Don't Unplug Chris Dancy, 2018-09-18 Chris Dancy, the world's most connected person, inspires readers with practical advice to live a happier and healthier life using technology In 2002, Chris Dancy was overweight, unemployed, and addicted to technology. He chain-smoked cigarettes, popped pills, and was angry and depressed. But when he discovered that his mother kept a record of almost every detail of his childhood, an idea began to form. Could knowing the status of every aspect of his body and how his lifestyle affected his health help him learn to take care of himself? By harnessing the story of his life, could he learn to harness his own bad habits? With a little tech know-how combined with a healthy dose of reality, every app, sensor, and data point in Dancy's life was turned upside down and examined. Now he's sharing what he knows. That knowledge

includes the fact that changing the color of his credit card helps him to use it less often, and that nostalgia is a trigger for gratitude for him. A modern-day story of rebirth and redemption, Chris' wisdom and insight will show readers how to improve their lives by paying attention to the relationship between how we move, what we eat, who we spend time with, and how it all makes us feel. But Chris has done all the hard work: Don't Unplug shows us how we too can transform our lives.

Consumers who love bread but must avoid gluten have long been at the mercy of mediocre products and high prices. With this timely cookbook, they can have their bread and eat it, too. Acclaimed author Analise Roberts developed these simple, foolproof recipes for the Zojirushi bread machine. Roberts’ outstanding recipes range from simple and satisfying Basic Sandwich Bread to complex and scrumptious Golden Italian Bread with Raisins and Fennel. such as the irresistible Holiday Breakfast Bread. Included are loaves, like Sundried Tomato Roasted Garlic Bread, that contain no eggs or dairy products. Praise for Annalise G. [the] rich but light . . . cake loses nothing from the absence of white flour.” —Gourmet
