Shooting Stars LeBron James,2023-08-01 The celebrated memoir from LeBron James - a poignant, thrilling tale of the power of teamwork to transform young lives, including his own A book that will incredibly move and inspire you.” —Jay-Z A heartwarming story of boys who became men, teammates who became brothers, players who became champions, wonderfully told through the maturing eyes of basketball's greatest star. — John Grisham Before LeBron James was an NBA superstar, he was just a kid from Akron, Ohio, who loved to play basketball on a team called the Shooting Stars. This is the story of how this motley group of ten-year-olds grew into a team and became men together - surviving the challenges of inner city America and enduring jealousy, hostility, exploitation, and the consequences of their own overconfidence in their quest to win a national championship. Shooting Stars is a poignant, thrilling tale of the power of teamwork to transform young lives.

The Shooting Star Shivya Nath,2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

Shoot Like the Pros Adam Filippi,2011-02-01 Shooting is the most important fundamental skill in basketball, but despite being the skill players are the most willing to practice, shooting technique is perhaps the least-taught fundamental of the game. In addition, there are very few instructional basketball books dedicated exclusively to shooting. *Shoot Like the Pros* is perhaps the most detailed analysis of shooting mechanics, covering every aspect of shooting, ever published. Divided into seven sections, it covers shooting mechanics, the mental aspects of shooting, free throws, game situations, strength and conditioning, teaching methods, and finally workout drills for advanced levels. Including tips from some of the NBA's biggest stars, this is a book that will give both players and coaches at all levels proper direction on how to improve shooting technique.

Shooting Stars of the Small Screen Douglas Brode,2010-01-01 Since the beginning of television, Westerns have been playing on the small screen. From the mid-1950s until the early 1960s, they were one of TV's most popular genres, with millions of viewers tuning in to such popular shows as *Rawhide*, *Gunsmoke*, and Disney's *Davy Crockett*. Though the cultural revolution of the later 1960s contributed to the demise of traditional Western programs, the Western never actually disappeared from TV. Instead, it took on new forms, such as the highly popular *Lonesome Dove* and *Deadwood*, while exploring the lives of characters who never before had a starring role, including anti-heroes, mountain men, farmers, Native and African Americans, Latinos, and women. *Shooting Stars of the Small Screen* is a comprehensive encyclopedia of more than 450 actors who received star billing or played a recurring character role in a TV Western series or a made-for-TV Western movie or miniseries from the late 1940s up to 2008. Douglas Brode covers the highlights of each actor's career, including Western movie work, if significant, to give a full sense of the actor's screen persona(s). Within the entries are discussions of scores of popular Western TV shows that explore how these programs both reflected and impacted the social world in which they aired. Brode opens the encyclopedia with a fascinating history of the TV Western that traces its roots in B Western movies, while also showing how TV Westerns developed their own unique storytelling conventions.
