D2C Growth Blueprint Rohit Uttamchandani, 2023-06-06 There are thousands of D2C businesses today. Some scale, but the hard

truth is that most don't. That's because there's a lot that goes into building a D2C brand from the ground up and not all founders or prospective founders may have prior experience in this space. Hence, a lot of them, particularly early-stage, miss out on key things they should be doing, resulting in opportunity loss, costly mistakes and slower growth. In this book, or blueprint (which is what it truly is), you will get a roadmap that will guide you to do the right things with every aspect of building a D2C brand, across product, customer service, supply chain, logistics and growth strategies. Why this blueprint and not any other blog or information on the internet, you may wonder. Well, this blueprint is the brainchild of a growth consultant who has scaled multiple D2C brands from scratch. It distills out the key concepts and actions that would drive the maximum impact and is also structured in a way that would make it easy for any founder to understand and implement. Implementing this blueprint will help you push all the right buttons and accelerate growth instead of spending time and energy trying to reinvent the wheel and figure out what to do. So go ahead and get ready to supercharge your D2C growth today!
