Hartman, 2019-08-13 This fifth edition of a classic and comprehensive resource presents an applied, realistic view of entrepreneurial finance for today's entrepreneurs, completely updated to address the latest trends and technologies. The book provides an integrated set of concepts and applications, drawing from entrepreneurship, finance and accounting, that will prepare aspiring entrepreneurs for the world they will most likely face as they start their new businesses. The contents are designed to follow the life cycle of a new business venture.
