Recommendations on the Transport of Dangerous Goods United Nations, 2020-01-06 The Manual of Tests and Criteria contains criteria, test methods and procedures to be used for classification of dangerous goods according to the provisions of Parts 2 and 3 of the United Nations Recommendations on the Transport of Dangerous Goods, Model Regulations, as well as of chemicals presenting physical hazards according to the Globally Harmonized System of Classification and Labelling of Chemicals (GHS). As a consequence, it supplements also national or international regulations which are derived from the United Nations Recommendations on the Transport of Dangerous Goods or the GHS. At its ninth session (7 December 2018), the Committee adopted a set of amendments to the sixth revised edition of the Manual as amended by Amendment 1. This seventh revised edition takes account of these amendments. In addition, noting that the work to facilitate the use of the Manual in the context of the GHS had been completed, the Committee considered that the reference to the Recommendations on the Transport of Dangerous Goods in the title of the Manual was no longer appropriate, and decided that from now on, the Manual should be entitled Manual of Tests and Criteria.

book in New York Times bestselling author Michael Ian Black and celebrated illustrator Debbie Ridpath Ohi's series about feelings—and why they're good, even when they feel bad. Potato is worried. About everything. Because anything might happen. When he tells his friends, he expects them to comfort him by saying that everything will be okay. Except they don't. The Anti-Cool Girl Rosie Waterland, 2015-09-01  
Brutal, brave, hilarious -- a full-frontal memoir about surviving the very worst that life can throw at you. Rosie Waterland has never been cool. Growing up in housing commission, Rosie was cursed with a near perfect, beautiful older sister who dressed like Mariah Carey on a Best & Less budget while Rosie was still struggling with various toilet mishaps. She soon realised that she was the Doug Pitt to her sister's Brad, and that cool was not going to be her currency in this life. But that was only one of the problems Rosie faced. With two addicts for parents, she grew up amidst rehab stays, AA meetings, overdoses, narrow escapes from drug dealers and a merry-go-round of dodgy boyfriends in her mother's life. Rosie watched as her dad passed out/was arrested/vomited, and had to talk her mum out of killing herself. As an adult, trying to come to grips with her less than conventional childhood, Rosie navigated her way through eating disorders, nude acting roles, mental health issues and awkward Tinder dates. Then she had an epiphany: to

stop pretending to be who she wasn't and embrace her true self -- a girl who loved drinking wine in her underpants on Sunday nights -- and become an Anti-Cool Girl. An irrepressible, blackly comic memoir, Rosie Waterland's story is a clarion call for Anti-Cool Girls everywhere. 'Individual, wounded, brilliant and hilarious' Sydney Morning Herald 'If Augusten Burroughs and Lena Dunham abandoned their child in an Australian housing estate, she'd write this heartbreaking, hilarious book. It made me laugh uproariously, then feel terrible for her, then laugh all over again. Sorry, Rosie.' Dominic Knight, The Chaser 'Hilarious, wise, gutsy, clear-eyed, devastating and uplifting. It's a marvel.' Richard Glover The Anti Cool Girl was shortlisted for the 2016 Indie Book Awards and for the 2016 ABIA Awards for Biography of the Year, and in addition was the Winner of the 2016 ABIA Awards People's Choice for the Matt Richell Award for New Writer of the Year
