ISHQ, DUNIYA AUR HAQEEQAT Hemant Gautam, A good poem should employ the simplest language, easily embraced by readers, not confined to the realm of highly literate individuals or language experts. It ought not to be burdened by grammatical rigidity to the extent that it loses its essence. A commendable poem is one that communicates its message in a straightforward manner, making it accessible to everyone. Art, at its best, is simple, direct, and capable of portraying situations without bias. This book endeavors to clear common and fundamental concepts of our social life, exploring love and the drama of desires as perceived by the writer. Through its verses, you will unravel the hidden threads of emotions woven into various situations. The underlying idea emphasizes the need for rules to establish a systematic pattern in society, yet cautions against rules that stifle individual emotions. After all, what defines a being? A bundle of emotions. That's it.

Sahir Surinder Deol,2019-08-21 Sahir Ludhianvi (1921–1980), a remarkable film lyricist, was also an iconic literary poet. Surinder Deol paints a sensitive portrait that reveals an artist who was aware of the depth of his poetic message as well as of his ability to present it in words that captured the reader’s imagination. Sahir looked outward at the world to find beauty in nature for inspiration while at the same time raising his voice against poverty, deprivation, and the denial of social justice. The book contains free verse translation of over ninety of Sahir’s literary creations, including poems, ghazals, bhajans, and a long peace poem called Parchhaaiyaan (The Shadows). The author strives to bring together four distinct elements of Sahir’s work that make him one of the most loved poets of our generation: his deep-rooted love of nature, his snug romanticism, his sensitivity to human suffering, and his unceasing optimism for a better tomorrow.

The Taste of Words Raza Mir,2014-06-15 Have you ever been enchanted by the spoken cadence of an Urdu couplet but wished you could fully understand its nuances? In Urdu Poetry, Raza Mir offers a fresh, quirky and accessible entry point for neophytes seeking to enhance their enjoyment of this vibrant canon—from the poems of legends like Mir Taqi Mir and Mirza Ghalib to the lyrics of contemporary game changers like Javed Akhtar and Gulzar. Raza Mir’s translation not only draws out the zest and pathos of these timeless verses, but also provides pithy insights and colourful trivia that will enable readers to fully embrace this world.

Say Goodbye to Judgement Shubham Jain, Say Goodbye to Judgement- Compilation of book witnessing splendid work by 66 co-authors and 1 amazing compiler. This book talks about why it is necessary to believe in yourself and to live a peaceful life. People will always judge you. Whether it's your family, friends or society, you will be judged at every step of your life, Judgement is a natural instinct but sometimes it results in potential harm, because no one can take their words back once said or even thought. So you should think twice before passing judgement on others and also before worrying about the judgements made on you.
