Strategies to Support Struggling Adolescent Readers, Grades 6-12 Katherine S. McKnight, Lisa Hollihan Allen, 2018-03-02 When students are in elementary school, a teacher who has expertise in teaching the fundamentals of reading instructs them. At the middle and high school level that stops – and the timing could not be worse. The literacy demands increase exponentially, yet typically schools do not teach adolescents how to successfully read the increasingly difficult materials they encounter throughout their day. As the rigor increases in their classes, student coping skills become less effective. Consequently, the achievement gap becomes wider and more difficult to close during the adolescent years. When it comes time to prescribe an intervention, middle and high school teachers are hitting a wall. Decoding and comprehension materials are often presented at an elementary level. The students feel bad enough that they struggle with reading; assigned ‘baby work’ increases the stigma. This book addresses the need for 6-12 teachers to have appropriate literacy intervention materials to use with struggling adolescent readers. This book will also help teachers learn how to support any adolescent reader—struggling or not—when they encounter challenging text. The book features two strands: decoding and comprehension. Each strand contains lessons, materials, a difficulty dial, tips for implementation and student samples.

Scrambled and Colored Eggs Ed Zuber, 2010-10 Ed Zuber is the originator of Modern Free-Form Art. This book is based on his memories as well as a long-kept journal. It documents his experiences in life; from the formative years, watching his grandpa hand-carve elegant scarabs from pieces of ebony and ivory; to his role in creation of the City of Seattle's Homeless Artist's Workshop. Along the way, we are treated with stories from periods Mr. Zuber spent as a member of the U.S. Navy, the U.S. Merchant Marine and VISTA. Journal entries from Ed's wilder side relate experiences from his biker days and how he became the original Easy Rider. Ed Zuber has completed and compiled three other books containing over 700 pieces of his Modern Free-Form Art including wood and stone sculpture, as well as drawings and paintings. Two of the books are filled with his Modern Free-Form Cyber Art paintings. Please watch for announcements of publication and release dates for these upcoming books by visiting the author's portfolio webpage: <http://www.cyberfreeformart.com>.

Local Girls Caroline Zancan, 2015-06-30 Named one of the summer's best books by People, Glamour, The Huffington Post, and Pure Wow Publishers Weekly Book of the Week Named one of Refinery 29's "21 New Authors to Watch" in 2015 The first person to break your heart isn't always your boyfriend. Sometimes it's your best friend. Maggie, Lindsey, and Nina have been friends for most of their lives. The girls grew up together in a dead-end Florida town on the outskirts of Orlando, and the love and loyalty they have for one another have been their only constants. Now nineteen and restless, the girls spend empty summer days bouncing between unfulfilling jobs, the beach, and their favorite local bar, The Shamrock. It's there that a chance encounter with a movie star on the last night of his life changes everything. Passing through Orlando, Sam Decker comes to The Shamrock seeking anonymity, but finds Maggie, Lindsey, and Nina instead. Obsessed with celebrity magazines that allow them a taste of the better lives they might have had, the girls revel in his company. But the appearance of Lila, the estranged former member of the girls' group, turns the focus to their shared history, bringing all their old antagonisms to the surface—Lila's defection to Orlando's country club school when her father came into some money, and the strange, enchanting boy she brought into their circle, who fundamentally altered dynamics that had been in play for years. By the night's end, the escalation of these long-buried issues forces them to see one another as the women they are now instead of the girls they used to be. With an uncanny eye for the raw edges of what it means to be a girl and a heartfelt sense of the intensity of early friendship, *Local Girls* is a look at both the profound role celebrity plays in our culture, and how the people we know as girls end up changing the course of our lives.

Scrambled Feet John Driver, Jeffrey Haddow, 1980 This intimate musical revue is a zany, hilarious spoof dedicated to satirizing every conceivable aspect of show business. Among the many skits are a pointed parody of theatre party ladies, a wrestling match between the Elephant Man and the paraplegic hero of *Whose Life Is It Anyway?*, the traumas of a suburban couple getting to and going from the theater, a madrigal on the popularity of British plays and performers, and takeoffs on critics and Joseph Papp and his Public Theatre. It's

a perfect show for anyone involved with the theatre.
