Le Deuxième Sexe Simone de Beauvoir, 1989 The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

A Curious History of Sex Kate Lister, 2020-02-06 This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow – hopefully for the better – but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project Whores of Yore, and written with her distinctive humour and wit, A Curious History of Sex draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling

and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

The Little Book of Uncensored Celebrity Sex Quotes Oliver Markus, 2015-04-01
Funny, inspiring and thought-provoking celebrity quotes about sex, love, life, humor, marriage and relationships, and how we are all connected. We are all born sexual creatures, thank God, but it's a pity so many people despise and crush this natural gift. -Marilyn Monroe Life in Lubbock, Texas, taught me two things: One is that God loves you and you're going to burn in hell. The other is that sex is the most awful, filthy thing on earth and you should save it for someone you love. -Butch Hancock Sex without love is a meaningless experience, but as far as meaningless experiences go it's pretty damn good. -Woody Allen Sex is the driving force on the planet. We should embrace it, not see it as the enemy. -Hugh Hefner Humans love sex, we need sex, it's how we connect, it reminds us we're alive, it's the third most basic human need, after food and good movie popcorn. -Billy Crystal It was my uncle who taught me about the birds and the bees. He sat me down one day and said, 'Remember this, George, the birds fuck the bees.' Then he told me he once banged a girl so hard her freckles came off. -George Carlin Don't have sex man. It leads to kissing and pretty soon you have to start talking to them. -Steve Martin If I'm not interested in a woman, I'm straight-forward. Right after sex, I usually say, 'I can't do this anymore. Thanks for coming over! -Vince Vaughn I like threesomes with two women, not because I'm a

cynical sexual predator. Oh no! But because I'm a romantic. I'm looking for The One. And I'll find her more quickly if I audition two at a time. -Russell Brand

Why Women Have Sex Cindy M. Meston, David M. Buss, 2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture-shifting Kinsey Report, from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection? When University of Texas at Austin clinical psychologist Cindy M. Meston and evolutionary psychologist David M. Buss joined forces to investigate the underlying sexual motivations of women, what they found astonished them. Through the voices of real women, Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep-seated psychology and biology that often unwittingly drive women's desires—sometimes in pursuit of health or pleasure, or sometimes for darker, disturbing reasons that a woman may not fully recognize. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, *Why Women Have Sex* uncovers an amazingly complex and nuanced portrait of female sexuality. They delve into the use of sex as a defensive tactic against a mate's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts or household chores (resource acquisition), or as a cure for a migraine headache (medication). *Why Women Have Sex* stands as the

richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's (and her partner's) awareness of her relationship to sex and her sexuality.

Sex, Economy, Freedom, & Community Wendell Berry, 2018-12-04 Read [him] with pencil in hand, make notes, and hope that somehow our country and the world will soon come to see the truth that is told here. —The New York Times Book Review In this collection of essays, first published in 1993, Wendell Berry continues his work as one of America's most necessary social commentators. With wisdom and clear, ringing prose, he tackles head-on some of the most difficult problems confronting us near the end of the twentieth century—problems we still face today. Berry elucidates connections between sexual brutality and economic brutality, and the role of art and free speech. He forcefully addresses America's unabashed pursuit of self-liberation, which he says is still the strongest force now operating in our society. As individuals turn away from their community, they conform to a rootless and placeless monoculture of commercial expectations and products, buying into the very economic system that is destroying the earth, our communities, and all they represent.

Free Women, Free Men Camille Paglia, 2017-03-14 From the fiery intellectual provocateur— and one of our most fearless advocates of gender equality—a brilliant, urgent essay collection that both celebrates modern feminism and challenges us to build an alliance of strong women and strong men. Ever since

the release of her seminal first book, *Sexual Personae*, Camille Paglia has remained one of feminism's most outspoken, independent, and searingly intelligent voices. Now, for the first time, her best essays on the subject are gathered together in one concise volume. Whether she's calling for equal opportunity for American women (years before the founding of the National Organization for Women), championing a more discerning standard of beauty that goes beyond plastic surgery's quest for eternal youth, lauding the liberating force of rock and roll, or demanding free and unfettered speech on university campuses and beyond, Paglia can always be counted on to get to the heart of matters large and small. At once illuminating, witty, and inspiring, these essays are essential reading that affirm the power of men and women and what we can accomplish together.

Skin Dorothy Allison, 1994 A collection of essays, autobiographical narratives, and performance pieces.

Sex in a Broken World Paul David Tripp, 2018-01-16 We live in a deeply

broken world . . . but there is hope. Sexuality is a fundamental part of what it means to be human—part of God's beautiful design when he created all things. And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one way or another, affects us all. This sexual brokenness reveals our deep need for redemption—something quick fixes, mere behavior modification, or a set of rules can't provide. Honest and direct yet kind and caring, this book points us to the only place we can find help for sexual brokenness—the transforming grace of Jesus Christ. Only this grace offers hope for a life of freedom, purity, and joy as God intended.

The Independent Woman Simone De Beauvoir, 2018-11-06 “Like man, woman is a human being.” When *The Second Sex* was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. *The Independent Woman* contains three key chapters of Beauvoir's masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

"Darling, It's Not Only about Sex" Alain Brémond-Torrent, 2020-04-07 If you would like to spend a day outside, on a sunny summer Saturday in a quirky and artistic neighbourhood of London, if you enjoy playful observations, if

you've been told that French people only have sex on their mind, this book is for you.

Intercourse Andrea Dworkin, 2008-08-01 Andrea Dworkin, once called "Feminism's Malcolm X," has been worshipped, reviled, criticized, and analyzed-but never ignored. The power of her writing, the passion of her ideals, and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists. Now the book that she's best known for-in which she provoked the argument that ultimately split apart the feminist movement-is being reissued for the young women and men of the twenty-first century. *Intercourse* enraged as many readers as it inspired when it was first published in 1987. In it, Dworkin argues that in a male supremacist society, sex between men and women constitutes a central part of women's subordination to men. (This argument was quickly-and falsely-simplified to "all sex is rape" in the public arena, adding fire to Dworkin's already radical persona.) In her introduction to this twentieth-anniversary edition of *Intercourse*, Ariel Levy, the author of *Female Chauvinist Pigs*, discusses the circumstances of Dworkin's untimely death in the spring of 2005, and the enormous impact of her life and work. Dworkin's argument, she points out, is the stickiest question of feminism: Can a woman fight the power when he shares her bed?

Praise for The Unbecoming of Mara Dyer: 'Haunting and dreamlike... the intrigue and romance will inescapably draw you in' - Cassandra Clare, bestselling author of The Mortal Instruments series. Quotes on Sex, Love and Marriage Robert H. Williams,2012-11 A G rated compilation avoiding harsh swear words; yet is a group of relevant quotes

that vividly tell how our fellow Humans live, act, dream and hopes yet to be, in our life's journey. For life IS the journey. From the time we first scribbled on cave walls humans have attempted to put into writing their ideas, feelings, sites, sounds and their lives into a lasting state. When words and sentences came along our sophistication improved and today with advent of internet there are unlimited possibilities to gather and keep the most fun and insightful thoughts we have had. This compilation has been in the works since 1983 and is now available for purchase and keepsake. Also I have found that I just enjoy reading what others have thought about these subjects throughout history and engaging others with their interpretations on the quotes. In literature often a single string of words can give a Universe of meaning within those who choose to delve into the mystery of communication between the sexes and between lovers. This is a must have reference and readable book for enjoyment and usefulness.

The House on Mango Street Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and

universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” –The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s Main Street or Toni Morrison’s Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

Nineteen Eighty-Four George Orwell, 2021-01-09 Nineteen Eighty-Four: A Novel, often published as 1984, is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, Nineteen Eighty-Four centres on the consequences of

totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.
