Welcome to the wonderful world of Bustle & Sew and Issue 54 of our monthly magazine packed with

projects, features, articles and much more besides, in fact it's a Jolly Good Read! The Bustle & Sew Magazine is not your average news stand offering and isn't simply devoted to sewing. Rather it's more of a mini-book full of goodies designed to appeal to everyone who loves to create lovely items for home and family. Inside you'll discover a collection of six new Bustle & Sew projects as well as features, articles, a round of online goodies, baking - and even a poetry corner. The Bustle & Sew Magazine is the work of just two women - Helen Dickson, the founder of and creative force behind the Bustle & Sew bunny and her daughter Rosie who joined the team last year! So if you're expecting a glossy high-street, high-budget publication, stuffed with adverts and promotions, then this probably isn't the magazine for you. But if you looking for quirky, unusual and fun sewing projects, all with Helen's unique style, and enjoy filling your home with beautiful ideas, then you're sure to love the Bustle & Sew Magazine. There's a very summery feel to this month's issue - we're off on holiday with our Vintage Holiday Hoops featuring the cutest and prettiest ensemble you've ever seen. My parents were very keen caravanners and we were always off on summer adventures, though our caravan was never as pretty as this applique version. You'll also discover the final softie in my Wind in the Willows inspired series - the Water Rat, a vintage style embroidery featuring a quote from Audrey Hepburn and much more besides. There's lots to read between the covers too - and don't forget, you are free to sell items you personally have made from

Bustle & Sew patterns. All the templates are included at full size, so there's no awkward re-sizing - no fiddling around with photocopiers or hanging around at printing shops - you can start creating straight away! There are images of all the Bustle & Sew projects on the front of the cover so you can see at a glance what's inside. Remember - the Bustle & Sew Magazine is an independent stitching and home magazine that carries no advertising at all - every page is full of content for you to enjoy.
