Koushi Tachibana

The Princess, the Crone, and the Dung-cart Knight Gerald Morris, 2004 Ever since that tragic night when her mother and guardian were murdered, thirteen-year-old Sarah has been living on her own and searching for the knight who was responsible. Her quest for revenge leads to an even greater adventure when she witnesses Queen Guinevere being kidnapped. Soon Sarah finds herself accompanying Sir Gawain and Squire Terence on a remarkable journey to rescue the Queen. In their travels they meet, among others, a mystery knight traveling incognito in a dung cart, a faery who becomes Sarah's first friend in a long time, a reclusive monk who plans to spend the rest of his life building a tomb for Sir Lancelot, and a princess who might have a little more gumption than she appears to. As the plot thickens, Sarah finds out more about the people she's met and befriended, as well as about herself. She begins to learn the true consequences of vengeance and what it really means to be a princess.

Runic Amulets and Magic Objects Mindy MacLeod, Bernard Mees, 2006 A fresh examination of one of the most contentious issues in runic scholarship - magical or not? The runic alphabet, in use for well over a thousand years, was employed by various Germanic groups in a variety of ways, including, inevitably, for superstitious and magical rites. Formulaic runic words were inscribed onto small items that could be carried for good luck; runic charms were carved on metal or wooden amulets to ensure peace or prosperity. There

are invocations and allusions to pagan and Christian gods and heroes, to spirits of disease, and even to potential lovers. Few such texts are completely unique to Germanic society, and in fact, most of the runic amulets considered in this book show wide-ranging parallels from a variety of European cultures. The question of whether runes were magical or not has divided scholarship in the area. Early criticism embraced fantastic notions of runic magic - leading not just to a healthy scepticism, but in some cases to a complete denial of any magical element whatsoever in the runic inscriptions. This book seeks to re-evaluate the whole question of runic sorcery, attested to not only in the medieval Norse literature dealing with runes but primarily in the fascinating magical texts of the runic inscriptions themselves. Dr MINDY MCLEOD teaches in the Department of Linguistics, Deakin University, Melbourne; Dr BERNARD MEES teaches in the Department of History at the University of Melbourne.

The Magic of Éliphas Lévi Éliphas Lévi,2022-01-25 The presented here collection contains two of the most important books by Éliphas Lévi dedicated to his views on the essence of magic and the history of magical studies. Levi thinks that people regard magic erroneously and narrow it to a collection of tricks. On the contrary, magic is practicing the concentration of will, imagination, and psychic power to influence the minds of other people and the phenomena of reality. In The History of Magic, Lévi compares the magical components of different religious traditions and organizations, like pagan beliefs, Kabbalah, Christian Catholicism, Illuminati, and Freemasonry. He states that true magic is earthed under the parables, fables, and wonder stories with peculiarities in every division. Yet, they all have a common basis, which Lévi describes as the true magic which imparts real science. Levi's books greatly influenced the development of different occult and mystical movements in Europe and the United States, including the Theosophical Society of Helena Blavatsky._x000D_ _x000D_

The Ritual of Transcendental Magic Eliphas Levi,2013 This is the complete English version of Eliphas Levi's treatise on ritual magic. This work is in two parts: in the first one, called The Doctrine of Transcendental Magic, we establish the kabalistic and magical doctrine in its entirety; this here, the second part, is consecrated to the cultus, that is, to Ceremonial Magic. The one is that which the ancient sages termed the Clavicle, the other that which

people on the country-side still call the Grimoire. The numbers and subjects of the chapters which correspond in both parts, are in no sense arbitrary, and are all indicated in the great universal key, of which we give for the first time a complete and adequate explanation. Let this work now go its way where it will and become what Providence determines; it is finished, and we believe it to be enduring, because it is strong, like all that is reasonable and conscientious. Contents: Introduction Chapter I - Preparations Chapter Ii - Magical Equilibrium Chapter Iii - The Triangle Of Pantacles Chapter Iv - The Conjunction Of The Four Chapter V - The Blazing Pentagram Chapter Vi - The Medium And Mediator Chapter Vii - The Septenary Of Talismans Chapter Viii - Warning To The Imprudent Chapter Ix - The Ceremonial Of Initiates Chapter X - The Key Of Occultism Chapter Xi - The Triple Chain Chapter Xii - The Great Work Chapter Xiii - Necromancy Chapter Xiv - Transmutations Chapter Xv - The Sabbath Of The Sorcerers Chapter Xvi - Witchcraft And Spells Chapter Xvii - The Writing Of The Stars Chapter Xviii - Philtres And Magnetism Chapter Xix - The Mastery Of The Sun Chapter Xx - The Thaumaturge Chapter Xxi - The Science Of The Prophets Chapter Xxii - The Book Of Hermes

Secrets of the Sword I Lindsay Buroker, 2020-11-30 After helping my steady dragon Zav with his family problems, I thought life would get back to normal. As normal as it can be when you're a hit woman responsible for hunting down bad guys. That was before a strange artifact showed up in a bog and turned my ancient dwarven sword into a magical beacon. Now my enemies can sense it from

hundreds of miles away. More than that, every club-toting, over-muscled orc, ogre, and troll who would like a magic sword can sense it. Usually, fighting off opportunists wouldn't be a problem (they don't call me Ruin Bringer without reason), but even I can only handle so many attacks at a time. And Zav isn't as much help as you'd think, since he's busy on a quest for a ring. No, it's not a Lord of the Rings kind of quest. My boss put it in Zav's head that since we're mated in the dragon way, we should also be married in the human way. Now, he's off to find the perfect engagement ring. Given his taste in human footwear, I may be in trouble for more reasons than my marked sword. Not only is there no chance of my life getting back to normal any time soon, but if I can't figure out how to fix my sword, I'll be dead long before I can get married.

Date A Live, Vol. 10 (light novel) Koushi Tachibana, 2023-10-24 Fate is a tricky thing... Five years ago, a Spirit killed Origami Tobiichi's parents. Holding a grudge that has only grown since then, Origami turns to DEM in hopes of becoming powerful enough to enact her revenge by killing every last Spirit. Shido can see that this is guaranteed to lead her down a path of death and destruction, so he's ready to do whatever it takes to stop Origami's plans to attack Tohka and the others. But what if there was a chance to turn back the clock and potentially undo everything...?

A Mirror of Rabbinic Hermeneutics Giuseppe Veltri, 2015-09-14 Rabbinic hermeneutics in ancient Judaism reflects this multifaceted world of the text and of reality, seen as a world of reference worth commentary. As a mirror, it includes this world but perhaps also falsifies reality, adapting it to one's own aims and necessities. It consists of four parts: Part I, considered as introduction, is the description of the Rabbinic Workshop (Officina Rabbinica), the rabbinic world where the student plays a role and a reformation of a reformation always takes place, the world where the mirror was created and manufactured. Part II deals with the historical environment, the world of reference of rabbinic Judaism in Palestine and in the

Hellenistic Diaspora (Reflecting Roman Religion); Part III focuses on magic and the sciences, as ancient (political and empirical) activities of influence in the double meaning of receiving and adopting something and of attempt to produce an effect on persons and objects (Performing the Craft of Sciences and Magic). Part IV addresses the rabbinic concern with texts (Reflecting on Languages and Texts) as the main area of influence of the rabbinic academy in a space between the texts of the past and the real world of the present.
