomer, and offers fresh insight even for the serious student of Pops.

**Louis Armstrong** Wendie C. Old,1998 Louis Armstrong rose from poverty and a troubled childhood to set the music world on fire with his lively trumpet playing and trademark raspy singing voice. With a natural talent for showmanship, Armstrong won fame while touring around the world, and proved to be one of the most extraordinary performers of the Jazz Age and beyond. Author Wendie C. Old weaves a rich, colorful tapestry of the life of this beloved and brilliant musician known to his fans as Satchmo.

**Satchmo** Louis Armstrong,1986 In all my whole career the Brick House was one of the toughest joints I ever played in. It was the honky-tonk where levee workers would congregate every Saturday night and trade with the gals who'd stroll up and down the floor and the bar. Those guys would drink and fight one another like circle saws. Bottles would come flying over the bandstand like crazy, and there was lots of just plain common shooting and cutting. But somehow all that jive didn't faze me at all, I was so happy to have some place to blow my horn. So says Louis Armstrong, a tough kid who just happened to be a musical genius, about one of the places where he performed and grew up. This raucous, rich tale of his early days in New Orleans concludes with his departure to Chicago at twenty-one to play with his boyhood idol King Oliver, and tells the story of a life that began, mythically, on July 4, 1900, in the city that sowed the seeds of jazz.

**Louis Armstrong - Original Keys for Singers (Songbook)** Louis Armstrong,2009-11-01 (Vocal Piano). Features authentic vocal/piano transcriptions of 17 Satchmo classics in their original keys! Includes: Ain't Misbehavin' \* Basin Street Blues \* Cabaret \* Dream a Little Dream of Me \* Georgia on My Mind \* Hello, Dolly! \* Mack the Knife \* Makin' Whoopee! \* Mame \* St. Louis Blues \* What a Wonderful World \* When the Saints Go Marching In \* Zip-A-Dee-Doo-Dah \* and more.

**Louis Armstrong** Judith Pinkerton Josephson,2007-09-01 True or False? Louis Armstrong was often called The World's Greatest Trumpet Player. True! Louis Armstrong changed the sound of American music with his exciting, powerful trumpet-playing. He helped make jazz one of the world's most popular forms of music. And his gruff singing voice and shining personality made him one of

the most popular entertainers of all time.

**Louis Armstrong** James Lincoln Collier,1985-10-10 Louis Armstrong. Satchmo. To millions of fans, he was just a great entertainer. But to jazz aficionados, he was one of the most important musicians of our times--not only a key figure in the history of jazz but a formative influence on all of 20th-century popular music. Set against the backdrop of New Orleans, Chicago, and New York during the jazz age, Collier re-creates the saga of an old-fashioned black man making it in a white world. He chronicles Armstrong's rise as a musician, his scrapes with the law, his relationships with four wives, and his frequent feuds with fellow musicians Earl Hines and Zutty Singleton. He also sheds new light on Armstrong's endless need for approval, his streak of jealousy, and perhaps most important, what some consider his betrayal of his gift as he opted for commercial success and stardom. A unique biography, knowledgeable, insightful, and packed with information, it ends with Armstrong's death in 1971 as one of the best-known figures in American entertainment.

**The Louis Armstrong Collection (Songbook)** Louis Armstrong,2004-03-01 (Artist Transcriptions). The All Music Guide regards trumpet virtuoso Louis Armstrong as the most important musician in (jazz's) history. This great songbook features note-for-note transcriptions of this legend's trumpet playing on 16 songs he's famous for: Basin Street Blues \* Cornet Chop Suey \* Gut Bucket Blues \* Hotter Than Hot \* Shine \* Tiger Rag \* When the Saints Go Marching In \* and more. Includes a bio and discography.

**The Original Hot Five Recordings of Louis Armstrong** Gene Henry Anderson,2007 Between 1925 and 1928 the Hot Five--the incomparable Louis Armstrong and four seasoned practitioners of the burgeoning jazz style--recorded fifty-five performances in Chicago for the OKeh label. Oddly enough, the quintet immortalized on vinyl with recent technology rarely performed as a unit in local nightspots. And yet, like other music now regarded as especially historic, their work in the studio summarized approaches of the past and set standards for the future. Remarkable both for popularity among the members of the public and for influence on contemporary musicians, these recordings helped make Satchmo a familiar household name and ultimately its bearer an adored public figure. They showcased Armstrong's genius, notably his leadership in transforming the practice of jazz as an ensemble improvisation into jazz as the art of the improvising soloist. In his study Professor Anderson--for the first time--provides a detailed account of the origins of this pioneering enterprise, relates individual pieces to existing copyright deposits, and contextualizes the music by offering a reliable timeline of Armstrong's professional activities during these years. All fifty-five pieces, moreover, are described in informed commentary [Publisher description].

**Louis Armstrong** Sam Tanenhaus,1989 First captured on West End Blues and other now-classic recordings, Louis Armstrong's innovations immediately changed the face of American music. He was a dazzling showman and a true musical genius.

**Satchmo** Michael Meckna,2004-05-30 When pressed to name the most influential musician of the 20th century, many music historians will name Louis Satchmo Armstrong. Born in New Orleans in 1901 and recording into the 1970s, Armstrong is known as the father of jazz, the one figure most credited with moving the Western world from the age of classical music and Tin Pan Alley

pop standards into an exciting new era of swing and hot jazz. Michael Meckna's book is the authoritative reference on Armstrong. Alphabetically arranged entries give detailed information on the many aspects of Armstrong's life and music. An appendix of CD releases includes entries that detail the record company, date of issue, song list, and performer list. Other appendices include a chronology, a list of movies, and a resource guide to Satchmo on the Web; a bibliography offers yet another useful tool for fans and students of Armstrong's life and music. A selection of historic black-and-white photos completes the volume.

**Louis Armstrong** David Stricklin, 2010-04-16 In the twentieth century, African Americans not only helped make popular music the soundtrack of the American experience, they advanced American music as one of the preeminent shapers of the world's popular culture. Vast numbers of black American musicians deserve credit for this remarkable turn of events, but a few stand out as true giants. David Stricklin's superb new biography explores the life of one of them, Louis Armstrong. The life story of this great instrumentalist, bandleader, and entertainer illustrates much of the black entertainer's impact on American culture and illuminates how popular culture often intersects with politics and economics. Armstrong emerged from a precarious background and triumphed over almost impossible odds, becoming a transcendent public figure and an international icon. Mr. Stricklin concentrates on Armstrong's musical talent, something many observers called a thing of genius. But he also pays special attention to Armstrong's identity as a black man in America and the ways in which he triumphed over the mistreatment and disrespect dealt countless people like him. The creativity and exuberance he shared with the world came from his unique vantage as an artist and as an African American with a striking and lively spirit of freedom. He might have been able to demonstrate that determination in any line of work, but his story has special urgency because he expressed his creative power through music. With 16 black-and-white photographs.

**Louis Armstrong** Scott Allen Nollen, 2004-01-01 Louis Armstrong was not only a virtuoso musician, singer, composer and actor, but also a dedicated writer who typed hundreds of letters and reminiscences, carrying a typewriter with him on his constant travels around the globe. The man never stopped creating, and constantly communicated with friends and acquaintances. His unique verbal, musical and visual content and style permeated everything he touched. Included in this extensive career biography are the major events of his life, his artistic innovations and cultural achievements, a detailed survey of his recordings and live performances, and in-depth discussions of his screen performances--not only his Hollywood feature film appearances, but his performances in short films, European concert films, and dozens of television shows broadcast from Hollywood, New York and Europe.

**Louis Armstrong** Michael Cogswell, 2003 One of the most well-known and loved musicians of all time, Louis Satchmo Armstrong is an American jazz legend. This volume offers an intimate, backstage look at the legendary trumpeter through never before published photos, writings and recordings.

**Creating the Jazz Solo** Vic Hobson, 2018-11-15 Throughout his life, Louis Armstrong tried to explain how singing with a barbershop quartet on the streets of New Orleans was foundational to his musicianship. Until now, there has been no in-depth inquiry into what he meant when he said, I figure singing and playing is the same, or, Singing was more into my blood than the

trumpet. *Creating the Jazz Solo: Louis Armstrong and Barbershop Harmony* shows that Armstrong understood exactly the relationship between what he sang and what he played, and that he meant these comments to be taken literally: he was singing through his horn. To describe the relationship between what Armstrong sang and played, author Vic Hobson discusses elements of music theory with a style accessible even to readers with little or no musical background. Jazz is a music that is often performed by people with limited formal musical education. Armstrong did not analyze what he played in theoretical terms. Instead, he thought about it in terms of the voices in a barbershop quartet. Understanding how Armstrong, and other pioneer jazz musicians of his generation, learned to play jazz and how he used his background of singing in a quartet to develop the jazz solo has fundamental implications for the teaching of jazz history and performance today. This assertive book provides an approachable foundation for current musicians to unlock the magic and understand jazz the Louis Armstrong way.

**Louis Armstrong** Michael A. Schuman, 2007-06-01 Depicts the life and career of the popular jazz musician and describes his contributions to American music.

**Louis Armstrong** Hugues Panassié, 1980-03-21 A biography of Louis Armstrong, the musician who established jazz in America.

The Louis Armstrong Companion Joshua Berrett, 1999 Drawing on the rich resources of the Louis Armstrong Archives, jazz historian Joshua Berrett has compiled a wonderful tribute to the multitalented trumpeter, vocalist, and Ambassador of Jazz. 20 photos.

Louis Armstrong Joel Newsome, 2017-12-15 The world of jazz was just developing when Louis Armstrong was born in 1901. During his life, Armstrong became a defining figure in the burgeoning jazz movement, developing his own style in both bands and in a solo career. His unique approach inspired other jazz contemporaries, including Bing Crosby and Billie Holiday. This is the story of his life, death, and legacy, and his lasting influence on jazz today.

This is likewise one of the factors by obtaining the soft documents of this **Satchimo Sings Traditional Louis Armstrong Olds002 20** by online. You might not require more era to spend to go to the book launch as capably as search for them.
