Wives experience poor sexual satisfaction. Dissatisfaction. Disrespect. Divorce. Infidelity. And other problems arise from the bedroom (unknown to many!) A thriving marriage and family is the backbone of any productive society. God's purpose on Earth depends on healthy and happy families. Sex education in contemporary time is grossly inadequate. We can't keep guiet any longer. Based on the writer's wealth of knowledge and experience as a medical doctor, scientific researcher, sex therapist, and husband, Sexual Mastery uses a proven, step-by-step scientific method and system to address major sexual problems and questions couples face with the goal of taking couples from being poor (and average) lovers to extraordinary lovers! Sex Drive Bella Ellwood-Clayton,2012-03-01 When it comes to women's priorities, is sex on top? Lack of libido is women's most common sexual problem and once in a secure relationship, women's sex drive begins to plummet. Exploring what our libido is

and why it is being depleted, sexual anthropologist Dr Bella Ellwood-Clayton argues that women don't want sex because they don't feel sexy. At a time when women's libidos are being threatened by the wider forces of media, marketing and medication and our increasingly pressured lives, who can blame them? With increasing numbers of women with low libido being diagnosed as 'sexually dysfunctional', the race to create a 'pink Viagra' is on. But do we have unrealistic expectations about our sex drive? Who defines what is normal and abnormal? And could 'low libido' in fact be the natural order of things? Provocative, authoritative and engaging, Sex Drive: In pursuit of female desire is both fascinating reading and a book that is creating passionate debate.

Sex Drive Andy Behrens,2008-10-16 Now a major motion picture! Ian-s best friend, Lance, has a knack for finding both. Unfortunately Ian-s too nice to get close to either. He-s never kissed a girl-or even had a chance-until he meets the perfect girl online. Now only a 935-mile road trip lies between Ian and something that he-s been thinking about roughly every eleven seconds since puberty hit. There-s also the small problem of the Creature, Ian-s ancient yellow Oldsmobile, and its impending collapse on the side of the road. As if that weren-t enough, Lance

and gal pal Felicia crash the ride for what seems to be the sole purpose of taunting Ian. With all these obstacles in the way, will Ian-s drive bring him any closer to what he wants?

When Your Sex Drives Don't Match Sandra Pertot, 2007-02-26 - What libido type are you?: People have different sexual tastes and preferences, which, according to Dr. Sandra Pertot, can be traced to 10 basic libido types--each with a unique set of feelings, desires, and expressions. By learning to recognize them, couples can better understand and work through their sexual conflicts. - A complete guide to a mutually satisfying sexual relationship: Once couples have identified their libido types, Pertot offers useful ways to manage sexual incompatibilities and, in most cases, achieve a mutually satisfying sex life. Her clear advice emphasizes a combination of increased communication, understanding of differences, and building upon previously established aspects of the relationship. - Authoritative information based on more than thirty years of clinical expertise: Pertot was compelled to write this book because in over thirty years of experience counseling couples, she's found that mismatched libidos is one of the most common issues with which couples struggle. She's learned to recognize that most sexual problems are not the result of

complicated psychological or relationship issues, but rather have completely sensible causes that can be identified and worked out.

Reclaiming Desire Andrew Goldstein, Marianne Brandon, 2009-06-09 I'm so busy and tired, how can I find time for sex? How can I go from mommy one minute to passionate lover the next? What medicines or natural herbs can I take to improve my libido? At some point in their lives, most women experience a decline in their sexual desire. Yet despite the vast number of books devoted to sex, surprisingly few focus on the problem of low libido. Fewer still offer any practical advice to the woman who has lost her sex drive and longs to find it again. Reclaiming Desire presents the holistic approach that gynecologist Andrew Goldstein and clinical psychologist Marianne Brandon-co-founders of the Sexual Wellness Center in Annapolis, Maryland-use to successfully treat women with low libido. Capitalizing on their combined medical and psychological expertise, they reveal how a complex set of physical, emotional, intellectual, and spiritual factors-as well as specific lifechanging events such as marriage, pregnancy, childbirth, divorce, and menopause—can affect female sex drive. Reading this book, women will come to understand that low libido isn't all in their heads-or all in their bodies, for that matter. The problem is real

and it's diverse-but it's curable.

Sex Drive STEPHANIE. THEOBALD, 2024-09-03 Arriving in New York with a failing relationship and a body she felt out of touch with, Stephanie Theobald set off on a 3,497 mile trip across America to re-build her orgasm from the ground up. What started as a guest for the ultimate auto-erotic experience became a fantastic voyage into her own body. She takes us from 'body sex' classes with the legendary feminist Betty Dodson to an interview with the former US Surgeon General Joycelyn Elders, who was fired for suggesting that masturbation should be talked about in schools. Along the way, we are immersed in a weird, countercultural America of marijuana farms and 'ecosexual sexologists'. Sex Drive is a memoir about desire and pleasure, merging sexuality and spirituality, eighteenth-century porn and enlightenment philosophy. A new sexual revolution has begun and this time round, it's all about the women.

And Now We Have Everything Meaghan O'Connell,2018-04-10 Selected as One of the Best Books of the Year by: National Public Radio, Esquire, Bustle, Refinery29, Thrillist, Electric Literature, Powell's, Autostraddle, BookRiot, Women.com Smart, funny, and true in all the best ways, this book made me ache with recognition. -- Cheryl Strayed A raw, funny, and fiercely honest account of becoming a mother before feeling like a grown up. When Meaghan O'Connell got accidentally pregnant in her twenties and decided to keep the baby, she realized that the book she needed -- a brutally honest, agenda-free reckoning with the emotional and existential impact of motherhood -- didn't exist. So she decided to write it herself. And Now We Have Everything is O'Connell's exploration of the cataclysmic, impossible-to-prepare-for experience of becoming a mother. With her dark humor and hair-trigger B.S. detector,

O'Connell addresses the pervasive imposter syndrome that comes with unplanned pregnancy, the fantasies of a natural birth experience that erode maternal self-esteem, post-partum body and sex issues, and the fascinating strangeness of stepping into a new, not-yet-comfortable identity. Channeling fears and anxieties that are still taboo and often unspoken, And Now We Have Everything is an unflinchingly frank, funny, and visceral motherhood story for our times, about having a baby and staying, for better or worse, exactly yourself.

Perfectly Normal Sandra Pertot,2005-02-05 A challenge to assumptions about sex in our society confronts the unrealistic expectations that leave many couples disappointed in their love lives, and explores a new view of sex in relationships that allows intimates to stop berating themselves over what they do not have. Original. 30,000 first printing.

The Sex Drive Solution for Women Jennifer Landa, Virginia Hopkins, 2012 Presents advice for women over forty years of age on restoring their sex drive, covering such topics as balancing hormones, overcoming stress and fatigue, improving nutrition, and increasing exercise, with real life examples from the author's patients.

365 Nights Charla Muller,2011-04-04 For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, exactly, but their connection didn't seem as great as it could be. Charla decided that the couple would emabrk on a year of scheduled sex -- falling over toy trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way -- when disasters at work intruded on their home life and when there were questions about the sex itself and faking it. Would physical love -- whether good mediocre or ugly -- make up for things that weren't so good? Charla and her husband had a whole year to find out...

Come as You Are Emily Nagoski,2015-04-09 A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. Come as You Are reveals the true story behind female sexuality, uncovering the little-known

science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal – and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent
