Scrambled Neil Sturomski,2015-11-24 SCRAMBLED exemplifies the struggles faced by many individuals with learning disabilities. Its main character - Matt Walsh - is a twenty-something adult whose learning disability is the root cause of persistent angst, frustration and turmoil as he tries desperately to achieve, to succeed both in his career - and in his personal life. The novel attempts to describe Matt's inner-most thoughts as he works to better himself and overcome his skill deficits. His anxiety - and life's common distractions - often get the better of him as he strives to move up the ladder toward career security. In addition to coping with his work-related issues, Matt has fallen in love with Sarah - a beautiful and talented woman with a budding medical career. She is fully aware of Matt's learning issues, loves him for his perseverance and his innate talents, and supports his desire and efforts at improvement. But, Matt's love for Sarah causes him additional anxiety. He needlessly worries that he can't meet her expectations. And he fears moving forward with her until he can provide financially for her and the family they both want. The pages of SCRAMBLED will show you how Matt perseverates on his difficulties. You'll meet individuals who play a role in Matt's life, realize the opportunities they present, and learn how Matt reacts to them. You'll see how his strength of will helps him succeed and how his fears almost undo all of his hard work. And you'll see how his intense love for Sarah both energizes and nearly paralyzes him. In the end, does Matt truly succeed? Is he able to gain control over his learning, his career, his personal life? These questions, and more, are all answered in SCRAMBLED.

Scrambled eggs are forgiving, like poetry. Aspentera understands that healing is never linear and that we owe ourselves forgiveness, even when it seems impossible. In a debut collection of poems, Aspentera shares reflections that address trauma, love, the overwhelming intensity that accompanies having a soul mate, and the exhausting focus to recover after heartbreak. While candidly exploring the emotions that can accompany varied life experiences, Aspentera reminds all of us that words can become the missing puzzle pieces that put our lives back together again, that healing eventually comes with time, mindfulness, and self-love, and that new dreams are always waiting in the wings to transform our lives once again. Scrambled Eggs on Paper is a volume of free verse that reflects on a young woman’s journey through life, love, heartache, forgiveness, and healing.

*The King's Stilts: Read & Listen Edition* Dr. Seuss,2013-10-22 One of Dr. Seuss's earliest works, The King's Stilts shows how important it is to both work hard and play hard. In the Kingdom of Binn, King Birtram works very hard, up at five every morning to ensure the kingdom is running smoothly. But at five o'clock in the afternoon, the workday ends and it's time to play . . . and in the case of King Birtram, that means racing around town on a pair of red stilts! But sour old Lord Droon doesn't think that this kind of fun is befitting Binn's king, and he steals the beloved stilts. Missing the stilts, King Birtram cannot have fun. In his sadness, the king doesn't notice that Binn is in danger: the Dike Trees that hold back the sea are being destroyed by the evil Nizzards. Can young Eric the page boy outsmart the dreary Droon and save the day? This Read & Listen edition contains audio narration.
