The Sexy One Lauren Blakely, 2016-09-28 The other nannies in this city don't call him the Sexy One for nothing. My boss, the amazingly wonderful single father to the girl I take care of every day is ridiculously hot, like movie star levels with those arms, and those eyes, and that body. Not to mention, the way he dotes on his little girl melts me all over. But what really makes my knees weak are the times when his gaze lingers on me. In secret. When no one else is around.--Page 4 of cover.

Sex and the Single Girl Helen Gurley Brown, 2012-07-10 The 1962 blockbuster that took on “one of the most absurd (if universal) myths of our time: that every girl must be married” (The New York Times). Helen Gurley Brown, the iconic editor in chief of Cosmopolitan for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

Gone Too Far! Bola Agbaje, 2021-07-01 Nigeria, England, America, Jamaica; are you proud of where you're from? Dark skinned, light skinned, afro, weaves, who are your true brothers and sisters? When two brothers from different continents go down the street to buy a pint of milk, they lift the lid on a disunited nation where everyone wants to be an individual but no one wants to stand out from the crowd. A debut work produced at the Royal Court's Young Writers Festival, *Gone Too Far!* is a comic and astute play about identity, history and culture, portraying a world where respect is always demanded but rarely freely given. *Gone Too Far!* premiered at the Royal Court Theatre in 2007 where it was awarded the Laurence Olivier Award for Outstanding Achievement in an Affiliate Theatre, 2008. It is published here in an abridged form as part of Methuen Drama's Plays For Young People series.

Shame and Wonder David Searcy, 2016-01-05 For fans of John Jeremiah Sullivan, Leslie Jamison, Geoff Dyer, and W. G. Sebald, the twenty-one essays in David Searcy's debut collection are captivating, daring—and completely unlike anything else you've read before. Forging connections between the sublime and the mundane, this is a work of true grace, wisdom, and joy. Expansive in scope but deeply personal in perspective, the pieces in *Shame and Wonder* are born of a vast, abiding curiosity, one that has led David Searcy into some strange and beautiful territory, where old Uncle Scrooge comic books reveal profound truths, and the vastness of space becomes an expression of pure love. Whether ruminating on an old El Camino pickup truck, those magical prizes lurking in the cereal boxes of our youth, or a lurid online ad for "Sexy Girls Near Dallas," Searcy brings his unique blend of affection and suspicion to the everyday wonders that surround and seduce us. In "Nameless," he ruminates on spirituality and the fate of an unknown tightrope walker who falls to his death in Texas in the 1880s, buried as a local legend but without a given name. "The Hudson River School" weaves together Google Maps, classical art, and dental hygiene into a story that

explores—with exquisite humor and grace—the seemingly impossible angles at which our lives often intersect. And in “An Enchanted Tree Near Fredericksburg,” countless lovers carve countless hearts into the gnarled trunk of an ancient oak tree, leaving their marks to be healed, lifted upward, and, finally, absorbed. Haunting, hilarious, and full of longing, Shame and Wonder announces the arrival of David Searcy as an essential and surprising new voice in American writing. Praise for Shame and Wonder “Astonishment is a quality central to David Searcy’s Shame and Wonder. . . . What unites these twenty-one essays . . . is the sense of a wildly querying intelligence suspended in a state of awe. . . . Searcy is drawn instinctively to moments, the way parcels of time expand and contract in memory, conjuring from ordinary experience a hidden sense of all that is extraordinary in the world, in being alive.”—The New York Times Book Review “A lovely implicit argument for a particular orientation toward the world: continuous awe and wonder . . . Everywhere, David Searcy finds the strange and marvelous in careful examination of the quotidian.”—NPR “Peculiar and lively . . . Like a down-home Roland Barthes, [Searcy’s] quirky observations and sudden narrative turns remind us of the strangeness we miss every day.”—Minneapolis Star Tribune “Often nostalgic and whimsical . . . brings to life the shadows of our kaleidoscopic world.”—The Dallas Morning News “What makes Searcy such a master storyteller is that he is a master observer, sharing his vision through essays that read like exquisitely crafted short stories.”—San Francisco Chronicle “In twenty-one captivatingly offbeat essays, Searcy finds the exceptional in the everyday . . . and contemplates the mysteries therein with grace and eloquence.”—The Atlanta Journal-Constitution “A collection of essays laced with wisdom and beauty.”—Paste “Slyly brilliant—a self-deprecatory look at life in all its weirdness.”—Austin American-Statesman “A work of genius—a particular kind of genius, to be sure.”—Ben Fountain, author of Billy Lynn’s Long Halftime Walk

MEN ARE FROM EARTH, WOMEN ARE FROM EARTH RIMPLE,2019-03-26 Rhea is a renowned psychologist, sexologist and relationship coach. While on a holiday, she meets Rohan, a famous Indian actor who chances upon her notebook and believes she is the only one who will be able to help him with his issues. Rohan has cold feet as his wedding day approaches. But is that all? He embarks on a therapeutic journey with Rhea with the support of her fiancé Siddhartha. This begins the unravelling of many childhood secrets and emotions. Will he overcome these overpowering emotions that have become a part of him? Can he rise above deep, long-term wounds and bonds? Will he go through with the marriage? Siddhartha and Rhea set some interesting relationship goals for every couple. The book elucidates how important it is to destroy the old psychology and develop a new one. A heavy and sensitive subject is presented in the simplest and most light-hearted manner possible. #NewHuman Today's mankind is a product of the culture of thousands of years. From the time we are born, we are

socialized into playing traditional gender roles. Certain differences between the sexes are natural while the others are cultural and social (manmade). The book explores men and women's relationships with each other—mother-son, father-daughter, mother-daughter, father-son, brother-sister, girlfriend-boyfriend, husband-wife—and themselves. Be it any relationship, there are men and women involved. The kind of relationship we share with the same or opposite gender stems from our very first relationship with that gender, that is, with a mother and a father. And this is what the book deals with. Delving into the dynamics of these relationships, it brings forth a new definition of what it means to be a man or a woman through the characters Rhea, Siddhartha and Rohan.

If the Shoe Fits E. J. Noyes, 2019-11-01 Jana Fleischer loves her life—wonderful family, best sister in the world, awesome soon to be sister-in-law, fabulous job, and a never-ending stream of men to chew through and spit out. So what if everyone says she's too picky and she's never had a real relationship? When a chance meeting with Brooke Donnelly leaves Jana literally and figuratively off-balance, it doesn't take long for her initial annoyance to turn into the first sparks of friendship. Jana always thought she was happy with her life, but the more time she spends with Brooke, the more she realizes something is missing. And maybe not just in the friendship department. But how do you make that leap when you've never even considered kissing a woman, and have spent your whole life avoiding romantic commitments? Being brave, taking the first step, and admitting she wants to try to make things work with Brooke is only the beginning. Whether it's the beginning of a disaster—or everything Jana hadn't realized she wanted—depends on if Brooke can also be brave enough...

Knowing Bodies, Moving Minds Liora Bresler, 2013-11-11 This book aims to define new theoretical, practical, and methodological directions in educational research centered on the role of the body in teaching and learning. Based on our phenomenological experience of the world, it draws

on perspectives from arts-education and aesthetics, as well as curriculum theory, cultural anthropology and ethnomusicology. These are arenas with a rich untapped cache of experience and inquiry that can be applied to the notions of schooling, teaching and learning. The book provides examples of state-of-the-art, empirical research on the body in a variety of educational settings. Diverse art forms, curricular settings, educational levels, and cultural traditions are selected to demonstrate the complexity and richness of embodied knowledge as they are manifested through institutional structures, disciplines, and specific practices.

Top Models Vol 63 Sexiest Girls (Purse Size) Chantelle Mayo,2016-06-21 What defines a Top Model Sexiest Girl? It is her appearance? Her sex appeal? Her attitude? Her personality? Her ability to move from photospreads to the catwalk, and ads with complete ease? Or is it her originality, her independence, and complete assurance in what she is doing that inspires much admiration? Our sexiest girls all have these qualities, but there's something more to them. These Top Models possess a *ce je ne sais quoi* that makes them sexy, and it's really hard to define. They have an innate confidence in their own sexuality that lures men and women alike. Women want to be them, and men want to be with them. These women inspire designers, fashion lines, photographers, rather than simply representing them. They are the industry gems, those women who can do and wear anything, rare finds treasured for their unique embodiment of self-confidence and beauty. It is as much for their

sex appeal as for their physical perfections that these models are sought after above all others for major campaigns and projects. A sexiest girl can sell any brand, and acquiring one as an ambassador can project a brand's perception and image into a new level of respect. The media cannot help but give them attention, as their confidence in their identity and sexuality makes them stand out, unable to be ignored.

On the Move for Love Sealing Cheng, 2011-11-29 Since the Korean War, *gijichon*—U.S. military camp towns—have been fixtures in South Korea. The most popular entertainment venues in *gijichon* are clubs, attracting military clientele with duty-free alcohol, music, shows, and women entertainers. In the 1990s, South Korea's rapid economic advancement, combined with the stigma and low pay attached to this work, led to a shortage of Korean women willing to serve American soldiers. Club owners brought in cheap labor, predominantly from the Philippines and ex-Soviet states, to fill the vacancies left by Korean women. The increasing presence of foreign workers has precipitated new conversations about modernity, nationalism, ethnicity, and human rights in South Korea. International NGOs, feminists, and media reports have identified women migrant entertainers as victims of sex trafficking, insisting that their plight is one of forced prostitution. Are women who travel to work in such clubs victims of trafficking, sex slaves, or simply migrant women? How do these women understand their own experiences? Is antitrafficking activism helpful in protecting them? In *On the Move for Love*, Sealing Cheng attempts to answer these questions by following the lives of migrant Filipina entertainers working in various *gijichon* clubs. Focusing on their aspirations for love and a better future, Cheng's ethnography illuminates the complex relationships these women form with their employers, customer-boyfriends, and families. She offers an insightful critique of antitrafficking discourses, pointing to the inadequacy of recognizing women only as victims and ignoring their

agency and aspirations. Cheng analyzes the women's experience in South Korea in relation to their subsequent journeys to other countries, providing a diachronic look at the way migrant issues of work, sex, and love fit within the larger context of transnationalism, identity, and global hierarchies of inequality.
