**The Jerusalem Question and Its Resolution** Rûť Lapîdôt, Moshe Hirsch, 1994-05-19 It is a universally accepted truism that Jerusalem is a unique city. It stirs up strong emotions among adherents of various religions as it is the centre of three religions, and it is subject of conflicting national aspirations of two peoples. The diverse attitudes and wishes associated with the city are expressed, inter alia, in certain documents. This collection is meant to present to the reader the most important of these documents. This, it is hoped, will help to understand the difficulties and may assist in the search for solutions. There may be differences of opinion over historical facts and the documents may be subject to differing interpretations. Convenient access to the relevant documents is a prerequisite for any attempt to understand the problem and seek solutions. The collection includes documents concerning the status of Jerusalem from the point of view of Israel's law and administration, as well as documents from the Arab world and from the international sphere. The editors have focused on official documents and in particular on those that have had a practical influence on the status of the city, or are likely to do so in the future. The collection will assist students and scholars who seek to understand the special status of Jerusalem, as well as politicians and diplomats who are responsible for ensuring its welfare and prosperity.

Raw Spirituality Tom Smith, 2014-07-01 Have you ever felt a tension between developing your internal spiritual life and the call to outward service in the world? Those of us who are more naturally activists risk becoming bitter, tired and burned out. Those of us who gravitate toward the contemplative life may struggle to connect our spirituality with the world around us. How do we allow the life of Jesus to flow through our whole bodies into our everyday lives? This book is a result of how Tom Smith held these questions in tension, as Eugene H. Peterson reflects in his foreword: There is a back story here that is helpful in understanding Tom Smith's fierce focus and energetic imagination. He grew up in South Africa during the years of apartheid. . . . He also was aware that the Rwanda genocide took place in a population mostly Christian. He became a pastor in a flourishing South African church and then came to North America. He experienced the temptation to degenerate church into a consumer program. . . . This book is a witness to what takes place when names trump numbers and stories with their accompanying metaphors keep relationships personal and prayerful. Having Jesus in our hearts is not enough. Jesus calls us to a spirituality that involves our everyday actions and interactions with others and extends our sphere of influence. In this raw, honest, whole-life approach to Christian formation, Tom Smith introduces us into a rhythm of life that that brings flourishing to our personal spirituality that then extends to our service in the world.

*Jesus the Nazarene* A. Jordan,2023-04-05 The historical Jesus is as elusive as he is appealing. Everyone wants to find who the man really was. Scholars pour over the pages of the New Testament and apocryphal literature for any clue about his true identity. People have looked in all places for answers--except one. The Talmud contains a powerful counter-narrative to the Christian and scholarly consensus about Jesus. Did Jesus live in the first century BCE? Was he the son of a Roman soldier? Did he perform magic? Why was he executed? These are all questions that the Talmud answers, pointing us closer to knowing who the historical Jesus was and when he lived. Within these pages, you will find a clear presentation of the Talmud's narrative and some of the implications of this narrative for our understanding of Jesus as a Jewish man from Greco-Roman Palestine.

*The Book of Psalms - Complete Bible Commentary Verse by Verse* Matthew Henry,2017-11-13 This is one of the most important biblical commentaries on the book of Psalms. Written by Pastor Matthew Henry, this complete Biblical commentary from the book of Psalms is a precious tool to learn more about the Holy Bible. All 150 Psalms commented, examined and discussed individually with key themes of the passage and illustrating the text. Completely indicated for Biblical Scholarship, Seminars, Sunday Bible School or for personal study or group study.

*Resurrecting Justice* Douglas Harink,2020-09-29 The theme of justice pervades the Bible from Genesis to Revelation. And all Christians agree that justice is important. We often disagree, however, about what justice means, both in Scripture and for us today. Many turn to Old Testament laws, the prophets, and the life of Jesus to find biblical guidance on justice, but few think of searching the letters of Paul. Readers frequently miss a key source, a writing in which justice is actually the central concern: the book of Romans. In *Resurrecting Justice*, theologian Douglas Harink invites readers to rediscover Romans as a treatise on justice. He traces Paul's thinking on this theme through a sequential reading of the book, finding in each passage facets of the gospel's primary claim—that God accomplishes justice in the death and resurrection of Jesus Messiah. By rendering forms of the Greek word *dikaio* as just or justice, Harink emphasizes the inseparability of personal, social, and political uprightness that was clear to Paul but is obscured in modern translations' use of the words righteous and righteousness instead. Throughout this book, Harink includes personal reflection questions and contemporary implications, helping readers connect Paul's teaching to issues in their

world such as church life, politics, power, criminal justice, and violence. Romans demands nothing less than a fundamental rethinking of all things in the light of the gospel. And in Romans the life, death, resurrection, and exaltation of Jesus makes all the difference in how we think about justice. Resurrecting Justice makes clear that the good news of a justice that can come only from God is crucial not only for individual lives but for all peoples and nations of the world.
