Sex Positions for Couples Ana Love, 2021-04-06 55% OFF for Bookstores! NOW at \$23.95 instead of \$33.95 Are you looking for the ultimate guide on sex positions? Then keep reading... If you are asked to make a list of the things that lead to a great marriage, what would be your response? Many people would talk about commitment, communication, respect, and many other factors. Only a few people may include sex because people overlook the fact that sex creates an intimacy that helps to sustain other factors in the relationship. In some religious doctrines, couples are taught that sex is only necessary for procreation. These kinds of couples would interpret sexual acts aside from the need for procreation as 'not too welcome' because of their conservative beliefs. Others do not properly discuss sex with their partners and things

dwindle as a result of lack of intimacy. Just because you've popped out one or two kids does not mean you should retire from the act of having sex because it is important. Do you care to know why? Sex in a successful relationship has to give both partners pleasure and they both should be able to express themselves. When your relationship was in its early stages, you probably thought that sex happened as a result of the romantic attraction you share. Now that your relationship is aging and you are probably no longer having as much sex as you used to, you may interpret it as a lack of attraction. Don't wait until there's a spark between you and your partner. Use sex to create the spark you want. Sexual intercourse has a lot of positive physicals, emotional, social and intellectual benefits. Think of anything you want to feel, sex can help you feel it. Sex helps you create intimacy in your relationship. Partners who have great sex have a better confidence boost than others. When your experience in bed is good, you will develop a kind of high that makes you feel strong and confident in the other parts of your life. When your sexual life is good, your self-esteem is good. You begin to feel more attractive, and desirable. This feeling changes the way we see ourselves and do things. Go on your street and tell a random person that they are beautiful. Of course, they'd smile, but after the smile, they'd walk away with a different gait and carriage than they possess before. Feeling attractive makes us think about positive things. This book covers the following topics: Intimacy: pre-sex Sex positions Orgasm Sex position for pregnant women Sex positions for insecurity, anxiety, and premature ejaculation Fantasies & fetishes Why there's need for sex and the use of different sex positions in a relationship Communication ... AND MORE!!! When you increase the sex in your relationship, you have a high level of intimacy.

When you kiss and touch each other, you release oxytocin. This gives you the urge to bond and an increased desire to cuddle and hold each other. The more sex you have, the more you'd always want to be close to your partner's body. You will begin to think of your partner as a refuge from all external worries and this will go a long way in increasing the bond you share. So, do you want to learn more? Kama Sutra and Tantric Sex Positions for Couples Richard Jakes, 2020-04-17  
Sex is pure and incredibly beautiful. Don't get me even started on the excitement that comes with having multiple rush of orgasms. Sex is truly awesome, and in addition to the sweet orgasms partners enjoy from sex, sex also provides the body with a host of benefits. As sweet as sex is, sex can become boring or become a sexual rut to follow. Sex can become boring for you and your partner if you are fixated on a particular position and you don't make efforts to spice up your sex life. Are you a fan of archaic sex

positions such as doggy and missionary styles? Have you tried the different variations of missionary sex position? Or you just stick to the basic missionary style? Have you ever had sex with your partner in the car? On the kitchen counter? Or in the tub? Has your partner ever suggested the butterfly sex position but you insisted on the basic missionary style? Perhaps your sex life with your partner is becoming predictable or boring, you need to spice things up now before you lose your sweet man or woman.
