Pope Paul VI.

**The Disciples Share the Word** Ishmael "Mac" McDonald, 2013-12-10 After a lifetime of being a church member, and leading the Church, as a Teacher, Ruling Elder, Lay Speaker, Lay Preacher, and a certified Lay Pastor, this is my understanding of the power of God's word. God's Word is the most powerful thing in the cosmic universe. By His Word He can create, sustain, or destroy. He created the universe, and created mankind in His own image. This is a synoptic of the use of His word, from the beginning to the present time and an account of those persons, who have accepted Jesus as their Lord and Savior, and became His disciples, and carried his message throughout the world.

*Share the Word* Kevin Olson, 2013-12-17 A one-year oral curriculum providing a study of doctrine, character and ministry. This book covers a selection of 42 narrative stories. Using the Oral Bible Study Method, the curriculum is designed to bridge cultural and literacy barriers while providing a solid theological education.

**The Word On The Street** Ray Comfort, 2020-10-01 In the midst of a godless culture, Paul did what was necessary to reach the masses with the message of everlasting life: he reasoned about Jesus in the marketplace daily with those who happened to be there (Acts 17:17) and preached on Mars Hill, on the main route to the Parthenon in Athens. We too are living in the midst of a godless society, and those in the streets desperately need to hear God's Word. If we are serious about reaching this dying world, let us emulate Jesus and the apostles and preach where sinners gather. In thirty minutes, a good open-air preacher can reach more unsaved people than the average church does in a year. If you're ready for something more exhilarating than skydiving, arguably more scary, and infinitely more productive, try preaching the gospel in public. For nearly fifty years Ray Comfort has preached the gospel in the open air and witnessed one-to-one to thousands. During those years he has learned certain biblical principles that make reaching the lost so much easier. In this publication you will find everything he learned and everything you need to know: Who should do it? Where should you go? How do you get started? What do you say? With this helpful guide, you too can follow in the footsteps of the Savior and preach the Word on the street. There is no higher calling.

Continuing Christ's Mission Robert S. Chambers,2022-02-10 Go into all the world and preach the Gospel. That was the Great Commission of 2,000 years ago, but is it still viable in today's politically correct world of religious diversity? In *Continuing Christ's Mission*, author Robert S. Chambers makes the case for Christian evangelism in the twenty-first century addressing obstacles and outlining new opportunities for sharing the Gospel and equipping Christians to become ambassadors for Christ. It: uncovers the distinction between a Christian's mission and works; teaches what it means to be an ambassador for Christ; shows how mission fears can be overcome by examining the call of Moses; identifies many ways every Christian can help spread the good news of Jesus; shares how to initiate and conduct successful Bible studies; and explains how the complementary website can serve as a trainer, teacher, and mentor for those interested in evangelism. *Continuing Christ's Mission* prepares every Christian to share God's message.

**Discovering the Word of Wisdom** Jane Birch,2013-11-26 This book is a lively exploration of the amazing revelation known to Mormons as the "Word of Wisdom." It counsels us how and what we should eat to reach our highest potential, both physically and spiritually. New and surprising insights are presented through the perspective of what has been proven to be the healthiest human diet, a way of eating supported both by history and by science: a whole food, plant-based (WFPB) diet. WFPB vegetarian diets have been scientifically proven to both prevent and cure chronic disease, help you achieve your maximum physical potential, and make it easy to reach and maintain your ideal weight. In this book, you'll find the stories of dozens of people who are enjoying the blessings of following a Word of Wisdom diet, and you'll get concrete advice on how to get started! You will discover: What we should and should not eat to enjoy maximum physical health. How food is intimately connected to our spiritual well being. Why Latter-day Saints are succumbing to the same chronic diseases as the rest of the population, despite not smoking, drinking, or doing drugs. How the Word of Wisdom was designed specifically for our day. How you can receive the "hidden treasures" and other blessings promised in the Word of Wisdom. Why eating the foods God has ordained for our use is better not just for our bodies, but for the animals and for the earth. You may think you know what the Word of Wisdom says, but you'll be amazed at what you have missed. Learn why Mormons all over the world are "waking up" to the Word of Wisdom!

**Dogmatic Constitution on Divine Revelation** Pope Paul VI.,1965 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the word of God. Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.
