How to SEO - The definitive guide after 10 years of SEO Federico Magni,2019-12-10 This

innovative guide will take you on a journey through SEO (Search Engine Optimization) from A to Z. The text is based on updated examples faithfully reported from the experiences with the 100 sites built by the Italian author Federico Magni, Senior SEO Specialist for about 10 years, and now founder of the SEOProf.it platform. Failures and successes on Google are told by analyzing not only the keyword and link building concepts, but also by focusing on the latest SEO strategies to place your site on search engines for a given keyword. In addition to practical suggestions and a bit of theory, you will find the experiences, the case studies verified in the European market, and the situations experienced by the author during his daily work in SEO, with concrete numbers and data. Written in a very clear and simple way, this SEO course is ideal for those who already know the subject, but also for those who have recently approached it. Recommended for the beginner who wants to start in the best way, but also for those who have a more advanced level and want to improve their skills for a professional growth. It's not a cold reading of false myths, tricks, or outdated content about SEO, but it's a book that gets straight to the point.
