Silver Lining Journal Shreya Badonia,2017-12-02 Silver Lining Journal is a self-explanatory journal which is designed to help you find yourself through a series of prompts to bring a positive change in your life. How well do you know yourself?What do you want from your life?This journal will help you answer the arduous questions about life. Every chapter in the journal contains a principle which can leverage readers to attain a prosperous and mindful life. It includes a planner and chart where you can write about your goals and plan your future because people don't plan to fail but fail to plan.

Towards a Knowledge-based Economy United Nations. Economic Commission for Europe,2002 This is part of a series of reports on developments in transitional economies regarding the knowledge-based economy. This term involves a number of different aspects in terms of the digital and networked economies including the growth of ICT, telecommunications and networking, as well as wider socio-economic impacts of the information society.

Atlas of Echocardiography Scott D. Solomon,2008-12-15 The second edition of the Atlas of Echocardiography is a complete reference for cardiology professionals who rely on echocardiographic imaging techniques. The Atlas represents the collective effort of over 30 leading authorities in the field of cardiology working together to compile the most up-to-date and pertinent information in the field of echocardiography. All areas of echocardiography are covered, from diagnostic basics to cutting edge techniques, such as three-dimensional imaging, contrast imaging, and tissue Doppler imaging. Each figure is accompanied by an informative legend that fully explains the image and its importance. This striking, four color atlas serves as both a resource and a reference and is an invaluable tool to all readers, including cardiologists, non-cardiologist physicians, and sonographers.

GUI Design Shan ben tu shu,2015 As technology has rapidly advanced, so too has the way we use and interact with it. Gone are the days of flat black backgrounds dotted with blocky green text; now, users expect a massive range of colors, layouts, and fonts to be used to entertain and assist them in their daily lives. GUI Design assembles the best of recent graphic user interface for a collection that provides practical encouragement for those new to the world as well as inspiration for experienced designers. The book gathers Twitters Vine video creation app for Windows phones, the vulgar-yetamusing Authentic Weather app, an application designed to help tourists follow the physical and ideological path of the Iron Curtain, and more to showcase programs that balance information flow with user experiences and highlight the creativity, inspiration, and expressive techniques used in their design. The projects within demonstrate the increasingly significant role of user interfaces in both design and our everyday lives in the modern world.

Fast Times in Palestine Pamela j. Olson,2013-03-12 For much of her life—like many Westerners—most of what Pamela Olson knew of the Middle East was informed by headlines and stereotypes. But when she traveled to Palestine in 2003, she found herself thrown with dizzying speed into the realities of Palestinian life. Fast Times in Palestine is Olson's powerful, deeply moving account of life in Palestine-both the daily events that are universal to us all (house parties, concerts, barbecues, and weddings) as well as the violence, trauma, and political tensions that are particular to the country. From idyllic olive groves to Palestinian beer gardens, from Passover in Tel Aviv to Ramadan in a Hamas village, readers will find Olson's narrative both suspenseful and discerning. Her irresistible story offers a multi-faceted understanding of the Palestinian perspective on the Israel-Palestine conflict, filling a gap in the West's understanding of the difficult relationship between the two nations. At turns funny, shocking, and galvanizing, Fast Times in Palestine is a gripping narrative that challenges our ways of thinking-not only about the Middle East, but about human nature, cultural identity, and our place in the world.
