Muscle Shoals Legacy of FAME, The Blake Ells, 2015 FAME Publishing first opened in 1959 and produced hits for great musicians like Etta James, Clarence Carter and Aretha Franklin. ot long after, the city of Muscle Shoals became known as the Hit Recording Capital of the World. FAME was the foundation that produced Muscle Shoals Sound Studio, the Nutthouse and

Sundrop Sound at Single Lock Records - studios that gave a voice to artists like Drive-By Truckers, Jason Isbell and the 400 Unit and John Paul White. A new generation, including the Pollies and Doc Dailey & the Magnolia Devil, today carries the tradition of great music. Through extensive research, and enriched with interviews from those who lived it, local author Blake Ells chronicles the epic story that started with FAME.

The Boundless Life Challenge David Dillard-Wright, 2018-10-09 Unlock your infinite potential through mindfulness, self-care, and a positive outlook with this easy-to-follow 90-day plan of simple activities and quick exercises. Most of us already know what we need to be happy and healthy: eat right, exercise, meditate, and be kind to ourselves. But sometimes, changing your mindset and your outlook on life doesn't come easy—we can find ourselves stuck in ruts and old habits that are hard to break. In The Boundless Life Challenge, Dr. David Dillard Wright offers an easy-to-follow mindfulness plan

to get you feeling and thinking more optimistically. His 90-day challenge includes 90 activities, meditations, and simple exercises to help you re-center and focus on the good things in your life—through techniques like gratitude exercises, simple mantra repetitions, self-affirmations, and easy guided meditations—accessible even if you're new to mindfulness. With additional information on how to break through mental barriers, maintain your new mindset, and the health benefits of optimism and positivity, this interactive guide will help you start—and keep—your happy new outlook for years to come.

Sisters of the Great War Suzanne Feldman, 2021-10-26 Inspired by real women, this powerful novel tells the story of two unconventional American sisters who volunteer at the front during World War I August 1914. While Europe enters a brutal conflict unlike any waged before, the Duncan household in Baltimore, Maryland, is the setting for a different struggle. Ruth and Elise Duncan long to escape the roles that society, and their controlling father, demand they play. Together, the sisters volunteer for the war effort—Ruth as a nurse, Elise as a driver. Stationed at a makeshift hospital in Ypres, Belgium, Ruth soon confronts war's harshest lesson: not everyone can be saved. Rising above the appalling conditions, she seizes an opportunity to realize her dream to practice medicine as a doctor. Elise, an accomplished mechanic, finds purpose and an unexpected kinship within the all-female Ambulance Corps. Through bombings, heartache and loss, Ruth and Elise cherish

an independence rarely granted to women, unaware that their greatest challenges are still to come. Illuminating the critical role women played in the Great War, this is a remarkable story of resilience, sacrifice and the bonds that can never be vanquished.

Shakin' All Over George McKay, 2013-10-28 Given the explosion in recent years of scholarship exploring the ways in which disability is manifested and performed in numerous cultural spaces, it's surprising that until now there has never been a single monograph study covering the important intersection of popular music and disability. George McKay's *Shakin' All Over* is a cross-disciplinary examination of the ways in which popular music performers have addressed disability: in their songs, in their live performances, and in various media presentations. By looking closely into the work of artists such as Johnny Rotten, Neil Young, Johnnie Ray, Ian Dury, Teddy Pendergrass, Curtis Mayfield, and Joni Mitchell, McKay investigates such questions as how popular music works to obscure and accommodate the presence of people with disabilities in its cultural practice. He also examines how popular musicians have articulated the experiences of disability (or sought to pass), or have used their cultural arena for disability advocacy purposes.

Preschool Clues Angela C. Santomero, Deborah Reber, 2018-04-03 The award-winning creator of *Blue's Clues*, *Super Why!*, and *Daniel Tiger's Neighborhood* shares the secret sauce behind her shows' powerful, transformative results in the form of eleven research-based, foundational "clues" to ensure that

preschoolers flourish academically, socially, and emotionally during this critical time. The preschool years—when children are between the ages of two and five—are the most influential, important years in a child’s life. Studies show that pausing to interact, playing to solve problems, diffusing with humor, and using repetition are the hidden clues conscious parents use to raise successful kids and help them learn critical thinking skills, foster empathy, and nurture their sense of self-worth. Angela C. Santomero, MA, the award-winning creator of children’s television phenomena knows this better than anyone and has spent decades working to instill confidence in her young viewers. In *Preschool Clues*, she breaks down the philosophy behind her shows—educating, inspiring, and empowering kids—into concrete strategies that parents and educators can incorporate into their family and classroom to set their preschoolers up for success, such as: -Intentionally pausing to foster bonding, independence, and resilience -Developing empathy and confidence through soliciting preschoolers’ help -Becoming “fluent” in the language of preschoolers: Play -Igniting your preschooler’s curiosity -Being an involved co-player everyday -Designing a healthy media diet In *Preschool Clues*, Angela shares the latest research from top thinkers in child development and education. Through her practical, straightforward advice and inspiring, conversational approach, you will not only understand exactly what your children are learning from the shows they watch and why these shows are so effective, you’ll know exactly how to apply these same proven approaches in

your daily life and with the same powerful results.

Dancing with Myself Billy Idol, 2014-10-07 A Rolling Stone Top 10 Best Music Books of the Year “That’s what I’m talking about...Of all these memoirs, *Dancing With Myself* was the only one that stimulated my envy—made me want to be Billy Idol for five minutes....He’s a genuine romantic, writing in a kind of overheated journalese about his London punk rock roots...and then falling head over heels for America” (James Parker, *The New York Times Book Review*). An early architect of punk rock’s sound, style, and fury, whose lip-curling sneer and fist-pumping persona vaulted him into pop’s mainstream as one of MTV’s first megastars, Billy Idol remains, to this day, a true rock ‘n’ roll icon. Now, in his *New York Times* bestselling autobiography, *Dancing with Myself*, Idol delivers an electric, “refreshingly honest” (*Daily News*, New York) account of his journey to fame—from his early days as front man of the pioneering UK punk band Generation X to the decadent life atop the dance-rock kingdom he ruled—delivered with the same in-your-face attitude and fire his fans have embraced for decades. Beyond adding his uniquely qualified perspective to the story of the evolution of rock, Idol is a brash, lively chronicler of his own career. A survivor’s tale at its heart, this sometimes chilling and always riveting account of one man’s creative drive joining forces with unbridled human desire is unmistakably literary in its character and brave in its sheer willingness to tell. With it, Billy Idol is destined to emerge as one of the great writers among his musical peers. “I am

hopelessly divided between the dark and the good, the rebel and the saint, the sex maniac and the monk, the poet and the priest, the demagogue and the populist. Pen to paper, I've put it all down, every bit from the heart. I'm going on out a limb here, so watch my back." –Billy Idol

Begin the Begin Robert Dean Lurie, 2019-05-14 Robert Dean Lurie's biography is the first completely researched and written since R.E.M. disbanded in 2011. It offers by far the most detailed account of their formative years—the early lives of the band members, their first encounters with one another, their legendary debut show, touring out of the back of a van, initial recordings, their shrewdly paced rise to fame. The people and places of 'the South' are crucial to the R.E.M. story in ways much more complex and interesting than have been presented thus far, says Lurie, who explores the myriad ways in which the band's adopted hometown of Athens, Georgia, and the South in general, have shaped its members and the character and style of their art. The South is more than the background to this story; it plays a major role: the creative ferment that erupted in Athens and gripped many of its young inhabitants in the late 70s and early 80s drew on regional traditions of outsider art and general cultural out-there-ness, and gave rise to a free-spirited music scene that produced the B-52's and Pylon, and laid the ground for R.E.M.'s subsequent breakout success. Lurie has tracked down and interviewed numerous figures in the band's history who were under-represented in or even absent from earlier biographies, and they contribute

previously undocumented stories as well as casting a fresh light on the familiar narrative.

Horror Stories Liz Phair, 2021-03-09 The two-time Grammy-nominated singer-songwriter behind the groundbreaking album *Exile in Guyville* traces her life and career in a genre-bending memoir in stories about the pivotal moments that haunt her. “Honest, original and absolutely remarkable.”—NPR (Best Books of the Year) When Liz Phair shook things up with her musical debut, *Exile in Guyville*—making her as much a cultural figure as a feminist pioneer and rock star—her raw candor, uncompromising authenticity, and deft storytelling inspired a legion of critics, songwriters, musicians, and fans alike. Now, like a Gen X Patti Smith, Liz Phair reflects on the path she has taken in these piercing essays that reveal the indelible memories that have stayed with her. For Phair, horror is in the eye of the beholder—in the often unrecognized universal experiences of daily pain, guilt, and fear that make up our humanity. Illuminating despair with hope and consolation, tempering it all with her signature wit, *Horror Stories* is immersive, taking readers inside the most intimate junctures of Phair’s life, from facing her own bad behavior and the repercussions of betraying her fundamental values, to watching her beloved grandmother inevitably fade, to undergoing the beauty of childbirth while being hit up for an autograph by the anesthesiologist. *Horror Stories* is a literary accomplishment that reads like the confessions of a friend. It gathers up all of our isolated shames and draws them out into

the light, uniting us in our shared imperfection, our uncertainty and our cowardice, smashing the stigma of not being in control. But most importantly, the uncompromising precision and candor of *Horror Stories* transforms these deeply personal experiences into tales about each and every one of us.

Join Together Marley Brant, 2008 More than ninety artists contribute their unique memories and perspectives on the music festival and its impact on rock music and society in this volume that takes readers behind the scenes of live music's most high profile and historic rock concerts.

I Got a Song Rick Massimo, 2017-06-06 The first-ever book exclusively devoted to the history of the Newport Folk Festival, *I Got a Song* documents the trajectory of an American musical institution that began more than a half-century ago and continues to influence our understanding of folk music today. Rick Massimo's research is complemented by extensive interviews with the people who were there and who made it all happen: the festival's producers, some of its biggest stars, and people who huddled in the fields to witness moments—like Bob Dylan's famous electric performance in 1965—that live on in musical history. As folk has evolved over the decades, absorbing influences from rock, traditional music and the singer-songwriters of the '60s and '70s, the Newport Folk Festival has once again become a gathering point for young performers and fans. *I Got a Song* tells the stories, small and large, of several generations of American folk music enthusiasts.

You Can Go Your Own Way Eric Smith, 2021-11-02 A sweetly charming love story

that leaves the reader with a lasting sense of hope.” –Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* The perfect novel to snuggle up with.” –Emily Henry, New York Times bestselling author of *Beach Read* A heartwarming and thoughtful enemies-to-lovers rom-com about two teens—one trying to save his family's failing pinball arcade, the other working for her tech genius dad who wants to take it over—who get trapped together in a snowstorm. Adam Stillwater is in over his head. But the pinball arcade is the only piece of his dad that Adam has left, and he's determined to protect it from Philadelphia's newest tech mogul, who wants to turn it into another one of his cold, lifeless gaming cafés. Whitney Mitchell doesn't know how she got here. Her parents split up. Her boyfriend dumped her. And now she's spending her senior year running social media for her dad's chain of super successful gaming cafés—which mostly consists of trading insults with that decrepit old pinball arcade across town. But when a huge snowstorm hits, Adam and Whitney find themselves trapped inside the arcade. Cut off from their families, their worlds, and their responsibilities, the tension between them seems to melt away, leaving something else in its place. But what happens when the storm ends?

One Christmas Wish Brenda Jackson, 2021-10-26 Jackson brings the quaint Southern town to life in a memorable holiday romance complete with affable characters.—Publishers Weekly on *One Christmas Wish* It's Christmas in Catalina Cove, a time of promise and second chances. But when you're starting

over, love is the last thing you're wishing for... Vaughn Miller's Wall Street career was abruptly ended by a wrongful conviction and two years in prison. Since then, he's returned to his hometown, kept his head down and forged a way forward. When he is exonerated and his name cleared, he feels he can hold his head up once again, maybe even talk to the beautiful café owner who sets his blood to simmering. Sierra Crane escaped a disastrous marriage—barely. She and her six-year-old goddaughter have returned to the only place that feels like home. Determined to make it on her own, Sierra opens a soup café. Complication is the last thing she needs, but the moment Vaughn walks into her café, she can't keep her eyes off the smoldering loner. When they give in to their attraction, what Sierra thought would be a onetime thing becomes so much more. Vaughn knows she's the one. Sierra can't deny the way Vaughn makes her feel, but she's been burned before. With Christmas approaching, Vaughn takes a chance to prove his love, and it will be up to Sierra to decide if her one Christmas wish—true happiness—will come true. Don't miss *The House on Blueberry Lane*, the next book in *The Catalina Cove* series by New York Times bestselling author Brenda Jackson! *The Catalina Cove* series Book 1: *Love in Catalina Cove* Book 2: *Forget Me Not* Book 3: *Finding Home Again* Book 4: *Follow Your Heart* Book 5: *One Christmas Wish* Book 6: *The House on Blueberry Lane*

The Liddle'est President Majid M Padellan, 2020-03-21 The story of a horrible Liddle' man who became President, and what led to his ultimate bigly downfall.
