*The King's Stilts: Read & Listen Edition* Dr. Seuss, 2013-10-22 One of Dr. Seuss's earliest works, *The King's Stilts* shows how important it is to both work hard and play hard. In the Kingdom of Binn, King Birtram works very hard, up at five every morning to ensure the kingdom is running smoothly. But at five o'clock in the afternoon, the workday ends and it's time to play . . . and in the case of King Birtram, that means racing around town on a pair of red stilts! But sour old Lord Droon doesn't think that this kind of fun is befitting Binn's king, and he steals the beloved

stilts. Missing the stilts, King Birtram cannot have fun. In his sadness, the king doesn't notice that Binn is in danger: the Dike Trees that hold back the sea are being destroyed by the evil Nizzards. Can young Eric the page boy outsmart the dreary Droon and save the day? This Read & Listen edition contains audio narration.

An Edible Mosaic Faith Gorsky, 2012-11-06 Create a culinary mosaic with this Middle Eastern cookbook! When Faith Gorsky married her Syrian husband, she was introduced to a cultural and culinary world that would forever change how she experienced food and cooking. Gorsky's mother-in-law took her under her wing, and in 6 months gave her a thorough course in Middle Eastern cooking that became the basis for her popular website, An Edible Mosaic—and now this book. The growth and success of her website and her growing interest in dishes from the Middle East led to even more trips to the area, where she deepened her knowledge of the food and acquired more recipes to cook and share with her husband and the online community. In this Syrian cookbook, Gorsky shares her favorite recipes from throughout the region: Lamb or Beef Kebab, Several Ways (Mashawi) Creamy Chickpea and Yogurt Casserole (Fetteh) Parsley Salad with Bulgur Wheat (Tabbouleh) Sumac-Spiced Chicken (Musakhan) Pan Seared White Cheese And 75 more, paired with 175 color photographs Her love for the cuisine of her husband's homeland comes across in her enthusiasm for putting together these Syrian recipes, and in the awareness that Middle Eastern cooking is more than just a means of sustenance—it lies at the epicenter of gatherings with family and friends.

Egg Michael Ruhlman, 2014-04-08 In this innovative cookbook, James Beard award-winning author Michael Ruhlman explains why the egg is the key to the craft of cooking. For culinary visionary Michael Ruhlman, the question is not whether the chicken or the egg came first, it's how anything could be accomplished in the kitchen without the magic of the common egg. He starts with perfect poached and scrambled eggs and builds up to brioche and Italian meringue. Along the way readers learn to make their own mayonnaise, pasta, custards, quiches, cakes, and other preparations that rely fundamentally on the hidden powers of the egg. A unique framework for the book is provided in Ruhlman's egg flowchart, which starts with the whole egg at the top and branches out to describe its many uses and preparations -- boiled, pressure-cooked, poached, fried, coddled, separated, worked into batters and doughs, and more. A removable illustrated flowchart is included with this book. Nearly 100 recipes are grouped by

technique and range from simple (Egg Salad with Tarragon and Chives) to sophisticated (nougat). Dozens of step-by-step photographs guide the home cook through this remarkable culinary journey.

**Big Bad Breakfast** John Currence, 2016-09-13 From the James Beard Award winner, Top Chef Masters contestant, and acclaimed author comes this fun, festive, and highly caffeinated ode to the joys and rituals of the Southern breakfast, with over 125 recipes inspired by the author's popular restaurant in Oxford, Mississippi. John Currence is one of the most celebrated and well-loved chefs in the South. Among his string of highly successful restaurants in Oxford, Mississippi, Big Bad Breakfast holds a special place in diners' hearts: It is a gathering place where people from all walks come together to share the most important meal of the day, breakfast. Southerners know how to do breakfast right, and Currence has elevated it to an artform: dishes like Banana-Pecan Coffee Cake, Spicy Boudin and Poached Eggs, and Oyster Pot Pie are comforting, soulful, and packed with real Southern flavor. Big Bad Breakfast is full of delicious recipes that will make the day ahead that much better--not to mention stories of the wonderful characters who fill the restaurant every morning, and a meditation on why the Southern breakfast is one of America's most valuable culinary contributions.
