The Bitchy Waiter Darron Cardosa,2016-07-05 Hilarious tales from the trenches of food service from the popular blog—perfect for fans of David Sedaris, Anthony Bourdain, Erma Bombeck and Mo Rocca. For all those disenchanted current and former food service employees, Darron Cardosa (a.k.a. The Bitchy Waiter) has your back. Based on his popular blog, this riotous book is full of waitstaff horror stories—plus heartwarming tales—from three decades in the industry. Cardosa knows you want your beer cold ("You want a cold beer? Thank you for clarifying so I didn't bring you the one that just came out of the oven"). And while he may hate children ("I know the kid at Table Eight is trouble the moment he rolls into the restaurant in his fancy stroller"), he will at least consider owning up to his mistakes: "Do I take the steak from the floor, citing the "three-second rule," and put it in the to-go box and carry it back to the woman?" From crazy customers to out-of-control egos, these acerbic tales offer a hilarious glimpse into what really goes on in that fancy restaurant—and inside the mind of a server. Praise for The Bitchy Waiter "Cardosa does for wait staff what Anthony Bourdain did for kitchens: he exposes the ugly side of food service from the perspective of those working on the front lines. And he puts the potential restaurant customer on notice that someone is watching and recording their bad behavior." —Shelf Awareness

  The Support of God's Ministry Neil M. Phelan,2009-02-26 This book concerns the loving care that churches should exercise toward their pastors, and elders. The financial support of the ministry is a recurring theme in every congregation, just as salaries, and wages are recurring themes in every household. Churches are to love, and care for their God-called men. According to the Bible, it is the pattern that the Lord ordained for His church. In this

book, you are going to meet some very interesting people. You are going to meet the soldier, the vinedresser, the shepherd, the farmer, some priestseven a cow (an ox in that day). All of these biblical characters will be used by the Apostle in a most powerful way to describe Gods men who serve His church so faithfully. You will even meet the hireling! I have had church members ask me what kind of lifestyle a church should provide for their pastor. This book will hopefully answer that question as well as many others that deal with the relationship of churches, and pastors. This book will present a challenge to many. Those who desire to follow this God-ordained pattern will find this book very informative.
