To Kill a Mockingbird Harper Lee,2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

The Histories Book 7: Polymnia Herodotus,2015-08-24 Herodotus was an ancient Greek historian who lived in the fifth century BC (c.484 - 425 BC). He has been called the Father of History, and was the first historian known to collect his materials systematically, test their accuracy to a certain extent and arrange them in a well-constructed and vivid narrative. The Histories-his masterpiece and the only work he is known to have produced-is a record of his inquiry, being an investigation of the origins of the Greco-Persian Wars and including a wealth of geographical and ethnographical information. The Histories, were divided into nine books, named after the nine Muses: the Muse of History, Clio, representing the first book, then Euterpe, Thaleia, Melpomene, Terpsichore, Erato, Polymnia, Ourania and Calliope for books 2 to 9, respectively.

The Old Pro Turkey Hunter Gene Nunnery,2018-10-15 During his life, Gene Nunnery was recognized as a master turkey hunter and an artisan who crafted unique, almost irresistible turkey calls. In *The Old Pro Turkey Hunter*, the vaunted sportsman shares over fifty years of personal experience in Mississippi and surrounding states, along with the decades-old wisdom of the huntsmen who taught him. Throughout the book, his stories make clear that turkey hunting is more than just killing the bird--it is about matching wits with a wild and savvy adversary. As Nunnery explains, To me that's what it's all about: finding a wise old gobbler who will test your skill as a turkey hunter. Through his stories, Nunnery reveals that the true reward for successful turkey hunting lies in winning the contest, not necessarily exterminating the foe. Real sportsmen know that every now and then the turkey should and will elude the hunter. As Nunnery looks back on his extensive career, he analyzes vast differences in practice, old and new. The shift, he decides, came during his last twenty years on the hunt, and that difference has only increased in the decades since this book was originally published. Michael O. Giles,

Bass Pro staff team member, master turkey hunter, and award-winning outdoors writer and author of *Passion of the Wild*, writes a new foreword that brings the practice of turkey hunting into the present day. Filled with a tested mixture of common sense and specific examples of how master turkey hunters honor their harvest and heritage, *The Old Pro Turkey Hunter* is the perfect companion for the novice or the adept.

Sisters First Jenna Bush Hager, Barbara Pierce Bush, 2017-10-24 The former first daughters share intimate stories and reflections from the Texas countryside to the storied halls of the White House and beyond. Born into a political dynasty, Jenna and Barbara Bush grew up in the public eye. As small children, they watched their grandfather become president; just twelve years later they stood by their father's side when he took the same oath. They spent their college years watched over by Secret Service agents and became fodder for the tabloids, with teenage mistakes making national headlines. But the tabloids didn't tell the whole story. In *Sisters First*, Jenna and Barbara take readers on a revealing, thoughtful, and deeply personal tour behind the scenes of their lives, as they share stories about their family, their unexpected adventures, their loves and losses, and the sisterly bond that means everything to them.
