**Why Muslim Women and Smartphones** Karen Waltorp, 2020-07-12 Using an assemblage approach to study how Muslim women in Norrebro, Denmark use their phones, Karen Waltorp examines how social media complicates the divide between public and private in relation to a group of people who find this distinction of utmost significance. Building on years of ethnographic fieldwork, Waltorp's ethnography reflects the trust and creativity of her relationships with these women which in turn open up nuanced discussions about both the subject at hand and best practice in conducting anthropological research. Combining rich ethnography with theoretical contextualization, Waltorp's book alternates between ethnography and analysis to illuminate a thoroughly modern community, and reveals the capacity of image-making technology to function as an infrastructure for seeing, thinking and engaging in fieldwork as an anthropologists. Waltorp identifies a series of important issues around anthropological approaches to new media, contributing to new debates around the anthropology of automation, data and self-tracking.

**A Parent's Guide to Snapchat** Axis, 2018-08-01 Why are teens so obsessed with Snapchat? And what do they even do on it? **Raising Children in a Digital Age** Bex Lewis, 2014-02-21 As featured on The Steve Wright Show on Radio 2. Equipping children to thrive and survive in the digital jungle Digital technology, social media, and online gaming are now a universal part of childhood. But are you worried about what your children might be doing online? What they might come across by accident? Or who might try to contact them through Facebook or Twitter? Whether you are a parent, grandparent, teacher, or youth leader, you will want children to get the most out of new technology. But how do you tread the tightrope of keeping them safe online, whilst enabling them to seize and benefit from the wealth of opportunities on offer? Bex Lewis, an expert in social media and digital innovation, has written a much-needed and timely book full of sound research, practical tips, and realistic advice on how to keep children safe online. She puts the Internet scare stories and distorted statistics into context and offers clear and sensible guidelines to help children thrive in the digital jungle. Media coverage includes: BBC Radio 2: The Steve Wright Show, BBC Radio Tees, BBC Radio Newcastle, ITV Tyne Tees television, Real Radio, Sun FM, The Durham Times, The Northern Echo, The Sunderland Echo, Premier Radio.

**iRules** Janell Hofmann, 2014-05-06 Tech enlightenment and empowerment for parents so they can create iRules contracts for their own families As Janell Burley Hofmann, mother of five, wrapped her thirteen-year-old's iPhone on Christmas Eve, she was overwhelmed by questions: Will my children learn to sit and wonder without Googling? Should I know their password for online accounts? Will they experience the value of personal connection without technology? To address her concerns, she outlined boundaries and expectations in a contract for her son to sign upon receiving his first cell phone. When Hofmann's editor at the Huffington Post posted the contract, now known as iRules, it resonated on a massive scale and went viral, resulting in a tsunami of media coverage and requests. It quickly became apparent that people across the country were hungry for more. In iRules, Hofmann provides families with the tools they need to find a balance between technology and human interaction through a philosophy she calls Slow Tech Parenting. In the book, she educates parents about the online culture tweens and teens

enter the minute they go online, exploring issues like cyberbullying, friend fail, and sexting, as well as help parents create and modify their own iRules contract to fit their families needs.iRules will also help parents figure out when to unplug and how to stay in sync with the changing world of technology, while teaching teach their children self-respect, integrity, and responsibility.

*Cannonball!* Cara Martone,2019-01-04 Cannonball! By: Cara Martone Cannonball! is a fun tale of Jason and Brooke, two children who embark on an unexpected adventure when a normal day of swimming in their pool turns into a journey they never knew was possible! They get to see and learn about new places and at the same time learn what is truly meaningful in life.

*Yes We (Still) Can* Dan Pfeiffer,2018-06-19 From Obama's former communications director and current co-host of Pod Save America comes a colorful account of how politics, the media, and the Internet changed during the Obama presidency and how Democrats can fight back in the Trump era. On November 9th, 2016, Dan Pfeiffer woke up like most of the world wondering WTF just happened. How had Donald Trump won the White House? How was it that a decent and thoughtful president had been succeeded by a buffoonish reality star, and what do we do now? Instead of throwing away his phone and moving to another country (which were his first and second thoughts), Pfeiffer decided to tell this surreal story, recounting how Barack Obama navigated the insane political forces that created Trump, explaining why everyone got 2016 wrong, and offering a path for where Democrats go from here. Pfeiffer was one of Obama's first hires when he decided to run for president, and was at his side through two presidential campaigns and six years in the White House. Using never-before-heard stories and behind-the-scenes anecdotes, *Yes We (Still) Can* examines how Obama succeeded despite Twitter trolls, Fox News (and their fake news), and a Republican Party that lost its collective mind. An irreverent, no-BS take on the crazy politics of our time, *Yes We (Still) Can* is a must-read for everyone who is disturbed by Trump, misses Obama, and is marching, calling, and hoping for a better future for the country.

*Online Dating For Men 101* HowExpert,Adam Glasier,2019-03-19 In a world where it's no longer acceptable besides bars and clubs to tell her she's attractive (at least without being rejected, receiving a sexual harassment lawsuit, and being publicly humiliated), there is only one place left for guys to go that's safe to approach women and where women WANT a man's attention: Online dating. When it comes to online dating, some men love it, while others shun it like a de-masculinizing plague. Online dating has a bad reputation among certain groups of men as being a waste of time or even an excuse to not meet women in the real world. But they have no idea that, with just a few hacks, online dating will save any man from a loveless, sexless existence. Love it or hate it, online dating is here to stay. This is the most comprehensive book on the market for online dating geared specifically toward men. Too many men have tried online dating, only to report that no woman answered their hundreds of messages and the dates they did have didn't end up going anywhere. This book will teach you what every other guy has been doing **WRONG**: - How to maximize your potential attractiveness to women - How to build the best online dating profile - How to send messages to women that **ACTUALLY** get responses - How to talk to women and get them to date you - How to get a one-night-stand from online dating - How to find a long-term relationship with online dating Throughout this book filled with raw experience and humor with a tough edge, you will learn all about the true psychology of women and how to "hack" their hypergamous nature using the techniques and tactics of online dating. Online dating might seem like rejection after rejection, but this book will teach you how to play the numbers game to your advantage and win more easily than every other guy on the web! About the Expert: Adam Glasier holds a PhD in Pickup Lines and is a distinguished professor of Online Dating at the National Pickup Artist Academy, where he wrote his oft-cited thesis on

the Internet Approach—at least he would have if such an institution existed. His online dating career has lasted more than half a decade, and with more than a dozen full-fledged lays under his belt, Glasier is statistically one of the most successful men at finding love and sex from the internet. When he isn't messaging and meeting women with online dating or writing about those experiences, you'll find Adam pumping iron at the gym, building house-related projects, and basically doing everything that normal people do to survive. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

**The Third Door** Alex Banayan, 2018-06-05 FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

**Using Snapcodes with Snapchat** Chris Green, 2016-01-18 Adding Snapchat friends using their Snapcode is super easy! Try it right now on the cover of this book! Just open Snapchat, hold your camera up to the cover of this book, and press and hold on the screen. You can also take a picture of the cover of this book and then choose Add Friends, Add by Snapcode, and choose the cover picture. Snapchat will scan the image and add add people to your Snapchat friends automatically. If you're on your smartphone, you can also take screenshots or screencaps of Snapcodes that you see on your screen and then Add by Snapcode using the screenshot image. There are a few other things to know about using Snapchat's Snapcodes and you'll learn them in this book. You'll learn how to access and save your own Snapcode so that you can share the Snapcode image and use for your Facebook and Twitter profiles.

A Parent's Guide to Understanding Social Media Mark Oestreicher, Adam McLane, 2012-12 With each passing day, teenagers' lives become increasingly intertwined with social media. How can you help your child make wise decisions and remain safe online? How can you stay informed and involved in healthy ways?

School Nursing Janice Selekman, Robin Adair Shannon, Catherine F Yonkaitis, 2019-07-01 Produced in cooperation with the National Association of School Nurses, this text includes comprehensive coverage of the multiple facets of school nursing—from the foundations of practice and the roles and functions of a school nurse through episodic and chronic illness and behavioral issues, to legal issues and leading and managing within school settings. Written and edited by school nurses and pediatric experts, it features real-world-tested, best practices based on evidence and experience. There's content here that you won't find in other books, such as health assessments, individualized health plan development, mental health conditions

including adolescent depression, contemporary legal issues, and current policy statements essential to school nursing.

**In Real Life** Nev Schulman, 2014-09-02 From the host of MTV's #1 show Catfish comes the definitive guide about how to connect with people authentically in today's increasingly digital world. **IN REAL LIFE: Love, Lies & Identity in the Digital Age** As the host of the wildly popular TV series Catfish which investigates online relationships to determine whether they are based on truth or fiction (spoiler: it's almost always fiction). Nev has become the Dr. Drew of online relationships. His clout in this area springs from his own experience with a deceptive online romance, about which he made a critically acclaimed 2010 documentary (also called Catfish). In that film Nev coined the term catfish to refer to someone who creates a false online persona to reel someone into a romantic relationship. The meme spread rapidly. Now Nev brings his expertise to the page, sharing insider secrets about: -what motivates catfish -why people fall for catfish -how you can avoid being deceived -rules for dating -- both online and off -how to connect authentically with others over the internet -how to turn an online relationship into a real-life relationship ...and much, much more. Peppered throughout with Nev's personal stories, this book delves deeply into the complexities of online identity. Nev shows us how our digital lives are affecting our real lives, and provides essential advice about how we should all be living and loving in the era of social media.

**Misrule** Heather Walter, 2022-05-10 Does true love break curses or begin them? The dark sorceress of "Sleeping Beauty" reclaims her story in this sequel to Malice. "Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology."—Booklist (starred review) The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? Book Two of the Malice Duology

**Cat and Nat's Mom Truths** Catherine Belknap, Natalie Telfer, 2019-03-12 THE NATIONAL BESTSELLER Hilarious best friends Cat and Nat created a massive online community of moms by sharing

their ultra-real and just a bit R-rated dispatches from the mom trenches. From what not to eat a few days after giving birth (chicken wings) to the most effective ways to dodge post-partum sex, Cat & Nat's Mom Truths shares everything no one will tell you about having kids. Mixing memoir, humor, and advice, Cat and Nat tell never-before-told stories about the stress, guilt, joy, and laundry (oh the laundry!) of being a mom in their first book. With seven kids between them and millions of fans on social media, they get real about the parts of parenting that somehow don't make the Instagram feed. Sharing their outrageous humor, fearless myth-busting, and genuine comfort on every page, they walk you from pregnancy to the toddler years and beyond. And they dole out ridiculously honest advice, like what you think you need at the hospital when you have your first baby (lip gloss) versus what you actually need (hemorrhoid pillow), and how worried you should really be about germs (less than you are). Fearless crusaders against the perfection myth and all the gluten-free, sugar-free baking it entails, Cat and Nat assure you that you're already doing a great job, making this an essential companion for moms everywhere.

**Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Malice** Heather Walter, 2021-04-13 A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind.

Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology

**Food Photography** Nicole S. Young, 2015-07-16 Do you need help making your food look as delicious as it tastes? Are you a "foodie" hungry for more tantalizing photos of your culinary creations?
