Sex Games and Foreplay Ideas for Couples Michael Kortekaas,Barbara Kortekaas,2012-01-01 Everyone wants an exciting and satisfying sex life. One filled with erotic adventures, stimulating sensations, romantic intimacy and creative foreplay. If you want more excitement in your relationship, you know your partner does too. They may not show it but you know their passion is just waiting for the right spark. Sometimes we just need permission to unleash our secret sexual desires - that signal that it's okay to be naughty, frisky and playful. A sexy couples game is a perfect way to introduce something fun and new into your relationship without feeling awkward about asking for it. When you both play to win, anything goes. In Sex Games & Foreplay Ideas for Couples you'll find a variety of adult games with hundreds of stimulating ideas to play with. Although many relationship games focus on getting you to play together nicely, these naughty games are designed to embrace the thrill and challenge of competitive play. With an appropriate sexual forfeit or reward, your passionate desire to win can be very arousing. Sexy new rules are provided for many familiar games to make them more suited for adult play. There are erotic twists on classic games like chess, checkers, pool, and darts as well as various board and card games. The Frisky Foreplay erotic dice game is also included. All the games are designed to work with hundreds of pleasuring activities included in the book. Using cards or dice combinations, select from sets of foreplay and sexplay ideas each with different intensity levels. You can even use them with other games you love to play. Sex Games and Foreplay Ideas for Couples gives you everything you need to be naughty and play dirty with each other. Spice up your sex life and banish boredom from your relationship as you discover the joy of laughing and playing together more.

Sex Games Jane Maiden,2019-04-19 Are you looking for a way to improve your sex, to deepen intimacy and rediscover passion and lust? Then keep reading. It doesn't matter if you have been together for many years or for just a few months, sometimes relationships are just losing the spark. But even if spark is lost, you don't have to lose each other! It is not always obvious what led to a lack of interest. Plain sex, lack of communication, unfulfilled expectations. Even if you did everything tight, sometimes you just lose momentum. This is why I wrote this book to help you bring back the spark if you lost it, or throw petrol in the fire and let it blaze. You don't have to wait for a decline in relationships to make them better! You don't need to go through a hard time in your relationships to get benefits from reading this book. No matter where you are in your life, get a valuable insight, inspiration, encouragement, and answers you need. Do you feel bored with your partner? Do you feel lonely even when you are together? Do you miss an overwhelming fire of lust? So often with time you just don't feel the same it is too easy, no chase, no interest. Sometimes question rises does it even make sense to keep ongoing? What about having something on the side? Relationship is a roller-coaster it goes up and down, but it doesn't have to fish when they go down, you have the power to decide where this ride is going to. If when you are with your partner, you feel like you would rather be with your friends - read this book. I have written this book to help you to: re discover each other bring attention to the areas you may have neglected Encourage you for experiments Go on a wild adventure Get your sex life to a next increase the levels of intimacy What it means to have great sex If you have been married for years or just having a thing, don't let it go to waste! Use this book to explore your fantasies and play sex games. You will discover New ways to tease your partner, get him or her horny and hungry for you, even if they don't want to How to push the boundaries and start experimenting Sex games with instructions and variations for different levels How to think outside the box when it is time to get it on Mistakes that you are doing that are killing your relationship This book is for mature and experienced auditory, for people who are looking for new ideas to step up their game. It contains advises and ideas to push the boundaries. Even if you read a bunch of these kinds of books, you shouldn't think that it doesn't worth it. It does! Search Engine Optimization For Dummies Peter Kent,2006-04-20 You have a cool Web site, and a really great product, service, or cause you want people to know about. But visitors aren’t beating down your cyber-door. What happened? The answer, most likely, is that you haven’t made your site irresistible to search engines. Search engines have a great deal of control over the volume of traffic a Web site gets, because they put your site in front of people searching for your product or service. If you know the secrets of wooing the search engines, you can Gain greater visibility for your site Advance your position in the rankings Avoid techniques that cause search engines to bump your site to the end of the list Make pay-per-click advertising pay off In addition to the familiar ones like Google and Yahoo!, there are dozens of other search engines out there. Search Engine Optimization For Dummies, 2nd Edition shows you how to create a site that will pop to the top like a cork whenever people search for related products or services. It will help you Become familiar with search engines and search directories and find out which keywords work Build your site with techniques that search engines like and avoid the ones they don’t Register your site with the top search systems and get it listed in directories Find out why links are important and see how to get other sites to link to yours Work with Google AdWords and Yahoo! Search, and explore the best and most economical ways to use pay-per-click advertising Discover the common mistakes that make Web sites invisible to search engines There’s even a companion Web site with all the links in the book neatly (and conveniently) arranged so you don’t have to type them, plus a bonus chapter to help you power up your skills. Search Engine Optimization For Dummies, 2nd Edition has been updated with the latest information on search engines plus plenty of tips and tricks to help your site get the attention it deserves!
