Wtf? D. D. Jensen,2015-02-25 The WTF? Dirty Sex Secrets book series is a compilation of first person confessions of dirty sex secrets that the story teller experienced... and now describes - in their own words. WTF? Dirty Sex Secrets 1 (Role Reversal) is a husband's account of how his wife made him switch roles with her - wanting him to experience the other side of things - so he would see how it feels to completely surrender all control to someone - becoming nothing more than a sex slave; forced to do anything she tells him to do - only to learn that his wife has quite an eccentric taste when it comes to role reversal sex - a taste that includes the need to bend him over and feed him her long strap on from behind - but not before making him go to the adult sex toy store so that she can watch him pick out the one that she's going to use on him - with only one requirement... it's got to be a big one! WTF? Dirty Sex Secrets 2 (She Wants to Lick Me) is a woman's account of how she and her husband had to move in with her husband's friend and his wife due to financial struggles... and her confession of how she seduced the wife while their husband's were at work. Things are bound to get naughty when two housewives are left home alone together without a chaperone. Masturbation just can't compare with the touch of another woman. But the art of self-pleasuring can do wonders when one woman is trying to lure another... to cum join her. WTF? Dirty Sex Secrets 3 (I Made Him Watch) is a wife's account of how she got her husband to agree to let her sexually tempt one of his closest friends right in their own home... while he is forced to hide and watch them in silence. WTF? Dirty Sex Secrets 4 (MOM FOR A WEEK) is a college student's account of what he experienced during Spring Break after being invited by a friend to come along with him as he drove back home to spend the vacation at his mom's house. The only problem is that his friend's mom is incredibly hot and now he can't keep his eyes off her.

Sex, Secrets, and Lies Marie Miranti Burnett Ph. D.,Mariemiranti Burnett, Ph.d.,2005-02 In Sex, Secrets, and Lies, author Marie Miranti Burnett, PhD, encourages husbands and wives to rethink their vows and consider whether sexual exclusivity should remain the rigid foundation of a good marriage, an ideal that too often leads to secrets and lies and the dissolution of relationships meant to last a lifetime. To strengthen the vow until death do us part it may be necessary to place less importance on the vow to forsake all others. Honest conversations about our sexual needs could lead to real changes in the institution of marriage for the twenty-first century. To guide the conversation, Dr. Burnett draws on her thirty years of clinical experience, listening to the secrets of men and women grappling with their warring needs for freedom and commitment. She shares the stories told to her by urban, educated, thirty-something clients whose values and struggles reflect the significant changes in our sex lives over the past half-century. In Sex, Secrets, and Lies, Dr. Burnett informs couples that a solid marriage consists of an honest, ongoing conversation requiring courageous disclosure and respectful listening that promotes understanding and forgiveness--and that having someone to count on for a lifetime may be the true meaning of monogamy.
