Kama Sutra Riley Ashwood, 2021-02-13 ★ 55% OFF for Bookstores! NOW at \$ 22.97 instead of \$ 32.97! LAST DAYS! ★ Do you want to know everything about Kama sutra? Your Customers Will Never Stop To Use This Amazing Guide! Finding and maintaining a fulfilling sexual life can be difficult and overwhelming but it is possible if you follow the steps outlined in this book. The Kama Sutra is historically known for being all encompassing and accurate in terms of what men and women want inside and outside of the bedroom; whether or not this still reflects modern day, American beliefs has yet to be confirmed, though a lot of its contents still ring true today. With this book, you should not only be able to begin your path toward sexual fulfillment but be able to create an outline or a guide to help you along the way and to keep

track of the measures you have taken towards your change. Our sexuality is something appealed to in our everyday lives. Our eyes are filled with titillation and provocation and this omnipresent, communal sexual expression may be at the root of our discontent. Everywhere we look, it's in our faces. When you love, you release an energy into the universe, which multiplies the love that is its nature. You feed the cosmic truth with your own and you participate in its health by becoming part of it. When this love is realized physically, the vibrational power of couples who love one another with an intentional and mindful sexuality becomes a powerful agent of goodness, illuminating the universe with an even brighter light than can possibly be imagined. That's why your sexuality exists and why it's so important. Sexuality is a spiritual commission to human beings. It's what we're born for - love not only felt but physically incarnated. Kama Sutra serves to remind us that sex, while a natural human activity, is as much an art form as life itself, also demanding active participation and understanding and the engagement of the whole person. That engagement is physical, or visceral. That engagement is intellectual and spiritual. As a sexual being seeking a deeper and more fulfilling connection with your partner, you're also seeking a deeper and more fulfilling connection with the cosmos itself. Your part in the divine plan and in your divinely gifted sexuality is part of what makes the universe an integrated whole. By learning to give sexuality the exalted and holy position in your life it deserves, you are becoming more attuned to what it means to be human. By re-igniting the flame of desire between you, you will draw closer to one another than you'd ever believed possible, even at the beginning of your relationship. Sexuality is a spiritual reality, not just a physical one. Acknowledging that truth and taking steps to live in it and glory in it is about to make your life a joyful journey of discovery and cosmic ecstasy. This book covers: Understanding the Importance of Sex in Relationships Amazing Oral Sex, Fresh Views, Sexual Fantasies, and Further Easy Sex Positions to Better Enjoy Sex Comfortable Lying Down Sex Positions Everything about the Vagina Philosophy of Kama Sutra Sex is Not Just Positions Challenging Kamasutra Positions to Try The Benefits of Kamasutra It's time for you to go an amazing journey with your partner! Kama Sutra Sex Positions Riley Ashwood, 2021-02-13 ★ 55% OFF for Bookstores! NOW at \$ 32.97 instead of \$ 41.97! ★ Do you want to know everything about Kama sutra? Your Customers Will Never Stop To Use This Amazing Guide! In this book, we'll explore the ideas of Kama Sutra and discover how it can re-connect you with one another, through that invisible umbilical cord that mutually and continually feeds you and your relationship. We'll find out how that existing connection can be the source of renewed sexual joy in your relationship; how it can make the difference between a long-term live-in friendship, and a vibrant, life-long sexual relationship between committed lovers and partners. Being in a committed, loving relationship always seem so easy and natural when we first set our feet on the path. Hand in hand, we walk into the future as a couple, swept away in our love for one another; believing that forever isn't such a long time in the company of the one we adore. But life in a long-term romantic relationship isn't as easy as many of us have been led to believe. It's not just about the compromise, listening and understanding. Let's be honest and admit that it's also about the sex. Sexuality in a long-term relationship or marriage can dwindle over the years. If we have children, their arrival can change the nature of our sexuality. First and foremost is the inevitable transformation of our roles from life-long lovers to parents and guardians. There's also the stress of child-rearing. The baby who won't go to sleep. The dirty nappies. The shift of focus from each other to the new life that demands our care and attention. Some say sexuality between long-time partners can be re-ignited by spicing things up. Costumes, saucy talk and sex aids can come into play to perhaps make things more fun. But what's really at the basis of your love? What's really the true cornerstone of your relationship? Is there something deeper

you can draw on as a resource to lift up your sexuality and make it as enduring as the love you share? It can be hard to believe that your sex life can be improved and changed by words written in a text, but it can. In fact, improving your sex life can be done without help at all, but you need to know yourself 100% if you ever expect to please someone else (inside and outside of the bedroom). There are so many ways in which each of us are pleased via sexually. Finding out what pleases each and every one of us is the difficult part. The Kama Sutra states that all of us can find pleasure and desire in one another, but only if certain factors are taken into account. This book covers: Is Sexual Compatibility important? Overcome sexual anxiety, shyness and insecurity Turn a boring relationship in an exciting couple game The Top sexual fantasies revealed How to create the right intimacy The best sex positions for couples Increase sexual passion with dirty sexy games Top foods to enhance stamina and libido in your sex With this book, you will be able to identify and implement steps that will change the way you look at yourself, life and sex.
