Selena Kitt

Yank (Coming of Age New Adult College Romance) Selena Kitt, 2013-12-15 NEW YORK TIMES BESTSELLING and AWARD WINNING AUTHOR SELENA KITT - OVER 2 MILLION BOOKS SOLD! ----- David has been brightening up his gray Surrey, England days with the magazine collection hidden in the shed but when he finds that their American foreign exchange student, Dawn, has discovered his magazines, things really begin to heat up. David's is supposed to be looking for a job, but Dawn has the week off and is determined to work on her tan. Distracted David finds himself increasingly tempted by their seductive foreign exchange student, who makes it very clear what she wants. In spite of the Study Abroad program's strict policy against fraternizing, Dawn's teasing ways slowly break down the barrier between them until they both give in to their lust. But what are they going to do about the feelings that have developed between them in the meantime? NOTE: Previously titled Foreign Exchange, this is a slightly less naughty, but no less sexy re-telling--updated and redressed for your reading pleasure. EXCERPT: David? I woke up with a grunt, hearing my name being hissed from beside the bed. It was dark, but I could make out her outline in the moonlight coming through the window. She was on her hands and knees, crawling toward me. Dawn? I felt her find the bed with a thud. Ow. She whimpered. Christ! I reached for her, groping in the dark. My hand found her arm, helping her up into the bed. What are you doing? Ta, she said, thanking me. I could smell the alcohol on her now. It's a long way when you're legless. Shhhh! I looked toward my door. I was listening for my Mum or Dad but didn't hear them. C'mon, let's get you to bed. That's where I am. She crawled up against me in the dark and pressed me down, snuggling up against my bare chest. Hey, you sleep naked! When did you start that? Since I was fourteen, I whispered. Keep your voice down, Dawn. I am. She kissed my shoulder. You feel good. Okay. I tried to untangle her limbs from mine. You are pretty well lashed, and I think this is a bad idea. C'mon, let's go. Noooo! She slid her bare foot up the inside of my calf. She'd lost her heels somewhere, I noticed, but I could feel the skirt and blouse pressed against me, her body full and warm underneath, flushed from the alcohol. Don't make me go. I think you'd better. I tried to sit, but she was clinging to me too tightly. I'll scream, she whispered into my ear, her breath hot against my neck. You will not. I edged my way out from under her. I heard her intake of breath and knew she really meant to do it. What was wrong with her? Panicked, I rolled onto her, finding her mouth with my hand in the dark and pressing it there, hard. Button it! I hissed, feeling her wiggling and squirming underneath me. Her skirt was riding high up and I felt her bare thighs against mine, her skin like velvet. Unbutton it, she murmured when I moved my hand away from her mouth, her fingers working her blouse from top to bottom between us. The Real Mother Goose Selena Kitt, 2009-03-09 ~*~*~2010 EPIC AWARD FINALIST!~*~*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT: "Peep!" The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?" "No, Mother." The girl looked up from her position, kneeling on the floor, her blue eyes wide. "I penned them before I left, I swear it." Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. "You are a pretty little one," Mother said, lifting the girl's chin

and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know where to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

Heidi and the Kaiser Selena Kitt,2009-12-22 Mousy little Heidi is a wanna-be designer who works as nothing more than a glorified go-fer for one of the largest and most well-known companies in the world of fashion. When she accidentally stains CEO Mr. Kaiser's pants, she gets two things she didn't expect—a spanking...and a job. Kaiser hires her as his assistant, and her “training” proves to be quite a test of surrender.-----Warning: This title contains erotic situations, graphic language, spanking, domination, submission, and an office romance hot enough to leave handprints!.-----~*~*~2011 EPIC AWARD FINALIST~*~*~-----EXCERPT:Heidi took a deep breath, glancing around the office. I've never been anyone's secretary.He shook his head, smiling. Irrelevant. You have what I need.I... do? She met his eyes, her breath coming a little faster as she squirmed in her seat. His eyes were dark, moving over her, and she couldn't help remembering the incident in the bathroom.I need someone who can follow orders. He leaned back in his chair again and she could see the memory of yesterday in his eyes. Who would be willing to do whatever I asked. You showed me yesterday that you are... quite willing.Heidi swallowed, pressing her damp palms to her shorts. I'm not sure I know what you mean?Yes, you do. His eyes were smiling. I compensate very well. You would be my assistant, answering my calls, handing my correspondence and taking care of my professional and personal needs during the day. Would you be interested in such an arrangement?It wasn't the promise of money or the poshness of his office, or even the fact that he was the head of one of the richest fashion companies in the

world -- it was the way he looked at her, with nothing concealed or disguised. His eyes saw directly through her, and there was no smugness in the way it appeared as if he had her figured out, because he had. They both knew it, and there was only one answer she could give him. Yes. She squeezed her hands together, her legs, too. Sir. He gave her a nod. Good. I think we'll both be satisfied with the arrangement. Opening the top drawer of his desk, he withdrew a large white envelope and slid it across the blotter. Heidi didn't know if she should take it or not, so she kept her hands clasped, just looking from him to the envelope. This contains general information about Kaiser, which you have already, of course, since you are essentially already in my employ, he explained. There is also a contract and information about duties as well as your salary and benefits. She nodded, looking at his hand, the buffed, square nails, resting on the stark envelope. Her bottom tingled, remembering how red his palm had been after he spanked her. Shifting in her seat, she crossed one knee over the other, trying to make herself more comfortable with the yearning ache between her legs. If, for some reason, you read those over and change your mind... He nodded toward the envelope. You simply need to tell me, and you will consequently stay in your current position. I can't imagine why I would object. No. He smiled. I don't imagine you will. In spite of the apparent haste of my offer, I actually choose my assistants quite carefully. Standing, he leaned his palms on the desk blotter, his eyes moving down the front of her t-shirt, looking at her hands in her lap. Now, there is just the matter of your tardiness. Her heart leapt and she met his eyes, feeling faint. My... tardiness? Mr. Kaiser reached underneath the desk and Heidi heard the door behind her lock. The sound made her mouth go dry. One of the things that I cannot abide is lateness. He reached down and unbuckled his belt. She felt faint as she watched it slipping through the loops of his pants.
