SHAMAA IL-E-TIRMIDHI M. M. Zakaria,2012 A classic work on the character and the physical description of the Prophet Muhammad.

The Blessings of Ramadan Javed Ali,2002

A Portrait of the Prophet Imam Muhammad ibn 'Isa at-Tirmidhi,2018-03 In Islam, two sources are used to explain the religion and its laws: the Qur'an, a revered text, and the hadith, the sayings and activities of the Prophet Muhammad as reported by friends and followers during his lifetime. This skilled translation, which includes the Arabic of one of the key Islamic texts, long-awaited in English, presents a fascinating selection of hadith compiled by the ninth-century scholar at-Tirmidhi that humanizes the Prophet for modern audiences, presenting him through the eyes of contemporaries who comment not only on his spiritual demeanor and qualities but also on his physical appearance and mannerisms--including his hairdressing, his sitting posture, his sandals and turban, his armor, his favorite condiments, and his jests and laughter. Summary This new edition of the Sham 'il translated by Muhtar Holland, published by Fons Vitae Press is a welcome addition to the classic works of the world's spiritual traditions. The work represents a continuation of a textual tradition reaching back over a thousand years. This translation provides us at the same time with a window opening onto the

roots of the spiritual tradition of Islam itself, a tradition that perceived spirituality as a process of transformation in the individual that was integrally linked to one's adherence, both inwardly and outwardly, to the example of the Prophet Muhammad. This implied that the degree to which one was participating in the Prophetic model was the degree to which one was considered to be participating in Islamic spirituality itself. The present translation also provides meaningful material for responding to the urgent need to revisit and re-evaluate what Islamic spirituality actually entails. This is as important for Muslims today as it is for other faith traditions. Access to original texts serve this purpose better than any third person account or interpretative work. Finally, this work as a portrait of a prophet in all its intimacy and detail, compiled by a venerated master of the hadith tradition, is a timeless testimony to the aspirations of all those who would seek to follow the spiritual life. A Portrait of the Prophet as Seen by His Contemporaries offers to the specialist and general reader alike access to this treasure of prophetic lore that has enlivened the hearts and imaginations of Muslims throughout the world, from the first Islamic community until today. This work also offers anyone, seeking a deeper understanding of the human spirit, a lofty example - at once timeless and personal, of the potential of our individual human nature. The present translation would be a valuable addition to any university course dealing with Islamic spirituality, history, or literature, whether at the introductory or upper level. In a course dealing with the life and legacy of Muhammad I envisage it becoming a standard text. Many thanks to Muhtar Holland and Fons Vitae for the service they have rendered us all in the translation and publication of the Sham 'il of al-Tirmidh and making this priceless text available to an entirely new audience. God's Black Prophets Wesley Muhammad, Wesley Muhammad, Dr, PhD, 2010-12

Muhammad Messenger of Allah Qadi Iyad, 2013-12 Kitab Ash-Shifa bi ta'rif huquq al-Mustafa, (Healing by the recognition of the Rights of the Chosen One), of Qadi 'Iyad (d. 544H/1149CE) is perhaps the most frequently used and commented upon handbook in which the Prophet's, may Allah bless him and grant him peace, life, his qualities and his miracles are described in every detail. Generally known by its short title, Ash-Shifa, this work was so highly admired throughout the Muslim world that it soon acquired a sanctity of its own for it is said: If Ash-Shifa is found in a house, this house will not suffer any harm... when a sick person reads it or it is recited to him, Allah will restore his health. Ash-Shifa gathers together all that is necessary to acquaint the reader with the true stature of the Prophet, may Allah bless him and grant him peace, with the esteem and respect which is due to him,

and with the verdict regarding anyone who does not fulfil what his stature demands or who attempts to denigrate his supreme status - even by as much as a nail paring. QADI 'IYAD His full name was Abu al-Fadl 'Iyad ibn Musa ibn 'Iyad ibn 'Imran ibn Musa ibn Muhammad ibn 'Abdullah ibn Musa ibn 'Iyad al-Yahsubi, the famous Imam. Misquoting Muhammad Jonathan A.C. Brown, 2014-08-07 AN INDEPENDENT BEST BOOKS ON RELIGION 2014 PICK Few things provoke controversy in the modern world like the religion brought by Prophet Muhammad. Modern media are replete with alarm over jihad, underage marriage and the threat of amputation or stoning under Shariah law. Sometimes rumor, sometimes based on fact and often misunderstood, the tenets of Islamic law and dogma were not set in the religion's founding moments. They were developed, like in other world religions, over centuries by the clerical class of Muslim scholars. Misquoting Muhammad takes the reader back in time through Islamic civilization and traces how and why such controversies developed, offering an inside view into how key and controversial aspects of Islam took shape. From the protests of the Arab Spring to Istanbul at the fall of the Ottoman Empire, and from the ochre red walls of Delhi's great mosques to the trade routes of the Indian Ocean world, Misquoting Muhammad lays out how Muslim intellectuals have sought to balance reason and revelation, weigh science and religion, and negotiate the eternal truths of scripture

amid shifting values.

The Seerah of Prophet Muhammad The Way of Islam UK,2017-07-20 Prophet Muhammad (pbuh) was born in Makkah to Amina and Abdullah. Abdullah passed away before Muhammad (pbuh) was born and was brought up by Amina, his mother. When he was six, his mother passed away and then he was looked after by his loving grandfather Abdul Mutallib. Two years later, Abdul Mutallib also passed away and Muhammad (pbuh) was brought up by his uncle Abu Talib. Muhammad (pbuh) lived a simple life, marrying Khadija when he was twenty five years old. At the age of forty, the first verses came from Allah in the month of Ramadan. The Angel Jibrael brought these first five verses to Muhammad (pbuh). These words were written down by the scribes and memorised by the Muslims. This message continued for twenty three years and is known as the Qu'ran - the word of Allah. The Qu'ran is this pure message that was revealed to Muhammad 1400 years ago. These are the words of Allah that were sent to the prophet Muhammad (pbuh). Allah has guarded it and kept it pure from changes and errors. The purpose or mission of the prophet (pbuh) was to deliver this message to Mankind and to follow its teachings. The Prophet Muhammad (pbuh) was kind and honest. He looked after his family and friends. He had good character and respected the elders. He looked after the orphans and the poor. He was concerned for the wellbeing of all people. He never stole or swore at anyone. He was loved and respected by everyone - the Muslims and the non-Muslims. The prophet's character and actions are also recorded in the Hadith books which give us an insight into this great man. Many people try and follow the example of the prophet (pbuh), indeed he is a role model for all Muslims. We should also be kind and good - following the example of the prophet (pbuh) throughout our lives. In this Seerah Book, Children will learn a lot about the prophet (pbuh) and about his life.

An Introduction to the Science of Hadith Suhaib Hasan,2020-06-06 Allah preserved the Sunnah by enabling the Companions and those after them to memorise, write down and pass on the statements of the Messenger Muhammad and the descriptions of his Way, as well as to continue the blessings of practising the Sunnah. Later, as the purity of the knowledge of the Sunnah became threatened, Allah caused the Muslim nation to produce outstanding individuals of incredible memory-skills and analytical expertise, who journeyed tirelessly to collect hundreds of thousands of narrations and distinguish the true words of precious wisdom of their Messenger from those corrupted by weak memories, from forgeries by unscrupulous liars, and from the statements of the enormous number of 'ulama', the Companions and those who followed their way, who had taught in various centres of

learning and helped to transmit the legacy of Muhammad - all of this achieved through precise attention to the words narrated and detailed familiarity with the biographies of the thousands of reporters of Hadith. The methodology of the expert scholars of Hadith in assessing such narrations and sorting out the genuine from the mistaken/fabricated etc., forms the subject-matter of a wealth of material left to us by the muhaddithun (scholars of Hadith, traditionists). This short treatise is a humble effort to introduce this extremely wide subject to English readers. A useful supplement is included for the first time to the original treatise further expounding on branches in the Science of Hadith.

Sahih Al-Bukhari Ibn Kathir, 2017-04-28 Generally regarded as the single most authentic collection of Ahadith, Sahih Al-Bukhari covers almost all aspects of life in providing proper guidance. This book took over 16 years by Imam Bukhari who before writing any Hadith in this book performed prayers for guidance and when he was sure of the Hadith's authenticity, he wrote it in the book.

Scholars of Hadith Syed Bashir Ali, 2000

The Hadith Mufti Taqi Usmani, 2017-06 Sahih Bukhari is a collection of sayings and deeds of Prophet Muhammad (pbuh), also known as the sunnah. The reports of the Prophet's sayings and deeds are called ahadith. Bukhari lived a couple of centuries after the Prophet's death and worked extremely hard to collect his ahadith. Each report in his collection was checked for compatibility with the Qur'an, and the veracity of the chain of reporters had to be painstakingly established. Bukhari's collection is recognized by the overwhelming majority of the Muslim world to be one of the most authentic collections of the Sunnah of the Prophet (pbuh). Bukhari (full name Abu Abdullah Muhammad bin Ismail bin Ibrahim bin al-Mughira al-Ja'fai) was born in 194 A.H. and died in 256 A.H. His collection of hadith is considered second to none. He spent sixteen years compiling it, and ended up with 2,602 hadith (9,082 with repetition). His criteria for acceptance into the collection were amongst the most stringent of all the scholars of a hadith. It is a complete Volume 9 of Sahih al-Bukhari to seek the guidance of Islam

From MTV to Mecca Kristiane Backer, 2012 In the early 1990s Kristiane Backer was one of the very first presenters on MTV (Europe). For some years she lived and breathed the international music scene quickly gaining a cult following amongst viewers and becoming a darling of the European press. As she reached the pinnacle of her success she realised that, despite having all she could have wished for, she was never truly satisfied. Something very important was missing. A fateful meeting with Pakistani cricket hero Imran Khan changed her life. He invited her to his country where she encountered a completely different world to the one she knew, the religion and culture of Islam. A few years later (in 1995), after travelling more widely in the Islamic world and knowing that she had discovered her spiritual path, she embraced Islam in a London mosque. In this private memoir Kristiane Backer tells the story of her conversion and explains how faith, despite the many challenges she faced as she turned her life upside down, at last gave her inner peace and the meaning she had sought.

Muhammad Karen Armstrong, 2013-08-13 The Man Who Inspired the World's Fastest-Growing Religion Muhammad presents a fascinating portrait of the founder of a religion that continues to change the course of world history. Countering those who dismiss Islam as fanatical and violent, Armstrong offers a clear, accessible, and balanced portrait of the central figure of one of the world's great religions.
