

# Sex Education

Hisham Altalib, AbdulHamid AbuSulayman, Omar Altalib

Sex Education in Schools Kekla Magoon,2010 Examines the issue of sex education in schools.

Talk about Sex Janice M. Irvine,2004 Describes the political transformations, cultural dynamics, and affective rhetorics that together helped ignite the passionate conflicts over sex education on both the national and local levels in the United States.

*A Textbook of Sex Education for Parents and Teachers* Walter Matthew Gallichan,1921

*Too Hot to Handle* Jonathan Zimmerman,2016-09-13 The first comprehensive history of sex education around the world *Too Hot to Handle* is the first truly international history of sex education. As Jonathan Zimmerman shows, the controversial subject began in the West and spread steadily around the world over the past century. As people crossed borders, however, they joined hands to block sex education from most of their classrooms. Examining key players who supported and opposed the sex education movement, Zimmerman takes a close look at one of the most debated and divisive hallmarks of modern schooling. In the early 1900s, the United States pioneered sex education to protect citizens from venereal disease. But the American approach came under fire after World War II from European countries, which valued individual rights and pleasures over social goals and outcomes. In the so-called Third World, sex education developed in response to the deadly crisis of HIV/AIDS. By the early 2000s, nearly every country in the world addressed sex in its official school curriculum. Still, Zimmerman demonstrates that sex education never won a sustained foothold: parents and religious leaders rejected the subject as an intrusion on their authority, while teachers and principals worried that it would undermine their own tenuous powers. Despite the overall liberalization of sexual attitudes, opposition to sex education increased as the century unfolded. Into the present, it remains a subject without a home. *Too Hot to Handle* presents the stormy development and dilemmas of school-based sex education in the modern world.

**When Sex Goes to School: Warring Views on Sex--and Sex Education--Since the Sixties** Kristin Luker,2007-04-17 It is difficult to imagine a juicier subject, or a more thoughtful, fluent, trustworthy guide for its exploration.--San Francisco Chronicle A chronicle of the two decades that noted sociologist Kristin Luker spent following parents in four America communities engaged in a passionate war of ideas and values, *When Sex Goes to School* explores a conflict with stakes that are deceptively simple and painfully personal. For these parents, the question of how their children should be taught about sex cuts far deeper than politics, religion, or even friendship. The drama of this book comes from watching the exceptionally thoughtful Luker try to figure [sex education] out (Judith Shulevitz, New York Times Book Review). In doing so, Luker also traces the origins of sex education from the turn-of-the-century hygienist movement to the marriage-obsessed 1950s and the sexual and gender upheavals of the 1960s. Her unexpected conclusions make it impossible to look at the intersections of the private and the political in the same way.

**Teaching Moral Sex** Kristy L. Slominski,2021 Teaching Moral Sex is the first comprehensive study to focus on the role of religion in the history of public sex education in the United States. It examines religious contributions to national sex education organizations from the late nineteenth century to the early twenty-first century, highlighting issues of public health, public education, family, and the role of the state. It details how public sex education was created through the collaboration of religious sex educators-primarily liberal Protestants, along with some Catholics and Reform Jews-with men of science, namely physicians, biology professors, and social scientists. Slominski argues that the work of early religious sex educators laid foundations for both sides of contemporary controversies regarding comprehensive sexuality education and abstinence-only education. In other words, instead of casting religion as merely an opponent of sex education, this research shows how deeply embedded religion has been in sex education history and how this legacy has shaped terms of current debates. By focusing on religion, this book introduces a new cast of characters into sex education history, including Quaker and Unitarian social purity reformers, the Young Men's Christian Association, military chaplains, the Federal Council of Churches, and the National Council of Churches. These religious sex educators made sex education more acceptable to the public and created the groundwork for recent debates through their strategic combination of progressive and restrictive approaches to sexuality. Their contributions helped to spread sex education and influenced major shifts within the movement, including the mid-century embrace of family life education--

Get Real About Sex Alldred, Pam,David, Miriam,2007-07-01 Up-to-date and accessible, this book manages to be both theoretically subtle and attuned to the realities of classroom practice. Dr Rachel Thomson, The Open University [This] book is a great success and provides a wealth of insights into the realities of teaching and being taught about sex and relationships. Michael Reiss, Institute of Education What are the different values and perspectives on sex and relationship education within a single secondary school? How do young people think sex education should be taught? What are the challenges facing the provision of good sex and relationship education at the classroom level and at the political level? Young people often receive mixed messages about gender and sexual relationships. When providing sex education lessons, schools should take into account different ideas and values, including the general British embarrassment over intimate matters and differing political and personal views about sex education. This book combines young people's views of sex education, schooling and parenthood, with those of teachers, school nurses and head-teachers. It brings together these varied perspectives and considers how they reveal different values, aims and agendas. The authors highlight the potential conflict between approaches to education and health, and reveal the complexity of dealing with sexuality and gender in real-life situations. Focusing on young people's identities in the classroom, contemporary theoretical approaches in the social sciences are employed to explore how gender is enacted and experienced by individuals, and how social pressures and government agendas operate at the level of the individual. This book contains original, first-hand empirical material from a detailed study of all the schools in one English city, and offers a critical analysis of broader political and cultural ideas and values. *Get Real About Sex* is key reading for students and professionals in education, health and the sociology of gender and sexuality.

**Young People's Views on Sex Education** Dr Lynda Measor,Lynda Measor,Katrina Miller,Coralie Tiffin,2012-11-12 Based on observation of sex education programmes and in-depth interviews with young people, the authors aim to understand more about adolescent's attitudes to sexuality and their sexual behaviour in order to develop policies which will meet their needs more appropriately and effectively. Issues covered in this interesting and accessible book include the ways adolescent informal culture affects sex education programmes and practice; the impact of gender inequality on sex education and safer sex behaviours; legislation and policy frameworks which effect sex education policies; the way young people see legislation and evaluate sex education programmes; and the impact health professionals can have in

school sex education. The authors contend that the insights into the values and views that young people bring to bear on the sex education they receive should have an important role to play in the development of policy and practice of those involved in sex education work.

The Complete book of Sex Education Dr. Rajan Bhonsle, M.D., Dr. Minnu Bhonsle, Ph.D., 2016-08-17 A handbook for sex education that is VALUE BASED • CULTURE-SPECIFIC • AGE APPROPRIATE The Complete book of Sex Education is a complete source book for value-based, culture-specific and age-appropriate education in human sexuality. It discusses social, behavioral, relational, emotional and even legal aspects of human sexuality. It is meant for the reference of adult sex-educators such as parents, teachers, doctors, counsellors, psychologists and social workers. Adult individuals and couples who seek to educate themselves can also refer to this book. Great care has been taken to respect the sensibilities of all communities, groups and schools of thought in India; and to make it culture-specific yet contemporary, without compromising on the scientific accuracy of the subject. Dr. Rajan Bhonsle is Professor and HOD, Sexual Medicine, at KEM Hospital and Seth GS Medical College, Mumbai and Dean of the Institute of Human Technology. He is the founder of India's first full-fledged pre-marriage counselling centre. Author of many books on sex education, he is also a prolific columnist for leading newspapers and magazines. Dr. Minnu Bhonsle is a consulting psychotherapist and counsellor at the Heart To Heart Counselling Centre, Mumbai. She is an international trainer in Client Centered Therapy and Rational Emotive Behavior Therapy and has trained thousands of professionals worldwide. She is a columnist and feature writer for prominent publications and Internet sites, writing on psycho-social and relationship issues.

**Sex Education: A Guide To Life - The Official Netflix Show Companion** Sex Education, 2021-10-14 The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Binged all of Sex Education Season 3 and missing Moordale already? Well, unlikely educator Otis Milburn and his beloved friends are back in this frank, funny and 100% official guide to life. With insight from your favourite characters, tips, takeaways and some enlightening diagrams, the guide covers everything you need to know - from understanding your anatomy, feeling confident about how you look and rejecting shame, to consent, sexuality and the minefield that is modern love. Both a perfect companion to the show and practical guide to navigating the real world, this guide answers all the questions we are too scared to ask, in the show's uniquely hilarious, fun and yet sensitive language that we have come to know and love. So dive in, and start talking, shouting and maybe even screaming about s-e-x! This book has been checked by experts including doctors, sex therapists and more. Recommended age 14+

*Sexuality Education* Clint E. Bruess, Jerrold S. Greenberg, 2004 Sexuality Education: Theory and Practice, Fourth Edition is designed to prepare future sexuality educators and administrators, as well as seasoned teachers about sexuality and also aims to clarify the false assumptions related to sexuality education. This one-of-a-kind resource provides comprehensive coverage of information and issues related to sexuality education and the skills needed to prepare sexuality educators.

**Sexuality Education 101** Antonio N. Torralba, Chelina DL Gutierrez, Lora Tan-Garcia, BOOK 1: INTRODUCTORY VOLUME CHARACTER EDUCATION is a fundamental base of any education program that strives to improve the lives of the young. This introductory book, and its subsequent 12-part series, is a character-based sexuality education material for young people, ages 11 to 18, from Grades 5 to 12 of the K to 12 program, intended for use by parents and teachers ... the home in partnership with the school. SEXUALITY EDUCATION 101: Possibly a vehicle to a delightful journey of love, life, and everything in between!

**Great Relationships and Sex Education** Alice Hoyle, Ester McGeeney, 2019-11-26 Great Relationships and Sex Education is an innovative and accessible guide for educators who work with young people to create and deliver Relationships and Sex Education (RSE) programmes. Developed by two leading experts in the field, it contains hundreds of creative activities and session ideas that can be used both by experienced RSE educators and those new to RSE. Drawing on best practice and up-to-date research from around the world, Great RSE provides fun, challenging and critical ways to address key contemporary issues and debates in RSE. Activity ideas are organised around key areas of learning in RSE: Relationships, Gender and Sexual Equality, Bodies, Sex and Sexual Health. There are activities on consent, pleasure, friendships, assertiveness, contraception, fertility and so much more. All activities are LGBT+ inclusive and designed to encourage critical thinking and consideration of how digital technologies play out in young people's relationships and sexual lives. This book offers: Session ideas that can be adapted to support you to be creative and innovative in your approach and that allow you to respond to the needs of the young people that you work with. Learning aims, time needed for delivery, suggested age groups to work with and instructions on how to deliver each activity, as well as helpful tips and key points for educators to consider in each chapter. Activities to help create safe and inclusive spaces for delivering RSE and involve young people in curriculum design. A chapter on 'concluding the learning' with ideas on how to involve young people in evaluating and reflecting on the curriculum and assessing their learning. A list of recommended resources, websites, online training courses and links providing further information about RSE. With over 200 activities to choose from, this book is an essential resource for teachers, school nurses, youth workers, sexual health practitioners and anyone delivering RSE to young people aged 11-25.

**Sex and Sex Education** Hisham Altalib, AbdulHamid AbuSulayman, Omar Altalib, 2014-01-06 What are children being taught about sex? What are they learning from peers, television, movies, magazines, computer games, pop music, popular culture? Most parents are rightly alarmed by the increasingly controversial nature of the information being fed to children and how age-appropriate it actually is. This publication makes it easy for parents to understand and broach the sensitive topic of sex education. Originally forming chapter thirteen of Parent-Child Relations: A Guide to Raising Children, it charts a way forward, helping parents to educate their children in a manner they feel appropriate and which maintains a sense of the sacred. The authors use a holistic approach to include what morality requires of humanity in this regard, and also focus on the issues of healthy relationships, responsibility, emotional wellbeing, and good physical health. The publication is intended to give parents practical advice, using clear and precise information, to address some of the most common issues parents are likely to encounter and questions they are likely to face.
