He has tested thousands of word-combinations and selling points on millions of customers at the point of sale. He knows the selling points and techniques that will achieve results. He knows the ones that will fail. The author shows you how the slight twist of a phrase may make a difference between success and failure in selling a product. He shows you how to go about building up your own selling sentences—your own

sales presentations—and how to test them on the customer. The Magic Room Jeffrey Zaslow, 2011-12-27 The New York Times bestselling journalist and author of *The Girls from Ames*, Jeffrey Zaslow, takes us to a multi-generational family owned small-town bridal shop to explore the emotional lives of women in the 21st century. You may not have heard of Fowler, Michigan, much less Becker's Bridal. But for the thousands of women who have stepped inside, Becker's is the site of some of the most important moments of their lives—moments that speak to us all. Housed in a former bank, the boutique owners transformed the vault into a magic room, with soft church lighting, a circular pedestal, and mirrors that make lifelong dreams come true. Illuminating the poignant aspects of a woman's journey to the altar, *The Magic Room* tells the stories of memorable women on the brink of commitment. Run by the same family for years, Becker's has witnessed transformations in how America views the institution of marriage; some of the shop's clientele are becoming stepmothers, or starting married life for a second time. In *The Girls from Ames*, beloved author Jeffrey Zaslow used friendships to explore the emotional lives of women. In *The Magic Room*, he turns his perceptive eye to weddings and weaves together secrets, memories and family tales to explore the hopes and dreams we have for our daughters.

Root Magic Eden Royce, 2021-01-05 “A poignant, necessary entry into the children’s literary canon, *Root Magic* brings to life the history and culture of Gullah people while highlighting the timeless plight of Black Americans. Add in a fun, magical adventure and you get everything I want in a book!”—Justina Ireland, New York Times bestselling author of *Dread Nation* Debut author Eden Royce arrives with a wondrous story of love, bravery, friendship, and family, filled to the brim with magic great and small. It’s 1963, and things are changing for Jezebel Turner. Her beloved grandmother has just passed away. The local police deputy won’t stop harassing her family. With school integration arriving in South Carolina, Jez and her twin brother, Jay, are about to begin the school year with a bunch of new kids. But the biggest change comes when Jez and Jay turn eleven— and their uncle, Doc, tells them he’s going to train them in rootwork. Jez and Jay have always been fascinated by the African American folk magic that has been the legacy of their family for generations—especially the curious potions and powders Doc and Gran would make for the people on their island. But Jez soon finds out that her family’s true power goes far

beyond small charms and elixirs...and not a moment too soon. Because when evil both natural and supernatural comes to show itself in town, it's going to take every bit of the magic she has inside her to see her through. Walter Dean Myers Honor Award for Outstanding Children's Literature!

First You Write a Sentence Joe Moran,2019-08-13 “Do you want to write clearer, livelier prose? This witty primer will help.” —The New York Times Book Review An exploration of how the most ordinary words can be turned into verbal constellations of extraordinary grace through the art of building sentences The sentence is the common ground where every writer walks. A good sentence can be written (and read) by anyone if we simply give it the gift of our time, and it is as close as most of us will get to making something truly beautiful. Using minimal technical terms and sources ranging from the Bible and Shakespeare to George Orwell and Maggie Nelson, as well as scientific studies of what can best fire the reader's mind, author Joe Moran shows how we can all write in a way that is clear, compelling and alive. Whether dealing with finding the ideal word, building a sentence, or constructing a paragraph, *First You Write a Sentence* informs by light example: much richer than a style guide, it can be read not only for instruction but for pleasure and delight. And along the way, it shows how good writing can help us notice the world, make ourselves known to others, and live more meaningful lives. It's an elegant gem in praise of the English sentence.
