

Sexy Cars Thousands Of The Sexiest Cars You Will Never Own 1300

E Durkheim

365 Sports Cars You Must Drive John Lamm, Larry

Edsall, Steve Sutcliffe, 2011-11-15 Sports cars make up one of the most beloved automotive genres for car fans. From towering icons like Ferrari, Lamborghini, Porsche, and Corvette to everyman sportsters from Triumph, MG, Sunbeam, and Miata to oddballs like Crosley, Sabra, and DB, sports cars inspire passion and strong opinions as few other vehicles on the road could. 365 Sports Cars You Must Drive, provides capsule overviews and fun facts about the greatest, oddest, most beautiful, and most ill-considered sports cars of all time. How many have you driven, dreamed about, or shuddered at the thought of?

Pearson's Magazine, 1911 Vol. 49, no. 9 (Sept. 1922) accompanied by a separately paged section entitled ERA: electronic reactions of Abrams.

Hot Cars of the 60s Craig Cheetham, 2004 For automobile buffs who can never get enough information on classic cars, here is a book that features the most celebrated cars of the 60s. The 1960s was the era in which the car you drove became as much a fashion statement as the clothes you wore. In the United States, the Muscle Car craze meant huge engines grafted onto a regular chassis, producing monsters like the Plymouth Road Runner and AC Cobra. British and European manufacturers went the other way, producing everyday classics like the Mini and VW Beetle as well as world-beating sports cars like the Ferrari 330G, Austin Healey Sprite and E-type Jaguar. Looking in detail at more than 60 vehicles popular during the 1960s, Hot Cars of the 60s features over 500 color photographs, and explains the technical innovations, styling details, and everything else you may want to know on the subject.

Old School Hot Rods Alan Mayes, 2006-09-12 Outrageous Rides & Beautiful Bombs! & break; & break; Old School is Deuce coupes and Model A roadsters. It is chromed engines and wild exhaust stacks. It is parts and pieces attached in ways the factory never

dreamed about. And it definitely is the look. & break; & break; Old School is pinstriping and weathered primer. It is a tuck and roll interior and an aluminum fighter plane seat. It is fat whitewalls and it is chromed wheels. & break; & break; Old School is in session in the pages of Old School Hot Rods. The beauty of this class definitely is in the eyes of the beholder, in this case the beholder is author and editor Alan Mayes. & break; & break; Only a few hot rods made this cut, rides Mayes described as "cars that you cannot stop looking at. You won't be able to stop looking at the photos of these hot rods, either. & break; & break; Go to the head of your car appreciation class as you go cruisin' inside the pages of Old School Hot Rods. These are survivors from the 1950s and modern builds that are just months old. & break; & break; Class is in session. It's time for some Old School. Don't skip one moment of class with Old School Hot Rods!
