Breathe Imani Perry,2019-09-17 2020 Chautauqua Prize Finalist 2020 NAACP Image Award Nominee - Outstanding Literary Work (Nonfiction) Best-of Lists: Best Nonfiction Books of 2019 (Kirkus Reviews) · 25 Can't-Miss Books of 2019 (The Undeclared) Explores the terror, grace, and beauty of coming of age as a Black person in contemporary America and what it means to parent our children in a persistently unjust world. Emotionally raw and deeply reflective, Imani Perry issues an unflinching challenge to society to see Black children as deserving of humanity. She admits fear and frustration for her African American sons in a society that is increasingly racist and at times seems irredeemable. However, as a mother, feminist, writer, and intellectual, Perry offers an unfettered expression of love—finding beauty and possibility in life—and she exhorts her children and their peers to find the courage to chart their own paths and find steady footing and inspiration in Black tradition. Perry draws upon the ideas of figures such as James Baldwin, W. E. B. DuBois, Emily Dickinson, Toni Morrison, Ralph Waldo Emerson, and Ida B. Wells. She shares vulnerabilities and insight from her own life and from encounters in places as varied as the West Side of Chicago; Birmingham, Alabama; and New England prep schools. With original art for the cover by Ekua Holmes, Breathe offers a broader meditation on race, gender, and the meaning of a life well lived and is also an unforgettable lesson in Black resistance and resilience.

Higher Is Waiting Tyler Perry,2017-11-14 In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. Higher Is Waiting is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

What Happened to You? Oprah Winfrey,Bruce D. Perry,2021-04-27 ONE MILLION COPIES SOLD #1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and What Happened to You? provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered Why did I do that? or Why can't I just control my behavior? Others may judge our reactions and think, What's wrong with that person? When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

The Perry Noble Collection: Unleash! / Overwhelmed Perry Noble,2016-01-15 This collection bundles two of Perry Noble's popular titles together in one e-book, for a great value! Unleash! Why is it that we trust Jesus with our salvation but never fully trust him with our lives? God longs to unleash his full measure of power in our lives to fill us with passion and purpose. But too often the things of our past—fear, anger, bitterness, worry and doubt—hold us back. Rather than focusing on the reality of who Christ is and what he has done for us, we allow ourselves to be identified by all the things we aren't. But we are not who our past says we are, and we are not who the enemy says we are. We are who God and his Word say that we are. Pastor Perry Noble challenges all followers of Christ to make a bold move by fully embracing the exciting adventure God has called us to. Are you ready to unleash all the life he has created you to live? Join Perry on this journey as he digs into the major barriers holding people back and shows how Jesus calls and equips his followers to experience a life most of us never dreamed possible. Overwhelmed Stressed out? Anxious? Overwhelmed? Good news—you're not alone! No one ever said life was going to be easy. Between financial struggles, marital issues, health scares, and the regular, run-of-the-mill problems of everyday life, it's easy to feel weighed down and trapped by your circumstances. In times like these, it's tempting to just throw in the towel and quit. Well, don't do it! Perry Noble has stood at the edge of the abyss himself, and in Overwhelmed, he shares the keys to unlocking the chains of anxiety and despair once and for all. Building on the premise that when we shift our focus from our circumstances to Christ, everything changes, Perry walks readers through a life-altering plan for overcoming stress, worry, depression, and anxiety so we can be free to enjoy the abundant, joy-filled lives we were created for. God knows we're frustrated. He knows we're tired. He knows we're struggling. But He also knows how things are going to turn out. He is greater than anything you are going through . . . so don't give up on God. After all, He's never given up on you.

Tonight I Said Goodbye Michael Koryta,2007-04-01 A remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye Writers of America Prize for Best First Private Eye Novel. Michael Koryta's Tonight I Said Goodbye marks the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, Tonight I Said Goodbye would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb,

and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated--a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers. Tonight I Said Goodbye is a 2005 Edgar Award Nominee for Best First Novel.

Tyler Perry Janice D. Hamlet,2019-09-25 A career-spanning volume, Tyler Perry: Interviews collects sixteen interviews, ranging from the early 2000s to 2018. Once a destitute and struggling playwright, Tyler Perry (b. 1969) is now a multimedia phenomenon and one of the most lucrative auteurs in Hollywood. Known for his unwavering and audacious rhetorical style, Perry has produced an impressive body of work by rejecting Hollywood's procedures and following his personal template. Featuring mostly African American actors and centering primarily on women, Perry's films lace drama and comedy with Christianity. Despite the skepticism of Hollywood executives who claimed that church-going black people do not go to the movies, Perry achieved critical success with the release of his first film, Diary of a Mad Black Woman, which became the US's highest-grossing movie of 2005. With his movies, Perry has discovered an untapped audience for the stories he has to offer--stories about adversity, faith, family, and redemption. Critics, including African American filmmaker Spike Lee, have censured Perry's work for being repetitive and reinforcing negative stereotypes that have long plagued the African American community. Supporters, however, praise Perry for creating films that allow his audience to see themselves onscreen. Regardless of how his films are received, Perry's accomplishments--establishing the Tyler Perry brand, building one of the largest movie studios in the country, employing more African Americans in front of and behind the camera than any other studio, and creating cinematic content for audiences other filmmakers have ignored--undeniably establish him as one of the most powerful multimedia moguls in the country.

The 2016 Contenders: Rick Perry Stephanie McCrummen,The Washington Post,2015-07-28 Presidential candidates are a breed apart, often propelled by traits that have shaped their careers and have deep roots in personal histories. Often their greatest strength can turn at supernova speed into their greatest weakness. The exact qualities that set them apart from the field trip them up eventually over the long haul of a presidential campaign. Some see former Texas governor Rick Perry as one of the most instinctive retail politicians in the 2016 GOP field. Others see a glib pitchman who must overcome the perception that he's all flash and little substance. Four years after his famous 'oops' incident, can he persuade voters that he's the real deal? In this series of eBooks, The Washington Post is exploring in-depth all these key characteristics of the leading presidential contenders, the very characteristics that could help make one of them the country's next commander in chief--or forever sink their presidential ambitions.

Katy Perry Kimberly Dillon Summers,2012-05-03 This biography reveals the life story, musical style, personality, lyrics, and fashion of Katy Perry--the elements that have catapulted her to stardom and made her a 21st-century pop music icon. Katy Perry: A Biography examines who the young woman behind the hit songs, explicit lyrics, racy album covers, unconventional dress, and sometimes odd behavior really is. Through this nine-chapter narration of Perry's life, readers will gain insight into all stages of her development as a person and as a performer, from her early childhood, to her attempts to break out within the Christian music genre, to her pop music stardom and acting career. The book can be used as both a source of information for an essay or report, and as an easy-to-use guide to find answers to specific questions. It will also be of great interest to any reader who appreciates pop music and wants to know more about Katy Perry--where she came from, who she is today, and the fascinating journey and inspirational tale of her rise to becoming one of the hottest female pop stars of the 21st century.

Fed Up! Rick Perry,2010-11-15 Now, do not misunderstand me, America is great. But we are fed up with being over-taxed and over-regulated. We are tired of being told how much salt to put on our food, what kind of cars we can drive, what kinds of guns we can own, what kind of prayers we are allowed to say and where we can say them, what we are allowed to do to elect political candidates, what kind of energy we can use, what doctor we can see. What kind of nation are we becoming? I fear it's the very kind the Colonists fought against. But perhaps most of all, we are fed up because deep down we know how great America has always been, how many great things the people do in spite of their government, and how great the nation can be in the future if government will just get out of the way. Our fight is clear. We must step up and retake the reins of our government from a Washington establishment that has abused our trust. We must empower states to fight for our beliefs, elect only leaders who are on our team, set out to remind our fellow Americans why liberty is guaranteed in the Constitution, and take concrete steps to take back our country. The American people have never sat idle when liberty's trumpet sounds the call to battle -- and today that battle is for the soul of America.

Rick Perry Brandon Rottinghaus,2024-05-07 How Rick Perry navigated and shaped Texas politics as the state's longest serving governor.

Tyler Perry Michael V. Uschan,2010-08-16 Tyler Perry has been writing plays since the age of eighteen. His popular Madea franchise has grossed over 450 billion dollars worldwide. This informative biography discusses the life of actor, playwright, screenwriter, theater director, film director, television director, film producer, and television producer Tyler Perry. Chapters cover his early years, life in New Orleans, Louisiana, and the evolution of the Tyler Perry Studios in Atlanta, Georgia.

Dream Along with Me and Perry Como Art Vallee,2003

Tyler Perry Janice D. Hamlet,2019-10-15 A career-spanning volume, Tyler Perry: Interviews collects sixteen interviews, ranging from the early 2000s to 2018. Once a destitute and struggling playwright, Tyler Perry (b. 1969) is now a multimedia phenomenon and one of the most lucrative auteurs in Hollywood. Known for his unwavering and audacious rhetorical style, Perry has produced an impressive body of work by rejecting Hollywood's procedures and following his personal template. Featuring

mostly African American actors and centering primarily on women, Perry's films lace drama and comedy with Christianity. Despite the skepticism of Hollywood executives who claimed that church-going black people do not go to the movies, Perry achieved critical success with the release of his first film, *Diary of a Mad Black Woman*, which became the US's highest-grossing movie of 2005. With his movies, Perry has discovered an untapped audience for the stories he has to offer—stories about adversity, faith, family, and redemption. Critics, including African American filmmaker Spike Lee, have censured Perry's work for being repetitive and reinforcing negative stereotypes that have long plagued the African American community. Supporters, however, praise Perry for creating films that allow his audience to see themselves onscreen. Regardless of how his films are received, Perry's accomplishments—establishing the Tyler Perry brand, building one of the largest movie studios in the country, employing more African Americans in front of and behind the camera than any other studio, and creating cinematic content for audiences other filmmakers have ignored—undeniably establish him as one of the most powerful multimedia moguls in the country.

Grace & Guts Shannon Perry, 2018-10-02 A counselor offers Biblical-based, step-by-step solutions to the twelve topics that challenge women the most in their lives. Women are warriors. They fight for their families, their friends, and their faith, but they often lay down their gloves when it comes to caring for themselves. Their opponent comes to “steal, kill, and destroy.” He throws every possible punch to knock them down for the count, but the truth is, victory has been promised when these women find the GUTS to enter the ring and the GRACE to endure the fight. Counselor, speaker, television host, and award-winning author Shannon Perry asked thousands of women at her nationwide conferences, “What areas of life do you struggle with the most?” In *Grace and Guts*, Shannon directly addresses these twelve core topics women identified as their most difficult challenges in life. Offering Biblical guidance along with step-by-step solutions and her trademark humor, Shannon helps women find the courage to strap on their gloves and deliver the knock-out punch to their emotional and spiritual battles, then move fearlessly into the unique plans and purpose God has designed just for them. Praise for *Grace and Guts* “Shannon's insight into the needs of women is a remarkable testament to how much we all struggle with the same things. Shannon helps us see that in the end, God has answers for all our difficulties.”—Rene Gutteridge, author and screenwriter “For every woman who has experienced betrayal, loneliness, uncertainty, anger or Satan's defeat and desires a better way, this book is for you!”—Cheryl Roland, Women's Director, NE Indiana District Church of the Nazarene

Perry Mason and Philosophy Heather L. Rivera, Robert Arp, 2020-09-08 In 1933 the crime writer Erle Stanley Gardner, himself a practicing lawyer, unleashed the character Perry Mason in the novel *The Case of the Velvet Claws*. Perry Mason entered into public consciousness as a new conception of the role of the defense lawyer, so that millions of Americans came to expect every criminal trial to have its “Perry Mason moment.” In the 1950s the Perry Mason TV show had a phenomenal success, and Mason came to be identified with Raymond Burr. Now Perry Mason has again been restored to life in the HBO series starring Matthew Rhys and John Lithgow. Meanwhile, the eighty-two original Erle Stanley Gardner novels continue to sell thousands of copies each week. Perry Mason gave America a new conception of the trial lawyer, as someone who was always loyal to his client and always prepared to use dirty tricks such as misdirection and withholding of evidence to protect the innocent and secure the ends of Justice. The Mason of the novels is less scrupulous than the Raymond Burr Mason, and would sometimes be in danger of going to jail if the trial didn't turn out right—which it always did, largely because of Mason's cleverness. The Perry Mason icon raises many philosophical issues explored by seventeen different philosophers in this book, including: ● Can we defend Paul Drake's claim (*The Case of the Blonde Bonanza*) that Mason is “a paragon of righteous virtue” despite his predilection for skating on thin legal ice? ● Can complex murder cases be solved by facts alone—or do we also need empathy? ● The most convincing way to give a TV episode a surprise ending is by the guilty person suddenly confessing. But in reality, is a confession necessarily so convincing? ● Does Perry Mason represent the Messiah? ● How does the Raymond Burr Perry Mason compare with the more recent TV character Saul Goodman (*Breaking Bad* and *Better Call Saul*)? ● Is it morally okay to mislead the police if this helps your client and your client is innocent? ● How does Perry Mason help us understand the distinction between natural law and positive law? ● Do the Perry Mason stories comply with Aristotle's recipe for a good work of fiction? ● Does life imitate art, when Perry Mason is cited in real-life courtroom arguments? ● How much trickery can be justified by loyalty to one's client? ● Can evidence in murder trials be evaluated by probability theory? ● Perry Mason is officially a lawyer and unofficially a detective. But isn't he really a historian and a psychoanalyst? ● Della Street is a competent legal secretary, but is she something more? ● Mason often says that “Eye-witness testimony is the worst kind of evidence” and occasionally that “Circumstantial evidence is the best evidence we have.” Can these claims be defended?

Don't Make a Black Woman Take Off Her Earrings Tyler Perry, 2007-02-06 View our feature on Tyler Perry's *Don't Make a Black Woman Take Off Her Earrings*. In 2005, Tyler Perry took Hollywood by storm. The movie he wrote, produced, and starred in, *Diary of a Mad Black Woman*, opened number one at the box office and went on to gross more than \$50 million. In its first week on sale, the DVD sold 2.4 million copies. At the same time, Perry was starring nightly across the country in a soldout stage show he'd also written, produced, and scored—*Madea Goes to Jail*—even as another one of his productions, *Meet the Browns*, was touring nationally. Every week in 2005, 35,000 people saw a Tyler Perry production. His second feature film, *Madea's Family Reunion*, opens in theaters in February 2006. Now, this triple-threat actor/playwright/director, has written his first book, and it features his most beloved, most irreverent creation: sixty-eight-year-old grandmother Madea Simmons. Madea is at the center of all of Tyler Perry's work, and she's always unfailingly outspoken, dead-on, and hilarious. But in *Don't Make a Black Woman Take Off Her Earrings*, Madea shares more than she ever has before—about herself, and about what she thinks of everyone around her. The topics inimitably covered by Madea (a term of endearment for Mother Dear) include love and marriage, child-rearing, etiquette and neighborliness, beauty tips, health tips, financial tips, the Bible and the church, and, of course, gun care. She's brazen, feisty, and never at a loss for words, but at the heart of everything she says—and at the heart of all of Perry's work—is a resounding message of faith and forgiveness. Shockingly hilarious, surprisingly moving, and as rousing and inspiring as a great gospel show, *Madea's* words of wisdom, memories, and straight-up in-your-face advice will be cherished by Perry's numerous fans—and it all comes just in time for Mother's Day. Tyler Perry is about to take the publishing world by storm.

Official Gazette of the United States Patent Office USA Patent Office, 1923

In Cold Blood Truman Capote,2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library’s new set of beautifully repackaged hardcover classics by Truman Capote–also available are Breakfast at Tiffany’s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote’s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

Josiah's Alarm, and Abel Perry's Funeral Marietta Holley,2022-07-20 Josiah's Alarm, and Abel Perry's Funeral is a satirical novel by Marietta Holley. It follows the comical exploits in the life of Josiah Allen, his wife and their neighbors as they seek to outdo each other in their possessions. When the lawyer Abel Perry's friend and client dies on a visit to his home, he is overcome by the desire to honor his friend's memory with a monument. Against Josiah and his wife's advice he proceeds with his plan. But is it really the wisest use of the late man's estate...

This Is Just Exactly Like You Drew Perry,2010-04-01 Richly imagined, beautifully written, and completely absorbing. I found myself spellbound, turning pages well past my bedtime. What a fine, fine book. -Tim O'Brien After Jack Lang impulsively buys the house directly across the street from his own, his wife, Beth, has finally had enough. She leaves him- and their six-year-old autistic son, Hendrick-for Jack's best friend, Terry Canavan. Jack tries telling everyone he's okay, but even he's not so sure. When Hendrick, who rarely talks, starts speaking in fluent Spanish, Jack knows he's in uncharted territory. But once Canavan's ex- girlfriend Rena turns up at his door to see how things are going, Jack begins to suspect the world could be far more complicated than he'd ever believed. Set against a landscape of defunct putt-putt courses and karaoke bars, parenthood and infidelity, This Is Just Exactly Like You is a wise and witty debut novel with captivating insights into marriage, autism, suburban fiasco, and life's occasional miracles.

Says Perry Introduction

In the digital age, access to information has become easier than ever before. The ability to download Says Perry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Says Perry has opened up a world of possibilities. Downloading Says Perry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Says Perry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Says Perry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Says Perry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Says Perry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Says Perry has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Says Perry Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make

sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Says Perry is one of the best book in our library for free trial. We provide copy of Says Perry in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Says Perry. Where to download Says Perry online for free? Are you looking for Says Perry PDF? This is definitely going to save you time and cash in something you should think about.
