Scoreboard, Baby Ken Armstrong,Nick Perry,2010-01-01 Now, in Scoreboard, Baby, Armstrong and Perry go behind the scenes of the Huskies' Cinderella story to reveal a timeless morality tale about the price of obsession, the creep of fanaticism, and the ways in which a community can lose even when its team wins. The authors unearth the true story from firsthand interviews and thousands of pages of documents: the forensic report on a bloody fingerprint; the notes of a detective investigating allegations of rape; confidential memoranda of prosecutors; and the criminal records of the dozen-plus players arrested that year with scant mention in the newspapers and minimal consequences in the courts. The statement of a judge, sentencing one player to thirty days in jail, says it all: to be served after football season.

Scoreboard Soccer David Baird,2022-02-01 Scoreboard Soccer develops players through play and praise. The Scoreboard Soccer concept derives from the belief that the environment created for players will influence the behaviors they will practice and refine over time. This book presents the fun, inclusive, and nurturing environments which can be used to develop young players' skills. When participating in a Scoreboard Soccer game, players will work in an environment that creates realistic game situations. The constantly changing scenarios support technique development, decision making, and problem solving. In these scenarios, the players have the opportunity to work on skills such as passing, dribbling, shooting, and tackling—all those skills coaches wish to develop in young players. What sets the Scoreboard Soccer concept apart from traditional training methods is the added incentive for players to demonstrate these positive behaviors: the scoreboard. The scoreboard is a fun challenge that can be used to encourage and reward player effort and involvement within the game. This book details the Scoreboard Soccer concept, coaching, and content. Also provided is a complete Scoreboard Soccer curriculum which can be used as a longer-term development plan. All coaches of young players need Scoreboard Soccer on their shelves!

Losers Mary Pilon,Louisa Thomas,2020-08-18 “It's easy to do anything in victory. It's in defeat that a man reveals himself.” —Floyd Patterson Twenty-two notable writers—including Bob Sullivan, Abby Ellin, Mike Pesca, Sir Arthur Conan Doyle, Louisa Hall, and Gay Talese—examine the untold stories of the losers, and in doing so reveal something raw and significant about what it means to be human The locker rooms of winning teams are crowded with coaches, family, and fans. Reporters flock to the athletes, brimming with victory and celebration, to ask, How does it feel? In contrast, the locker rooms of the losing teams are quiet and awkward, and reporters tend to leave quickly, reluctant to linger too long around loss. But, as sports journalists Mary Pilon and Louisa Thomas argue, losing is not a phenomenon to be overlooked, and in Losers, they have called upon novelists, reporters, and athletes to consider what it means to lose. From the Olympic gymnast who was forced to surrender her spot to another teammate, to the legacy of Bill Buckner's tenth-inning error in the 1986 World Series, to LeBron James's losing record in the NBA Finals, these essays range from humorous to somber, but all are united by their focus on defeat. Interweaving fourteen completely new and unpublished pieces alongside beloved classics of the genre, Losers turns the art of sports writing on its head and proves that there is inspiration to be found in stories of risk, resilience, and getting up after you've been knocked down.

Chester Chester Farrow,2019-12-06 Chester: No Limits is the amazing story of Chester Farrow, the innovative Bay Area high school teacher who for decades ran the scoreboard for the Oakland As baseball team. For twenty-five years, electronics teacher Farrow produced the cable TV show Just for You, written, hosted, and helmed by his students at Monte Vista high school in Danville California. To finance their in-school production facility, Rainbow Studio, Farrow and his kids produced an impressive series of rock concerts, including Journey, Huey Lewis, and Greg Kihn. For over fifty years, Farrow was the scoreboard operator for Oakland As, working with the team as they won several World Series in the 1970s and 80s and interacting with some of the most legendary players and executives in baseball history.
