Portrait of a Powerful Last-Day Christian David Garcia,2014-06-11 Portrait of a Powerful Last-Day Christian is a powerfully-written, anointed handbook to the last-day Christian on overcoming these end times. Not only does God have provision for the believer in these evil times, but the Holy Spirit will help you take back what the devil has stolen from you. This encouraging book spells out to believers how these final days on earth should not be fearful, because born-again Believers are ready! No matter what our news, television, and Internet proclaim for these end-time days, God has real provision for you, as a Christian, right now. Scriptures are highlighted for you to realize that God has much more in store for you. Don't believe any of the doom and gloom that many portray. This compelling book shows you specifically how to be victorious in these final days. This revolutionary book is not some feel-good, positive-thinking writing; it shows divine encouragement from the Word of God. As a godly ambassador for Christ in these end-time days, you can live above your earthly circumstances and be a victorious overcomer. Learn through God's Scriptures the way to circumvent the fear that surrounds us every day!

You Say You Want a Revolution? Daniel Chirot,2022-02-08 Why most modern revolutions have ended in bloodshed and failure--and what lessons they hold for today's world of growing extremism. Why have so many of the iconic revolutions of modern times ended in bloody tragedies? And what lessons can be drawn from these failures today, in a world where political extremism is on the rise and rational reform based on moderation and compromise often seems impossible to achieve? In YOU SAY YOU WANT A REVOLUTION?, Daniel Chirot examines a wide range of right- and left-wing revolutions around the world--from the late eighteenth century to today--to provide important new answers to these critical questions. A powerful account of the unintended consequences of revolutionary change, YOU SAY YOU WANT A REVOLUTION? is filled with critically important lessons for today's liberal democracies struggling with new forms of extremism.--Back cover
